The Examiner ,1851 *The State of the Global Education Crisis* UNESCO,United Nations Children's Fund,World Bank (the),2021-12-09 The global disruption to education caused by the COVID 19 pandemic is without parallel and the effects on learning are severe The crisis brought education systems across the world to a halt with school closures affecting more than 1 6 billion learners While nearly every country in the world offered remote learning opportunities for students the quality and reach of such initiatives varied greatly and were at best partial substitutes for in person learning

Now 21 months later schools remain closed for millions of children and youth and millions more are at risk of never returning to education Evidence of the detrimental impacts of school closures on children s learning offer a harrowing reality learning losses are substantial with the most marginalized children and youth often disproportionately affected Countries have an opportunity to accelerate learning recovery and make schools more efficient equitable and resilient by building on investments made and lessons learned during the crisis Now is the time to shift from crisis to recovery and beyond recovery to resilient and transformative education systems that truly deliver learning and well being for all children and youth The World Bank website [Log on to IT](#) Roland Birbal,Michele Taylor,2020-03-02 Develop IT skills through an active accessible approach to theory and practice providing an ideal foundation for lower secondary students going on to study IT at CSEC and for building real life computer skills fully updated to reflect the new curriculum and new approaches to IT teaching Build knowledge with straightforward introductions to theoretical concepts key practical applications and new topics such as ethical use of computers and multimedia Support all learning styles with a range of questions Multiple Choice True or False Short Answer Research Project and a fun Crossword puzzle Develop critical thinking and research skills with research projects The answers can be found here www.hoddereducation.co.uk Log on to IT Answers
