realms are still available to them today and serves as a practical handbook for accumulating Qi energy from sources in the environment and channeling it in concentrated form into their own Fu talismans *Taoist Astrology* Susan

Levitt,1997-06-01 This guide brings Chinese astrology back to its ancient roots providing all the information you need for understanding one of the world's oldest systems of divination The ancient Chinese people developed a sophisticated science of astrology that continues to have profound influence in China today Rooted in the fundamentals of Taoism it evolved into a system vastly different from Western astrology Rather than determining personality by the time of the year in which you are born in Taoist astrology it is the year itself that determines your character The years form a twelve year cycle of signs each named after an animal Additionally your personality depends on which of the five traditional Taoist elements you are born under water wood fire earth or metal This makes for a cycle of sixty unique signs Taoist Astrology includes information for each sign's personality compatibility child parent relations and rising and falling fortunes during the twelve year cycle Discussions of yin and yang Confucianism and Buddhism Taoist alchemy and the connection between Taoist astrology and Western astrology give you all the background you need for understanding one of the oldest systems of divination known to humanity Taoist Astrology differs from other books on the subject by grounding its concepts in the ancient traditions from which it originated Taoist Feng Shui Susan Levitt,1999-12-01 The first book to explain how feng shui developed from the Taoist systems of astrology yin and yang and the five elements Provides a background on Taoist philosophy to help readers better understand the principles of feng shui and how to use them properly Helps readers improve home business garden property neighborhoods and much more The Chinese art of feng shui has become extremely popular in the West but too often advice on the subject consists of overly simplistic instructions for rearranging one's house without any explanation of the profound philosophical system behind these changes The ancient Taoists developed feng shui from their understanding of the subtle interplay of energies that make up the universe and no true mastery of feng shui is possible without a knowledge of Taoism Taoist Feng Shui provides step by step guidelines for improving your home business garden property and neighborhood using this ancient system of knowledge In *Taoist Feng Shui* Susan Levitt traces the history of feng shui and shows how it is grounded in knowledge of yin and yang and the five Taoist elements of fire earth metal water and wood as well as many other principles essential to Taoism Once a background in Taoism is established readers can better understand the philosophy behind concepts such as choosing the best colors for each room of the home room by room furniture placement yin and yang balance correct lighting outdoor landscaping the function of hallways and entrances and the proper use of mirrors crystals fountains and other feng shui tools With in depth examples from the author's private feng shui practice *Taoist Feng Shui* can help all readers transform their personal environments to create peace harmony health wealth and good fortune *The Complete Book of Tarot Reversals* Mary K. Greer,2002 What do you do with the other half of a Tarot reading the reversed cards Just ignore them as many people do Greer reveals everything readers need to know for
