The Last Storyteller Frank Delaney, 2013-02-26 Riveting Readers will quickly warm to Frank Delaney s vividly described

Ireland of the 1950s its fully realized inhabitants and the dynamic political and personal relationships that make for a remarkable story Publishers Weekly starred review If we re to live good lives we have to tell ourselves our own story In a good way So says Ben MacCarthy s beloved mentor and it is this fateful advice that will guide Ben through the tumultuous events of Ireland in 1956 The national mood is downtrodden poverty corruption and an armed rebellion rattle the countryside and although Ben wants no part of the insurrection he unknowingly falls in with an IRA sympathizer Yet despite his perilous circumstances all he can think about is finding his former wife and true love Venetia Kelly who after many years has returned to Ireland with her brutish new husband a popular stage performer Determined not to lose Venetia again Ben calls upon every bit of his passion and courage to win her back while finally reconciling his violent past with his hopes for a bright future Brimming with fascinating Irish history daring intrigue and the drama of legendary love The Last Storyteller is an unforgettable novel as richly textured and inspiring as Ireland itself A colorful leisurely tale with dark moments as well as humor and grace The Star Ledger A magical tale that weaves in a jackpot of Irish myths Bookreporter Character rich and dramatic Library Journal **Venetia Kelly's Traveling Show** Frank Delaney,2012-01-17 January 1932 Ben MacCarthy and his father watch a vagabond variety revue making a stop in the Irish countryside After a two hour kaleidoscope of low comedy juggling tumbling and other entertainments Ben s father mesmerized by Venetia Kelly the troupe s magnetic headliner makes a fateful decision to abandon his family and set off on the road with Miss Kelly and her caravan Ben s mother shattered by the desertion exhorts Find him and bring him back thereby sending the boy on a Homeric voyage into manhood Interweaving a host of unforgettable creations King Kelly Venetia s violent Mephistophelean grandfather Sarah Kelly Venetia s mysterious amoral mother and even a truth telling ventriloquist s dummy named Blarney Frank Delaney unfurls a splendid narrative that spans half the world and a tumultuous decade Tipperary Frank Delaney,2008-06-03 My wooing began in passion was defined by violence and circumscribed by land all these elements molded my soul So writes Charles O'Brien the unforgettable hero of bestselling author Frank Delaney s extraordinary novel a sweeping epic of obsession profound devotion and compelling history involving a turbulent era that would shape modern Ireland Born into a respected Irish Anglo family in 1860 Charles loves his native land and its long suffering but irrepressible people As a healer he travels the countryside dispensing traditional cures while soaking up stories and legends of bygone times and witnessing the painful often violent birth of land reform measures destined to lead to Irish independence At the age of forty summoned to Paris to treat his dying countryman the infamous Oscar Wilde Charles experiences the fateful moment of his life In a chance encounter with a beautiful and determined young Englishwoman eighteen year old April Burke he is instantly and passionately smitten but callously rejected Vowing to improve himself Charles returns to Ireland where he undertakes the preservation of the great and abandoned estate of Tipperary in whose shadow he has lived his whole life and which he discovers may belong to April and her father As Charles pursues his obsession he writes the History of his own life and

country While doing so he meets the great figures of the day including Charles Parnell William Butler Yeats and George Bernard Shaw And he also falls victim to less well known characters who prove far more dangerous Tipperary also features a second historian a present day commentator a retired and obscure history teacher who suddenly discovers that he has much at stake in the telling of Charles s story In this gloriously absorbing and utterly satisfying novel a man s passion for the woman he loves is twinned with his country s emergence as a nation With storytelling as sweeping and dramatic as the land itself myth fact and fiction are all woven together with the power of the great nineteenth century novelists Tipperary once again proves Frank Delaney s unrivaled mastery at bringing Irish history to life Praise for Tipperary The narrative moves swiftly and surely A sort of Irish Gone With the Wind marked by sly humor historical awareness and plenty of staying power Kirkus Reviews Another meticulously researched journey Delaney s careful scholarship and compelling storytelling bring it uniquely alive Highly recommended Library Journal starred [Simple Courage](#) Frank Delaney,2006-06-27 HEAVEN HELP THE SAILOR ON A NIGHT LIKE THIS old folk prayer In late December 1951 laden with passengers and nearly forty metric tons of cargo the freighter S S Flying Enterprise steamed westward from Europe toward America A few days into the voyage she hit the eye of a ferocious storm Force 12 winds tossed men about like playthings and turned drops of freezing Atlantic foam into icy missiles When in the space of twenty eight hours the ship was slammed by two rogue waves solid walls of water more than sixty feet high the impacts cracked the decks and hull almost down to the waterline threw the vessel over on her side and thrust all on board into terror Flying Enterprise s captain Kurt Carlsen a seaman of rare ability and valor mustered all hands to patch the cracks and then try to right the ship When these efforts came to naught he helped transfer across waves forty feet high the passengers and the entire crew to lifeboats sent from nearby ships Then for reasons both professional and intensely personal and to the amazement of the world Carlsen defied all requests and entreaties to abandon ship Instead for the next two weeks he fought to bring Flying Enterprise and her cargo to port His heroic endeavor became the world s biggest news In a narrative as dramatic as the ocean s fury acclaimed bestselling author Frank Delaney tells for the first time the full story of this unmatched bravery and endurance at sea We meet the devoted family whose well being and safety impelled Carlsen to stay with his ship And we read of Flying Enterprise s buccaneering owner the fearless and unorthodox Hans Isbrandtsen who played a crucial role in Kurt Carlsen s fate Drawing on historical documents and contemporary accounts and on exclusive interviews with Carlsen s family Delaney opens a window into the world of the merchant marine With deep affection and respect for the weather and all that goes with it he places us in the heart of the storm a biblical tempest of unimaginable power He illuminates the bravery and ingenuity of Carlsen and the extraordinary courage that the thirty seven year old captain inspired in his stalwart crew This is a gripping absorbing narrative that highlights one man s outstanding fortitude and heroic sense of duty One of the great sea stories of the twentieth century a surefire nautical crowd pleaser Booklist starred review Frank Delaney has written a completely absorbing thrilling and

Richard Hamilton,2011-05-26 Marrakech is the heart and lifeblood of Morocco s ancient storytelling tradition For nearly a thousand years storytellers have gathered in the Jemaa el Fna the legendary square of the city to recount ancient folktales

and fables to rapt audiences But this unique chain of oral tradition that has passed seamlessly from generation to generation is teetering on the brink of extinction The competing distractions of television movies and the internet have drawn the crowds away from the storytellers and few have the desire to learn the stories and continue their legacy Richard Hamilton has witnessed at first hand the death throes of this rich and captivating tradition and in the labyrinth of the Marrakech medina has tracked down the last few remaining storytellers recording stories that are replete with the mysteries and beauty of the Maghreb
