*Some Questions and Answers about God's Covenant and the  
Sacrament That Is a Seal of God's Covenant Aug 16 2022 Robert  
Rollock is best remembered today for the role he played in the  
development of Reformed covenant theology, a role defined especially  
by the uniquely mature treatment of a pre-fall covenant of works  
discovered in his thought. However, scholarship on Rollock's covenant  
thought has until now been based almost entirely on an early modern  
English translation of Rollock's Tractatus de vocatione efficaci (1597),  
and has overlooked discussion of the covenant of works found both in  
Rollock's 1596 Quaestiones et responsiones aliquot de Foedere Dei,  
deque Sacramento quod foederis Dei sigillum est and his 1593 Romans  
commentary. This volume offers the first complete English translation of  
Rollock's 1596 catechism as well as English translations of relevant  
sections from his Romans commentary that deal with the subject of  
God's covenants with man. Thus this volume stands to offer students of  
Reformed covenant theology a better understanding of Rollock's  
thought and the contribution he made to the evolution of Reformed  
theology, particularly on the matter of God's covenant with humankind  
before the fall.*
