THE CANTOS

(1-95)

EZRA POUND

A NEW DIRECTIONS BOOK

# The Cantos Ezra Pound

**Ezra Pound**

# The Cantos Ezra Pound

*The Cantos of Ezra Pound* Ezra Pound,1996 The Cantos of Ezra Pound is the most important epic poem of the twentieth century **The Pisan Cantos** Ezra Pound,2003 At last a definitive paperback edition of Ezra Pound s finest work **Ezra Pound, Italy, and the Cantos** Massimo Bacigalupo,2020-03-18 Ezra Pound spent most of his life in Italy and wrote about it incessantly in his poetry Only by following his footsteps acquaintances and composition processes can we make sense of and enjoy his forbidding Cantos This study provides for the first time an account of Pound s Italian wanderings and of what they became in his work After this study we will be able to read Pound as a guide to the places people and books he loved and we will share his the poet traveler s joys and discoveries **Selected Cantos of Ezra Pound** Ezra Pound,1970 This selection from the Cantos was made by Ezra Pound himself in 1965 It is intended to indicate main elements in the long poem his personal epic with which he was engaged for more than fifty years His choice includes of course a number of the Cantos most admired by critics and anthologists such as Canto XIII Kung Confucius walked by the dynastic temple Canto XLV With usura hath no man a house of good stone and the passage from The Pisan Cantos LXXXI beginning What thou lovest well remains the rest is dross and so the book is an ideal introduction for newcomers to the great work But it has too particular interest for the already initiated reader and the specialist in its revelation through Pound s own selection of main elements of the relative importance which he himself placed on various motifs as they figure in the architecture of the whole poem Book jacket

**Readings in the Cantos: Volume I** Richard Parker,2018 This book will be required reading for any serious Pound scholar but also for those who work in the area of modernist poetry Many of the book s contributors and its editor are affiliated with the Ezra Pound Society which will provide a built in audience and mechanism for promoting the work Although the book will be of interest to any library containing a copy of Pound s Cantos it will also be attractive to individual scholars who may not want to wade through the considerable scholarship but are looking for entry into specific cantos [A Companion to the Cantos of Ezra Pound](#) Carroll Franklin Terrell,Ezra Pound,1980-01-01 The Companion is a major contribution to the literary evaluation of Pound s great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound s literary and historical allusions and other exotica with exegeses based upon Pound s sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos [The Celestial Tradition](#) Demetres P. Tryphonopoulos,2010-10-30 Despite the painstaking work of Pound scholars the mythos of The Cantos has yet to be properly understood primarily because until now its occult sources have not been examined sufficiently

Drawing upon archival as well as recently published material this study traces Pound's intimate engagement with specific occultists W B Yeats Allen Upward Alfred Orage and G R S Mead and their ideas The author argues that speculative occultism was a major factor in the evolution of Pound's extraordinary aesthetic and religious sensibility much noticed in Pound criticism The discussion falls into two sections The first section details Pound's interest in particular occult movements It describes the tradition of Hellenistic occultism from Eleusis to the present and establishes that Pound's contact with the occult began at least as early as his undergraduate years and that he came to London already primed on the occult Many of his London acquaintances were unquestionably occultists The second section outlines a tripartite schema for The Cantos katabasis dromena epopteia which in turn is applied to the poem It is argued here that The Cantos is structured on the model of a initiation rather than a journey and that the poem does not so much describe an initiation rite as enact one for the reader In exploring and attempting to understand Pounds occultism and its implications to his Pounds oeuvre Tryphonopoulos sheds new light upon one of the great works of modern Western literature *A Companion to The Cantos of Ezra Pound* Carroll F. Terrell,1993-04-16 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos **Posthumous Cantos** Ezra Pound,2015-10-01 Drawing on Ezra Pound's notebooks typescripts and contributions to periodicals Posthumous Cantos is a selection of drafts and sketches that remained unpublished or uncollected in the poet's lifetime The material spans the entire half century of Pound's Cantos 1915 to 1970 and includes newly recovered passages he wrote in Italian in 1944 45 presented here in their original form alongside English translations Accompanied by detailed introductory and explanatory notes and a full chronology Posthumous Cantos offers new insight into the making of one of the twentieth century's most important and forbidding literary works revealing it as an endless process of writing and rewriting in which the poetry and the life are finally inextricable This is a crucial part of the Pound canon here made available for the first time in an English edition *Ezra Pound: The Cantos* George Kearns,1989-11-23 Pound's 800 page Cantos written over a period of more than fifty years 1917 1969 invites the reader to join the poet on a journey from darkness and despair towards light and positive activity In this book George Kearns addresses the reader approaching The Cantos for the first time He examines the poem's aesthetic and political ethical didactic dimensions and shows that despite its complexity and the many objections which can be raised to its poetics and politics its study can be greatly rewarding *Ezra Pound and the Mysteries of Love* Akiko Miyake,1991 For more than a decade scholars have understood that Ezra

Pound employed mystical concepts of love in his writing of *The Cantos*. In *Ezra Pound and the Mysteries of Love*, Akiko Miyake furthers this understanding by looking at *The Cantos* as a major work in the Christian mystic religious tradition. The author uncovers in the five volumes of Gabriel Dante Rossetti's *Il mistero dell'amor platonico del medio evo* the crucial link between *The Cantos* and the traditions of mystical love established by the ancient Greeks at Eleusis and borrowed by the late medieval Italian and Provençal poets. Drawing upon this key five-volume work as well as comprehensive research in both primary and secondary sources, Miyake brings the partial perceptions of other critics and commentators into an illuminating whole. Disclosing the deliberateness of *The Cantos*, Miyake provides new insight into Pound's sense of culture and into the nature of his Confucianism. She sheds light on the disastrous path Pound followed into Fascism and anti-Semitism and, in contrast to the image of a pagan Pound that has emerged in recent years, reveals a poet writing as a Christian from within the Christian mythical tradition.

*How to Read Ezra Pound*, 1941

**Language, Sexuality, and Ideology in Ezra Pound's Cantos**

Jean-Michel Rabaté, Jean-Michel Rabaté, 1986-01-01

*Ezra Pound's Cantos* remains among the most influential and difficult of twentieth-century poetic writings. But now for the first time Rabaté's powerful and original study presents a theory of reading adequate to the challenge of Pound's writing. Using elements from Lacanian psychoanalysis and Heidegger's powerful meditation of poetry and language, this book constructs a theory of reading which both gives full force to the strategies of writing deployed in the *Cantos* and to the historical and political situations to which those strategies are a response. This study provides a fresh reading of the familiar Pound canon: Homer, Dante, Ovid, but also of the less well-known Ruskin, Browning, Frobenius. Pound's practice of quotation is understood in the context of a new poetic discourse characterized by parapraxis, ellipsis, condensation, and autonomous voices which refer the division of the speaking subject back to an omniform intellect capable of taking on any new personality at will. Crucial to an understanding of Pound's situation is the relationship between Chinese and Greek culture, an analysis of which allows Rabaté to elaborate the tragic dimension in Pound's life and works. This book also parallels and contrasts Pound with his major contemporaries such as Eliot and Joyce and with his immediate heirs like William Carlos Williams, H. D., Zukofsky, and Olson.

*A Draft of XXX Cantos*, Ezra Pound, 1990

*The Cantos* have been called Ezra Pound's intellectual diary, composed over the course of sixty years. Long out of print as a separate volume, it was originally published in 1933. This epic of nine groupings of poems is now being issued as a New Directions Paperback.

[The Cantos](#), Ezra Pound, 2023

Pound's literary masterpiece is now published as a Faber Poetry typographic paperback edition.

**The Poetry of Ezra Pound**, 1985-01-01

This pioneering study did much to rehabilitate Ezra Pound's reputation after a long period of critical hostility and neglect. Published in 1951, it was the first comprehensive examination of the *Cantos* and other major works that would strongly influence the course of contemporary poetry.

**Reading the Cantos (Routledge Revivals)**, Noel Stock, 2010-11-30

First published in 1967, this is a study which tackles the central problem of meaning within Ezra Pound's *The Cantos*. It deals with the question of important critical issues as well as of interpretation.

and understanding Students of modern poetry will derive great benefit from this vigorous and lucid analysis of Pound s masterpiece Noel Stock s finding is radical that The Cantos is not a really a poem at all but rather notes towards a poem It is a collection of fragments of varying quality some of extraordinary power and beauty but in no sense formed into a work of art

Motive and Method in The Cantos of Ezra Pound Lewis Leary,1954      Selected Cantos Ezra Pound,1987      *Ezra Pound's Cantos* Peter Makin,2006 Publisher description

### **The Cantos Ezra Pound Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Cantos Ezra Pound PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and

gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Cantos Ezra Pound PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Cantos Ezra Pound free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
