Natasha's Dance A Cultural History Of Russia Orlando Figes

Natasha's Dance Orlando Figes,2002-10-21 Explores the history of Russia starting in the eighteenth century through art literature and customs of daily life

The Whisperers Orlando Figes,2008-09-04 Drawing on a huge range of sources letters memoirs conversations Orlando Figes tells the story of how Russians tried to endure life under Stalin Those who shaped the political system became very frequently its victims Those who were its victims were frequently quite blameless The Whisperers recreates the sort of maze in which Russians found themselves where an unwitting wrong turn could either destroy a family or perversely later save it a society in which everyone spoke in whispers whether to protect themselves their families neighbours or friends or to inform on them

The Europeans Orlando Figes,2019-10-08 From the master of historical narrative Financial Times a dazzling richly detailed panoramic work the first to document the genesis of a continent wide European culture The nineteenth century in Europe was a time of unprecedented artistic achievement It was also the first age of cultural globalization an epoch when mass communications and high speed rail travel brought Europe together overcoming the barriers of nationalism and facilitating the development of a truly European canon of artistic musical and literary works By 1900 the same books were being read across the continent the same paintings reproduced the same music played in homes and heard in concert halls the same operas performed in all the major theatres Drawing from a wealth of documents letters and other archival materials acclaimed historian Orlando Figes examines the interplay of money and art that made this unification possible At the center of the book is a poignant love triangle the Russian writer Ivan Turgenev the Spanish prima donna Pauline Viardot with whom Turgenev had a long and intimate relationship and her husband Louis Viardot an art critic theater manager and republican activist Together Turgenev and the Viardots acted as a kind of European cultural exchange they either knew or crossed paths with Delacroix Berlioz Chopin Brahms Liszt the Schumanns Hugo Flaubert Dickens and Dostoyevsky among many other towering figures As Figes observes nearly all of civilization's great advances have come during periods of heightened cosmopolitanism when people ideas and artistic creations circulate freely between nations Vivid and insightful The Europeans shows how such cosmopolitan ferment shaped artistic traditions that came to dominate world culture

Just Send Me Word Orlando Figes, 2012-05-24 From Orlando Figes international bestselling author of *A People's Tragedy* *Just Send Me Word* is the moving true story of two young Russians whose love survived Stalin's Gulag. Lev and Svetlana kept apart for fourteen years by the Second World War and the Gulag stayed true to each other and exchanged thousands of secret letters as Lev battled to survive in Stalin's camps. Using this remarkable cache of smuggled correspondence, Orlando Figes tells the tale of two incredible people who swept along in the very worst of times, kept their devotion alive. Orlando Figes was granted exclusive access to the thousands of letters between Lev and Sveta that form the foundation of *Just Send Me Word* and he was able to interview the couple in person, then in their nineties. These real-time and largely uncensored letters form the largest cache of Gulag letters ever found.

Reviews: One is overcome with admiration for the kindness, bravery, and generosity of people in terrible peril. It is impossible to read without shedding tears. Simon Sebag Montefiore, *Financial Times*. This powerful narrative by a distinguished historian will take its place not just in history but in literature. Robert Massie, *Electrifying*. Passionate, devoted, despairing, exhilarating: a tale of hope, resilience, grit, and love. *The Times*. Moving: a remarkable discovery. Max Hastings, *Sunday Times*. The gulag story lacks individuals for us to sympathise with: a Primo Levi, an Anne Frank, or even an Oskar Schindler. *Just Send Me Word* may well be the book to change that. Oliver Bullough, *Independent*. Immensely touching: a heartening gem of a book. Anna Reid, *Literary Review*. The remarkable true story of a love affair between two Soviet citizens: as much a literary challenge as a historical one, the book can be read as a non-fiction novel. *Telegraph*. Remarkable: Figes selecting and then interpreting this mass of letters makes them tell two kinds of story. The first is a uniquely detailed narrative of the gulag of the callous, slatternly universe which consumed millions of lives. The second is about two people determined not to lose each other. Neal Ascherson, *Guardian*. A quiet, moving, and memorable account of life in a totalitarian state. The book often reads like a novel. *Evening Standard*. Orlando Figes has wrought something beautiful from dark times. Ian Thomson, *Observer*. A heart-rending record of extraordinary human endurance. *Kirkus Reviews*. A remarkable tale of love and devotion during the worst years of the USSR. Figes's fine narrative pacing enhances this moving, memorable story. *Publishers Weekly*. About the author: Orlando Figes is Professor of History at Birkbeck College, University of London. He is the author of *Peasant Russia: Civil War: A People's Tragedy*, *Natasha's Dance*, *The Whisperers*, and *Crimea*. He lives in Cambridge and London. His books have been translated into over twenty languages.

The Story of Russia Orlando Figes, 2022-09-20 This is the essential backstory the history book that you need if you want to understand modern Russia and its wars with Ukraine with its neighbors with America and with the West Anne Applebaum author of Twilight of Democracy and Red Famine Named a Most Anticipated Book of the Year by Publishers Weekly and Kirkus Reviews From the great storyteller of Russian history Financial Times a brilliant account of the national mythologies and imperial ideologies that have shaped Russia's past and politics essential reading for understanding the country today The Story of Russia is a fresh approach to the thousand years of Russia's history concerned as much with the ideas that have shaped how Russians think about their past as it is with the events and personalities comprising it No other country has reimagined its own story so often in a perpetual effort to stay in step with the shifts of ruling ideologies From the founding of Kievan Rus in the first millennium to Putin's war against Ukraine Orlando Figes explores the ideas that have guided Russia's actions throughout its long and troubled existence Whether he's describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution he reveals the impulses often unappreciated or misunderstood by foreigners that have driven Russian history the medieval myth of Mother Russia's holy mission to the world the imperial tendency toward autocratic rule the popular belief in a paternal tsar dispensing truth and justice the cult of sacrifice rooted in the idea of the Russian soul and always the nationalist myth of Russia's unjust treatment by the West How the Russians came to tell their story and to revise it so often as they went along is not only a vital aspect of their history it is also our best means of understanding how the country thinks and acts today Based on a lifetime of scholarship and enthrallingly written The Story of Russia is quintessential Figes sweeping revelatory and masterful

Revolutionary Russia, 1891-1991 Orlando Figes, 2014-04-08 From the author of A People's Tragedy an original reading of the Russian Revolution examining it not as a single event but as a hundred year cycle of violence in pursuit of utopian dreams In this elegant and incisive account Orlando Figes offers an illuminating new perspective on the Russian Revolution While other historians have focused their examinations on the cataclysmic years immediately before and after 1917 Figes shows how the revolution while it changed in form and character nevertheless retained the same idealistic goals throughout from its origins in the famine crisis of 1891 until its end with the collapse of the communist Soviet regime in 1991 Figes traces three generational phases Lenin and the Bolsheviks who set the pattern of destruction and renewal until their demise in the terror of the 1930s the Stalinist generation promoted from the lower classes who created the lasting structures of the Soviet regime and consolidated its legitimacy through victory in war and the generation of 1956 shaped by the revelations of Stalin's crimes and committed to making the Revolution work to remedy economic decline and mass disaffection Until the very end of the Soviet system its leaders believed they were carrying out the revolution Lenin had begun With the authority and distinctive style that have marked his magisterial histories Figes delivers an accessible and paradigm shifting reconsideration of one of the defining events of the twentieth century

The Crimean War Orlando Figes, 2011-04-12 Please note that the maps available in the print edition do not appear in the ebook From the great storyteller of modern Russian historians Financial Times the definitive account of the forgotten war that shaped the modern age The Charge of the Light Brigade Florence Nightingale these are the enduring icons of the Crimean War Less well known is that this savage war 1853 1856 killed almost a million soldiers and countless civilians that it enmeshed four great empires the British French Turkish and Russian in a battle over religion as well as territory that it fixed the fault lines between Russia and the West that it set in motion the conflicts that would dominate the century to come In this masterly history Orlando Figes reconstructs the first full conflagration of modernity a global industrialized struggle fought with unusual ferocity and incompetence Drawing on untapped Russian and Ottoman as well as European sources Figes vividly depicts the world at war from the palaces of St Petersburg to the holy sites of Jerusalem from the young Tolstoy reporting in Sevastopol to Tsar Nicolas haunted by dreams of religious salvation from the ordinary soldiers and nurses on the battlefields to the women and children in towns under siege Original magisterial alive with voices of the time The Crimean War is a historical tour de force whose depiction of ethnic cleansing and the West's relations with the Muslim world resonates with contemporary overtones At once a rigorous original study and a sweeping panoramic narrative The Crimean War is the definitive account of the war that mapped the terrain for today's world

The Crimean War Orlando Figes, 2012-02-28 From the great storyteller of modern Russian historians Financial Times comes the definitive account of the forgotten war that shaped the modern age The Charge of the Light Brigade Florence Nightingale these are the enduring icons of the Crimean War Less well known is that this savage war 1853 1856 killed almost a million soldiers and countless civilians that it enmeshed four great empires the British French Turkish and Russian in a battle over religion as well as territory that it fixed the fault lines between Russia and the West that it set in motion the conflicts that would dominate the century to come In this masterly history Orlando Figes reconstructs the first full conflagration of modernity a global industrialized struggle fought with unusual ferocity and incompetence Drawing on untapped Russian and Ottoman as well as European sources Figes vividly depicts the world at war from the palaces of St Petersburg to the holy sites of Jerusalem from the young Tolstoy reporting in Sevastopol to Tsar Nicolas haunted by dreams of religious salvation from the ordinary soldiers and nurses on the battlefields to the women and children in towns under siege Original magisterial alive with voices of the time The Crimean War is a historical tour de force whose depiction of ethnic cleansing and the West's relations with the Muslim world resonates with contemporary overtones At once a rigorous original study and a sweeping panoramic narrative The Crimean War is the definitive account of the war that mapped the terrain for today's world

A People's Tragedy Orlando Figes, 2014 Vast in scope based on exhaustive original research and written with passion narrative skill and human sympathy this book offers an account of the Russian Revolution for a new generation

Peasant Russia, Civil War Orlando Figes, 2001 From the preface Many historians outside the Soviet Union have sought to explain why the Bolsheviks won the civil war Some have focused on the military history of 1918 20 Others have connected the victory of the Red Army to the growth of the Soviet State But none has made a detailed study of the relationship between the Bolsheviks and the peasantry the overwhelming majority of the Russian population during the formative years of the Soviet regime None has seriously investigated the ways in which the Bolshevik victory was made possible by the transformation of the Russian countryside in the years leading up to and during the revolution That is the purpose of this book

Koba the Dread Martin Amis, 2010-08-13 A brilliant weave of personal involvement vivid biography and political insight Koba the Dread is the successor to Martin Amis's award-winning memoir *Experience* Koba the Dread captures the appeal of one of the most powerful belief systems of the 20th century one that spread through the world both captivating it and staining it red It addresses itself to the central lacuna of 20th century thought the indulgence of Communism by the intellectuals of the West In between the personal beginnings and the personal ending Amis gives us perhaps the best one hundred pages ever written about Stalin Koba the Dread Iosif the Terrible The author's father Kingsley Amis though later reactionary in tendency was a Comintern dogsbody as he would come to put it from 1941 to 1956 His second closest and then his closest friend after the death of the poet Philip Larkin was Robert Conquest our leading Sovietologist whose book of 1968 *The Great Terror* was second only to Solzhenitsyn's *The Gulag Archipelago* in undermining the USSR The present memoir explores these connections Stalin said that the death of one person was tragic the death of a million a mere statistic Koba the Dread during whose course the author absorbs a particular a familial death is a rebuttal of Stalin's aphorism

Khrushchev's Cold War: The Inside Story of an American Adversary Aleksandr Fursenko, Timothy Naftali, 2010-10-25 Contains unsettling insights into some of the most dangerous geopolitical crises of the time *The Economist* This acclaimed study from the authors of *One Hell of a Gamble* brings to life head to head confrontations between the Soviet premier Nikita Khrushchev and Presidents Eisenhower and Kennedy Drawing on their unrivaled access to Politburo and KGB materials Aleksandr Fursenko and Timothy Naftali combine new insights into the Cuban missile crisis as well as startling narratives of the contests for Suez Iraq Berlin and Southeast Asia with vivid portraits of leaders who challenged Moscow and Washington Khrushchev's Cold War provides a gripping history of the crisis years of the Cold War

The Soviet Mind Isaiah Berlin, 2004 Isaiah Berlin's response to the Soviet Union was central to his identity both personally and intellectually Never before collected Berlin's writings about the USSR include his accounts of his famous meetings with Russian writers shortly after the Second World War the celebrated 1945 Foreign Office memorandum on the state of the arts under Stalin his account of Stalin's manipulative artificial dialectic portraits of Osip Mandelstam and Boris Pasternak his survey of Soviet Russian culture written after a visit in 1956 a postscript stimulated by the events of 1989 and more

The Whisperers Orlando Figes, 2007-11-13 Moving from the Revolution of 1917 to the death of Stalin and beyond Orlando Figes re-creates the moral maze in which Russians found themselves where one wrong turn could destroy a family or perversely end up saving it He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations he examines the Communist faithful who often rationalized even their own arrests as a case of mistaken identity and he casts a humanizing light on informers demonstrating how in a repressive system anyone could easily become a collaborator BOOK JACKET

Land of the Firebird Suzanne Massie, 1982 Details the history of Russia from the religious revolution of 987 to the political revolution of 1917 graphically describing Russia's political and cultural environments under Ivan the Terrible Peter the Great and Catherine the Great

Russia Abraham Ascher, 2017-09-07 Distinguished Professor Abraham Ascher offers an impressive blend of engaging narrative and fresh analysis in this perennially popular introduction to Russia Newly updated on the 100th anniversary of the Bolshevik Revolution *Russia A Short History* begins with the origins of the first Slavic state and continues to the present day tensions between Russia and its neighbours the rise of Vladimir Putin and the increasingly complex relationship with the United States

When Russia Came to Stay Lea Povozahev, 2012-05 *When Russia Came to Stay* is a story of a family's journey into Orthodox Christianity from Protestantism. Becoming Christian and a multicultural family with small steps of faith in each other in God is a difficult process in a Western culture that often perceives faith as a done deal with the utterance of the Sinner's Prayer inviting Jesus into one's heart. Life in Christ is a process of moment to moment seeking to be in Him. This way of life is beyond culture and outside of time even as it is lived in time and place. Miraculously in trying for spiritual perspective the impossible becomes possible such as unlike families coming together in love and staying together when there seems a lack of love. Povozahev tells of her family's roots and her husband's family's beginnings from Russia. She shares the story of falling in love with Dima his homeland with travels to Russia in 1999 and a deepening understanding of ancient Christianity as their source for transformational love. Perspectives change with growing family including in laws from Russia and children. Lea and Dima are baptized into the Orthodox Church with their first son and journey together with faith towards love. Despite challenges from coming from different corners of the world sustained will to stay together grows acceptance and deepens the love between them. Orthodox Christianity as a fuller expression of life in Christ of Love becomes the glue that binds together Lea and Dima.

The Voices of the Dead Hiroaki Kuromiya, 2007-01-01 Swept up in the maelstrom of Stalin's Great Terror of 1937-1938 nearly a million people died. Most were ordinary citizens who left no records and as a result have been completely forgotten. This book is the first to attempt to retrieve their stories and reconstruct their lives drawing upon recently declassified archives of the former Soviet Secret Police in Kiev. Hiroaki Kuromiya uncovers in the archives the hushed voices of the condemned and he chronicles the lives of dozens of individuals who shared the same dehumanizing fate: all were falsely arrested, executed, and dumped in mass graves. Kuromiya investigates the truth behind the fabricated records, filling in at least some of the details of the lives and deaths of ballerinas, priests, beggars, teachers, peasants, workers, soldiers, pensioners, homemakers, fugitives, peddlers, ethnic Russians, Ukrainians, Poles, Germans, Koreans, Jews, and others. In recounting the extraordinary stories gleaned from the secret files, Kuromiya not only commemorates the dead and forgotten but also proposes a new interpretation of Soviet society that provides useful insights into the enigma of Stalinist terror.

Right to Dance Naomi M. Jackson, 2004 In terms of human rights organizations there appears to be intimate connections between dance and human rights issues. Such connections appear most frequently in the context of dance being used as a tool for inciting people to violence as a means of humiliation and as a means of uniting communities in times of hardship. Dance is often employed as a nationalistic propaganda tool as a means of healing individuals and groups after traumatic events and as a powerful form of theatrical expression and education by artists, choreographers who have undergone or witnessed gross violations of human rights.

Defining Russia Musically Richard Taruskin, 2000-09-25 with an air of alterity sensed, exploited, bemoaned, revealed, traded on, and defended against both from within and from without. The author's goal is to explore this assumption of otherness in an all-encompassing work that re-creates the cultural contexts of the folksong anthologies of the 1700s, the operas, symphonies, and ballets of the 1800s, the modernist masterpieces of the 1900s, and the hugely fraught but ambiguous products of the Soviet period. Taruskin begins by showing how enlightened aristocrats, reactionary romantics, and the theorists and victims of totalitarianism have variously fashioned their vision of Russian society in musical terms. He then examines how Russia as a whole shaped its identity in contrast to an East during the age of its imperialist expansion and in contrast to two different musical Wests: Germany and Italy during the formative years of its national consciousness.

Natashas Dance A Cultural History Of Russia Orlando Figes Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable.
