This is the official US Army guide to the history, operation, and maintenance of the M-1 Garand rifle. It differs from traditional Army manuals in its inclusion of an introductory chapter on the history of this remarkable weapon, and its long, difficult path to adoption by the armed forces. It also contains dozens of photos and sequences which illuminated the details and procedures presented in the text. The definitive military text on this important rifle, this book contains everything you need to know about operating and caring for an M-1.
