**To See the Kingdom** James W. Fowler, 2001-03-02     *H. Richard Niebuhr* Donald W. Shriver, 2009 Summarizes Niebuhr's faith journey as seen through the lens of his major works     "*Christ and Culture*" John Howard Yoder, 1976

Theology, History, and Culture Helmut Richard Niebuhr, 1998-02-17 This text brings together the best of the unpublished works of one of the outstanding American religious thinkers of the 20th century These selected letters sermons and essays show the breadth of H Richard Niebuhr's interests and reveal his concern with integrating theology with practice     The Paradox of Church and World Jon Diefenthaler, 2015-11-01 Ultimately or so H Richard Niebuhr wrote as early as 1929 the problem of church and world involves us in a paradox unless the church accommodates itself to the world it becomes sterile inwardly and outwardly unless it transcends the world it becomes indistinguishable from the world and loses its effectiveness no less surely In the same context he went on to state The rhythm of approach and withdrawal need not be like the swinging of the pendulum mere repetition without progress it may be more like the rhythm of the waves that wash upon the beach each succeeding wave advances a little farther into the world with its cleansing gospel before that gospel becomes sullied with the earth Niebuhr's thought on the paradox of church and world is an essential piece of our understanding of twentieth century theology in America In this volume Jon Diefenthaler collects for the first time over forty writings that trace the lineage of Niebuhr's thought presents them in a single place and makes a case for their enduring value in a post church religious environment The volume is a treasury of little known and hard to find pieces making scholarship and understanding easier     **Richard Niebuhr-- Christ and Culture** John Howard Yoder, 1964     Faith and Ethics Paul Ramsey, 1977     *The Theology of H. Richard Niebuhr* L. A. Hoedemaker, 1970 A revision of the author's thesis entitled Faith in total life Utrecht 1966     The Promise of H. Richard Niebuhr John D. Godsey, 1970     *H. Richard Niebuhr* Donald W. Shriver JR., 2009-09-01

Abingdon Pillars of Theology is a series for the college and seminary classroom designed to help students grasp the basic and necessary facts influence and significance of major theologians Written by noted scholars these books will outline the context methodology organizing principles primary contributions and key writings of people who have shaped theology as we know it today Dr Donald Shriver tells us that H Richard Niebuhr wrote about God in a serious yet joyous exploration This book summarizes Niebuhr's faith journey as seen through the lens of his major works While Niebuhr did mean to move his readers to think struggle argue and even pray he expected nothing less from himself It is the hope of the author that by reading this book readers will be better prepared to travel a path of their own     A Critical View of H. Richard Niebuhr's The Indgdom of God in America Jim Will, 1972     *H. Richard Niebuhr* Jon Diefenthaler, 1986     **The Transformation of Culture** Charles Scriven, 1988     *The Responsible God* Donald Edward Fadner, 1975 The Responsible Self was H Richard Niebuhr's most important work in Christian ethics and it remains a landmark contribution to the field Here Niebuhr probes the fundamental

character of the moral life He finds the key in the concept of responsibility which implies not only the freedom and flexibility of responsiveness to others but also a guiding ideal of unlimited concern that goes beyond vague norms and narrow codes

**Meaning and Method in H. Richard Niebuhr's Theology** Douglas F. Ottati,1982      **Transforming Faith** Joshua Leonard Daniel,2015-09-09 In the face of apparently rampant individualism there has been a steady call for a return to community and tradition particularly in religious communities and in recent Christian theology and ethics The form of contemporary life upheld by modern ideals like freedom and universalism the story goes turns out to divide people from each other and from the communal sources of our traditionally moral values But the call to community too often confuses individualism with individuality assuming that any appeal to individuality as a value or ideal is a rejection of communal goods rather than a mode of promoting those goods What s necessary now is a recovery of the individual that understands individuality to serve community even in resistance to it In Transforming Faith Joshua Daniel offers a fresh reading of H Richard Niebuhr s theological ethics that provides an account of individuality and individual creativity as both the fruits and reformers of community What is theologically at stake in Daniel s reconstructive interpretation is the human s existentially resonant relation with God and the christological revitalization of our symbolic and virtuous activity      **Reinhold Niebuhr** Richard Crouter,2010-07-08 A primer on the current Niebuhr revival of the political left and right this book traces the significance of Reinhold Niebuhr s thought for secular as well as deeply Christian minds Placed in the context of religious and cultural history Niebuhr s theological views deepen and challenge contemporary expertise on issues of war peace economic and personal security While rejecting cynical pessimism and naive optimism Niebuhr s Christian realism reinvigorates age old teachings of the Bible St Paul Augustine and Kierkegaard His thought enriches present day debates between science and religion and between atheists agnostics and believers To live with Niebuhr s legacy is to combine critical acumen with humble self awareness It is to pursue a larger common good for him God given that is shared among individuals nations and the world community      **H. Richard Niebuhr's Concepts of Sin and Grace** W. Stanley Johnson,1982      **Analysis and Critique of "Christ the Transformer of Culture" in the Thought of H. Richard Niebuhr** Michael Eugene Wittmer,2000      *Christ and culture* Helmut Richard Niebuhr,1958
