Biographical Sketches of Joseph Smith the Prophet Jun 23 2023

The Little Book of Revelation Aug 26 2023 Winner of 2015

Religion & Spirituality Double Decker Books Awards on Goodreads

This book is a fascinating study in search of the real Jesus. The author concludes that scripture is essentially a collection of prophecies, not a record of past events. Jesus did not say, "Blessed is he who heeds the words of the history of this book," but rather "Blessed is he who heeds the words of the prophecy of this book." Thus, the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions. The book's argument is that Christ's visitation has not yet occurred in the world of time, since it is a future event, and that his origin will be derived from the Greeks, not the Jews, when he does appear.

The Coming of the Lord Mar 09 2022 Could there be a subject more compelling than the Saviors Second Coming? In this book, Elder Gerald N. Lund brings into sharp focus the events, both thrilling and threatening, that are to precede and accompany that time. Deliberately, avoiding the speculation common to many books on this topic, Elder Lund ties his commentary to significant scriptural passages and authoritative commentary by modern prophets. He shares insights on how the righteous may find security in the days ahead, instilling in the reader a sense of anticipation rather than anxiety, and describing an exciting partnership with God in the breathtaking events of the last days.

The Coming Kingdom of Christ Apr 02 2024

The Second Coming of the Lord Nov 04 2021

The Coming of the American Behemoth Feb 05 2022 Most people in the United States have been trained to recognize fascism in movements such as Germany's Third Reich or Italy's National Fascist Party, where charismatic demagogues manipulate incensed, vengeful masses. We rarely think of fascism as linked to the essence of monopoly-finance capitalism, operating under the guise of American free-enterprise. But, as Michael Joseph Roberto argues, this is exactly where fascism's embryonic forms began gestating in the United States, during the so-called

prosperous 1920s and the Great Depression of the following decade. Drawing from a range of authors who wrote during the 1930s and early 1940s, Roberto examines how the driving force of American fascism comes, not from reactionary movements below, but from the top, namely, Big Business and the power of finance capital. More subtle than its earlier European counterparts, writes Roberto, fascist America's racist, top-down quashing of individual liberties masqueraded as "real democracy," "upholding the Constitution," and the pressure to be "100 Percent American." *The Coming of the American Behemoth* is intended as a primer, to forge much-needed discourse on the nature of fascism, and its particular forms within the United States. The book focuses on the role of the capital-labor relationship during the period between the two World Wars, when the United States became the epicenter of the world-capitalist system. Concentrating on specific processes, which he characterizes as terrorist and non-terrorist alike, Roberto argues that the interwar period was a fertile time for the incubation of a protean, more salable form of tyranny - a fascist behemoth in the making, whose emergence has been ignored or dismissed by mainstream historians. This book is a necessity for anyone who fears America tipping ever closer, in this era of Trump, to full-blown fascism.

The Coming of the Millennium Aug 02 2021 Throughout the last two millennia Christianity understood its divinely mandated mission to be "to conquer the world for Christ." Too often this proclamation led Christians to imagine that their goal must be the elimination of all non-Christians from the world through conversion or, when that fails, through coercion and violence (e.g., the Inquisition, the Crusades, anti-Semitic persecution, Western colonialism, etc.). At the beginning of the third millennium and an age of global diversity, Darrell J. Fasching argues that it is time for Christians to reject this view of their mission, along with the trail of prejudice and violence it has created, and replace militaristic metaphors of conquest with the biblical message of hospitality to the stranger. When we welcome the stranger, according to biblical teachings, we welcome God (Genesis 18:1-5), the Messiah (Matthew 25:35), or an angel of God (Hebrews 13:2). Fasching takes us on a journey through the stories of the Bible to show that diversity is God's covenant intention for humanity. Consequently, the mission of Christians must not be to convert or eliminate non-Christians but rather to welcome them as strangers, for a world without

strangers is a world without God.

Coming of the King May 11 2022

Holy Bible (NIV) Aug 14 2022 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

The Coming Prince Dec 18 2022 He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book—a companion to his *Daniel in the Critics' Den*—he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841–1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including *Forgotten Truths* and *The Silence of God*.

Coming Soon May 03 2024 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a

Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

A Glimpse of the Coming King Oct 04 2021 InA Glimpse of the Coming King, author Richard J. Dick Hill explores what the Word of God teaches about the second coming of the Lord Jesus Christ. He invites believers to consider many biblical passages that predicted Christ's first coming and then those that describe His second coming. The Bible student can look to the prophetic words of the Bible and get a glimpse of our coming King and reflect on how He will return triumphant and victorious, ushering in a new epoch on this earth. This will be the time when the King of this entire universe, the Lord Jesus Christ, will return to this earth and be crowned King over all His created order. This small planet, so seemingly unimportant, will become the center of God's amazing plan for this universe. By preparing spiritually now and studying the prophetic Word of God, we will treasure this magnificent kingdom and delight in the coming days of the King.

The Coming of Sound Jan 07 2022 Sound transformed not only the Hollywood film industry, but all of world cinema. This text examines how the arrival of sound brought a boom to the industry and why its social impact deepened in complexity.

The Coming of the Lord Jan 19 2023 Excerpt from The Coming of the Lord: Will It Be Premillennial? You do not belong to the communion of the Christian church; we cannot acknowledge you as brethren! Said Luther to Zwingli, as he refused to shake hands with him at the conclusion of the futile conference at Marburg in 1529. One or the other of us, he said, must be a minister of Satan a scene and a saying that caused the gentle Zwingli to burst into tears. We are fallen on happier times when amidst all our differences as Christians we can maintain the unity of the Spirit in the bond of peace. Some of the author's intimate friends hold the view opposed in these pages, but this difference, which is of minor importance in comparison with the fundamental truths held in common, has never marred our mutual respect and fellowship; and it is in this Spirit that this book has been written and is sent out. We may differ in unessential details while we are yet of one faith in looking for that blessed hope and appearing of the glory of the great God and our Savior Jesus Christ. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an

important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Coming of the Spirit of Pestilence Nov 16 2022 In the late 1700s, when Euro-Americans began to visit the Northwest Coast, they reported the presence of vigorous, diverse cultures--among them the Tlingit, Haida, Kwakwaka'wakw (Kwakiutl), Nuuchahnulth (Nootka), Coast Salish, and Chinookans--with a population conservatively estimated at over 180,000. A century later only about 35,000 were left. The change was brought about by the introduction of diseases that had originated in the Eastern Hemisphere, such as smallpox, malaria, measles, and influenza. *The Coming of the Spirit of Pestilence* examines the introduction of infectious diseases among the Indians of the Northwest Coast culture area (present-day Oregon and Washington west of the Cascade Mountains, British Columbia west of the Coast Range, and southeast Alaska) in the first century of contact and the effects of these new diseases on Native American population size, structure, interactions, and viability. The emphasis is on epidemic diseases and specific epidemic episodes. In most parts of the Americas, disease transfer and depopulation occurred early and are poorly documented. Because of the lateness of Euro-American contact in the Pacific Northwest, however, records are relatively complete, and it is possible to reconstruct in some detail the processes of disease transfer and the progress of specific epidemics, compute their demographic impact, and discern connections between these processes and culture change. Boyd provides a thorough compilation, analysis, and comparison of information gleaned from many published and archival sources, both Euro-American (trading-company, mission, and doctors' records; ships' logs; diaries; and Hudson's Bay Company and government censuses) and Native American (oral traditions and informant testimony). The many quotations from contemporary sources underscore the magnitude of the human suffering. *The Coming of the Spirit of Pestilence* is a definitive study of introduced diseases in the Pacific Northwest. For more information on the author go to <http://roberttboyd.com/>

The Coming of the Mormons Apr 21 2023 Immerse yourself in the tale of 'The Coming of the Mormons', an account of the arduous journey undertaken by the Mormon wagon train in the harsh winter of 1846. Led by unwavering faith and a quest for religious freedom, these earnest pioneers embarked on a treacherous two-thousand-mile trek across the untamed wilderness to the barren lands of Salt Lake Valley. With vivid prose, Jim Kjelgaard skillfully narrates the extraordinary migration, offering a profound glimpse into the unwavering spirit and resilience of these early American settlers.

The Coming of the Book Jun 04 2024 Books, and the printed word more generally, are aspects of modern life that are all too often taken for granted. Yet the emergence of the book was a process of immense historical importance and heralded the dawning of the epoch of modernity. In this much praised history of that process, Lucien Febvre and Henri-Jean Martin mesh together economic and technological history, sociology and anthropology, as well as the study of modes of consciousness, to root the development of the printed word in the changing social relations and ideological struggles of Western Europe.

Revelation Mar 21 2023 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Freedom's Coming Dec 06 2021 In a sweeping analysis of religion in the post-Civil War and twentieth-century South, *Freedom's Coming* puts race and culture at the center, describing southern Protestant cultures as both priestly and prophetic: as southern formal theology sanctified dominant political and social hierarchies, evangelical belief and practice subtly undermined them. The seeds of subversion, Paul Harvey argues, were embedded in the passionate individualism, exuberant expressive forms, and profound faith of believers in the region. Harvey explains how black and white religious folk within and outside of mainstream religious groups formed a southern "evangelical counterculture" of Christian interracialism that challenged the theologically grounded racism pervasive among white southerners and ultimately helped to end Jim Crow in the South. Moving from the folk theology of segregation to the women who organized the Montgomery bus boycott, from the hymn-inspired freedom songs of

the 1960s to the influence of black Pentecostal preachers on Elvis Presley, Harvey deploys cultural history in fresh and innovative ways and fills a decades-old need for a comprehensive history of Protestant religion and its relationship to the central question of race in the South for the postbellum and twentieth-century period.

The Coming Nov 28 2023 "The Coming is powerful. And beautiful...This is a work to be proud of."--Charles Johnson, National Book Award winner for Middle Passage Lyrical, poetic, and hypnotizing, The Coming tells the story of a people's capture and sojourn from their homeland across the Middle Passage--a traumatic trip that exposed the strength and resolve of the African spirit. Extreme conditions produce extraordinary insight, and only after being stripped of everything do they discover the unspeakable beauty they once took for granted. This powerful, haunting novel will shake readers to their very souls. "Part homage to the proud and diverse cultures of Africa, part nightmare of the people stolen from those lands, The Coming seduces us with poetry, then breaks our hearts, but ultimately inspires us to celebrate the indomitable soul of humanity."
—George Weinstein, author of Hardscrabble Road

The Coming of the King Apr 29 2021 Reproduction of the original: The Coming of the King by Joseph Hocking

Dawn of the Messiah May 23 2023 Sri not only helps readers understand an earlier and pivotal time and place, but also brings them to a deeper understanding of the great mysteries of God's entry into the world as one of us. Saint Anthony Messenger Press

The Coming of the Terror in the French Revolution Feb 25 2021 Between 1793 and 1794, thousands of French citizens were imprisoned and hundreds sent to the guillotine by a powerful dictatorship that claimed to be acting in the public interest. Only a few years earlier, revolutionaries had proclaimed a new era of tolerance, equal justice, and human rights. How and why did the French Revolution's lofty ideals of liberty, equality, and fraternity descend into violence and terror? "By attending to the role of emotions in propelling the Terror, Tackett steers a more nuanced course than many previous historians have managed...Imagined terrors, as...Tackett very usefully reminds us, can have even more political potency than real ones." —David A. Bell, The Atlantic "[Tackett] analyzes the mentalité of those who became 'terrorists' in 18th-century France...In emphasizing

weakness and uncertainty instead of fanatical strength as the driving force behind the Terror...Tackett...contributes to an important realignment in the study of French history." –Ruth Scurr, *The Spectator* "[A] boldly conceived and important book...This is a thought-provoking book that makes a major contribution to our understanding of terror and political intolerance, and also to the history of emotions more generally. It helps expose the complexity of a revolution that cannot be adequately understood in terms of principles alone." –Alan Forrest, *Times Literary Supplement*

The Coming Kingdom Jan 31 2024 *The Coming Kingdom* clarifies from the Bible God's sovereign plan to establish His Kingdom on the earth. Current global conditions do not match the biblical record of God's long-promised Kingdom. This book provides clarity, hope, and encouragement from the Bible for believers in Christ awaiting His return as the coming King.

Gospel Principles Jul 25 2023 *A Study Guide and a Teacher's Manual* *Gospel Principles* was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

The Coming World Leader Jul 13 2022

The Coming of Joachim Stiller (Valancourt International) Oct 16 2022 Freek Groenevelt is a mild-mannered journalist who values his peace and quiet above all else. But his orderly life is suddenly upended by the intrusion of a mysterious figure calling himself Joachim Stiller, who seems in insidious ways to be controlling Freek's life and destiny. It starts with an enigmatic letter – impossibly postmarked before Freek was even born – and as a series of bizarre and possibly supernatural phenomena ensues, Freek becomes obsessed with the question: Who is Joachim Stiller? With the help of a beautiful mathematician and a dealer in occult books, Freek tries to solve the riddle, but none of them will be prepared for the final revelation of the shocking truth! One of the great classics of 20th-century Flemish literature and a founding text of Flemish magical realism, Hubert Lampo's internationally acclaimed *The Coming of Joachim Stiller* (1960) has been published in fifteen languages and is now available at last in an outstanding new English

version by award-winning translator Paul Vincent.

The Coming of the Kingdom Mar 01 2024 A thorough study of the nature of the kingdom, its fulfillment in the world, and its consummation with the Second Advent. Includes a comprehensive analysis of the parables and the Sermon on the Mount.

The Second Coming of the Church Sep 26 2023 In this "blueprint for survival," Christian sociologist George Barna evaluates the moral and spiritual decline of society and the corresponding stagnation within the Church. Using hard data, Barna unveils the status quo and argues convincingly that the Church must re-invent itself or face virtual oblivion by the mid-21st century.

The Coming Crisis of the World: Or, the Great Battle and the Golden Age. . . . With an Introductory Note, by Rev. S. H. Tynng Jan 24 2021

The King is Coming May 30 2021 Begin to explore the end. The end is near. While these often sound like words of insane rambling, they can also be a sensible presentation of truth. Acknowledging that what is yet to come is beyond the scope of our wildest projections, pastor and scholar Erwin Lutzer reminds us that we have not been left completely in the dark. There is much we can know. Within this book are ten events we can be certain of, ten events that will change our future forever. You will be encouraged to renew your expectation of the return of the Messiah and, in so doing, be motivated to live pure lives for Him. *The King is Coming* has been written precisely to aid your own exploration of biblical prophecies with sound, sensible, balanced perspectives based on the simple meaning of the biblical texts. Saturated with both humility and a sense of urgency, this book not only provides answers for those questioning what comes next, but also empowerment and instruction to live accordingly in the here and now.

The Coming Apostasy Jun 11 2022 Are we on the verge of a great apostasy in the church? "For a time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear. They will reject the truth and chase after myths." --2 Timothy 4:3-4 Jesus Christ is coming back. It is certainly a Christian's greatest hope during these difficult times. The Bible warns us that the last days will be tumultuous--wars and rumors of wars will spread (Matthew 24:6). In our age, the world seems to be spinning out of control, creating fear, confusion, and

uncertainty. In addition to violence, pestilence, and epidemics, the Bible predicts a great "falling away" from God in the end times. Bible teachers call that "the great apostasy." Are we seeing evidence today in the church of this massive rejection of sound and wholesome teaching? Bestselling authors Mark Hitchcock and Jeff Kinley team up to examine the evidence from the teachers of our time. Are today's teachers allowing people to follow their own desires by telling them what they want to hear, as the Bible clearly predicts? Are major portions of the church ready to abandon sound and wholesome teaching? Together, Mark and Jeff explore alarming trends among today's church leaders and they are simply stunned by what they discover. The great apostasy is coming, but is it closer than we imagine? What does that mean for the future? Let Mark and Jeff be your steady guides to the difficult days ahead.

The Time of His Coming Dec 30 2023 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself. Devoted people continue to wait for his return. In the new book, *The Time of His Coming*, author Michael Vilardi explains to readers how and when Christ will return. The book explains the biblical timeframes for all these events then explains why God will allow them to happen. The book starts off by explaining the biblical plan for salvation. The book then explains all the biblical events that must occur before Christ can return. Events such as the Rapture, The Tribulation period, and Daniel's 70th week. The book explains why the events happen in the order that they do and what the purpose of each event is. Each timeframe is interpreted with the sharpest details to enable readers to fully understand them. The book also details who the false prophet, Antichrist and two witnesses will be. *The Time of His Coming* will undoubtedly provoke thought and attract the attention of many readers, especially Christians, non-Christians, and enthusiasts of the End-of-Time phenomenon. For non-believers, the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers. Furthermore, readers will be touched as they will be introduced to God's Great Plan of Love and Salvation for all mankind. *The Time of His Coming* is easily one of the most compelling books to read today. Order your copy today!!!

The Coming of the Son of Man: The Sequence of Events of the End

Times Feb 17 2023 This book invites you to embark on a detailed scriptural journey of the sequence and time frames of the end time events from the gathering together to the new heavens and earth with the climax of the coming of the Son of Man. You will travel through biblical prophecies that reveal what can be clearly understood.

What the World is Coming to Sep 14 2022 What is the world coming to? The answer is documented in the Book of Revelation: A prophetic and unerring account of the final days of man upon earth?and the momentous events to follow. Join Pastor Chuck as he gives a verse-by-verse commentary overview of the Book of Revelation.

The Coming of the Law Mar 28 2021

The Coming of the Fairies Jul 01 2021 The renowned British author of the famous Sherlock Holmes series, Sir Arthur Conan Doyle, apart from his brilliant fiction works, is known for his belief in spritual and supernatural concepts. Once, when he was convinced by a set of photographs that seemingly captured two young girls playing with a group of tiny, translucent fairies. To demonstrate his unshakable belief in the spirit world he published 'The Coming of the Fairies' in 1922. It recounts the story of the photos, their supposed provenance, and the startling implications of their existence.

Easter Is Coming! Apr 09 2022 Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, "But Easter is coming!" By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

The Coming of the Son of Man Sep 02 2021 The proposed roadmap to peace between Israel and the Arabs is stalemated. Islamic

terrorism is spreading around the world. In response the American President initiates a global plan to defeat this enemy of democracy. His invasion of three Muslim nations is an aggressive attempt to force the Arabs to sign for peace with Israel. Only the Father knows when His Son will deliver His elect from the wrath to come. Christians don't know the day or the hour but we are exhorted to watch so we won't be deceived. Jesus warned, '...When you see all these things, know that it's near-at the doors.' (Mat 24:33) What things? The invasion of Jerusalem by the Antichrist is a sign Christ's coming is near. For those who refuse to watch, Jesus promises to come like a thief. If this is true, then why are most apostles, prophets, evangelists, pastors, and teachers proclaiming the rapture must come before the Antichrist? Tragically, the falling away of Christians is going to be far greater than we ever imagined. Those who overcome the Antichrist and his evil world system will never be blotted out of the Book of Life. This is the message of the hour for the strengthening of the body of Christ Why? Because Jesus said it (Mat 24:25).
