What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent, otherworldly species. A war that only he can remember. Now the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science-fiction action-adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.
