The Life and Times of Elijah Muhammad Aug 16 2022 Life and Times of Elijah Muhammad ... **Life and Times of Michael K** May 05 2024 From author of *Waiting for the Barbarians* and Nobel Prize winner J.M. Coetzee. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. In a South Africa turned by war, Michael K. sets out to take his ailing mother back to her rural home. On the way there she dies, leaving him alone in an anarchic world of brutal roving armies. Imprisoned, Michael is unable to bear confinement and escapes, determined to live with dignity. This life affirming novel goes to the center of human experience—the need for an interior, spiritual life; for some connections to the world in which we live; and for purity of vision. **Andy Grove** Aug 28 2023 Brilliant, brave, and willing to defy conventional wisdom, Andy Grove, the CEO of Intel during its years of explosive growth, is on the shortlist of America's most admired businesspeople. Grove gave Tedlow unprecedented access to his private papers, along with wide-ranging interviews and access to friends and key

business associates. The result is not just a life story but a fascinating analysis of how Grove attacks problems. Born a Hungarian Jew in 1936, András István Gróf survived the Nazis only to face the Soviet invasion of his country. He fled to America at age twenty, studied engineering, and arrived in Silicon Valley just in time to become the third employee of Intel. As talented as he was as an engineer, Grove became an even better manager. Tedlow shows us exactly how the penniless immigrant taught himself to lead a major corporation through some of the toughest challenges in the history of business.--From publisher description. **Murrow, His Life and Times** Nov 18 2022 A biography of legendary American broadcast journalist Edward R. Murrow. **The Life and Times of Post-Modernity** Jul 15 2022 'Postmodernity' is often claimed as a great transformation in society and culture. But is it? In this book Keith Tester casts a cautious eye on such grandiose claims. Tester draws on a series of themes and stories from European sociology and literature to show that many of the great statements from 'postmodernity' are misplaced. 'Postmodernity' is not the harbinger or expression of a new world. It is a reflection

of the unresolved paradoxes and possibilities of modernity. The author establishes a clearly expressed and stimulating model of modernity to demonstrate the stakes and consequences of 'postmodernity'. This book uses a wealth of sources which are usually denigrated or ignored in the debates on 'postmodernity'. As such it sheds new light on old claims. But it never fails to acknowledge the profound insights of sociologists and other authors. *The Life and Times of Post-Modernity* is a continuation of the themes which Tester raised in his earlier books with Routledge, *The Two Sovereigns* and *Civil Society*.

The Life & Times of Donald Ross May 13 2022 a biography of golf course architect Donald Ross

The Life and Time of Lonny Quicke Jul 03 2021 Lonny is a lifeling. He has the power to heal any living creature and bring it back from the dead. But he pays a price for this gift - by lengthening the creature's life, he shortens his own. So Lonny has to be careful, has to stay hidden in the forest. Because if people knew what he could do, Lonny would be left with no life at all... A brilliant novel from the author of *The Middler* about family, secrets and a terrible power.

German, Jew, Muslim, Gay Mar 11 2022 Hugo Marcus (1880–1966) was a man of many names and many identities. Born a German Jew, he converted to Islam and took the name Hamid, becoming one of the most prominent Muslims in Germany prior to World War II. He was

renamed Israel by the Nazis and sent to the Sachsenhausen concentration camp before escaping to Switzerland. He was a gay man who never called himself gay but fought for homosexual rights and wrote queer fiction under the pen name Hans Alienus during his decades of exile. In *German, Jew, Muslim, Gay*, Marc David Baer uses Marcus's life and work to shed new light on a striking range of subjects, including German Jewish history and anti-Semitism, Islam in Europe, Muslim-Jewish relations, and the history of the gay rights struggle. Baer explores how Marcus created a unique synthesis of German, gay, and Muslim identity that positioned Johann Wolfgang von Goethe as an intellectual and spiritual model. Marcus's life offers a new perspective on sexuality and on competing conceptions of gay identity in the multilayered world of interwar and postwar Europe. His unconventional story reveals new aspects of the interconnected histories of Jewish and Muslim individuals and communities, including Muslim responses to Nazism and Muslim experiences of the Holocaust. An intellectual biography of an exceptional yet little-known figure, *German, Jew, Muslim, Gay* illuminates the complexities of twentieth-century Europe's religious, sexual, and cultural politics.

My Life and Times Mar 23 2023

Beyond Holy Russia Sep 04 2021 This biography examines the long life of the traveller and author Stephen Graham. Graham walked across large parts of the Tsarist Empire in the

years before 1917, describing his adventures in a series of books and articles that helped to shape attitudes towards Russia in Britain and the United States. In later years he travelled widely across Europe and North America, meeting some of the best known writers of the twentieth century, including H.G.Wells and Ernest Hemingway. Graham also wrote numerous novels and biographies that won him a wide readership on both sides of the Atlantic. This book traces Graham's career as a world traveller, and provides a rich portrait of English, Russian and American literary life in the first half of the twentieth century. It also examines how many aspects of his life and writing coincide with contemporary concerns, including the development of New Age spirituality and the rise of environmental awareness. *Beyond Holy Russia* is based on extensive research in archives of private papers in Britain and the USA and on the many works of Graham himself. The author describes with admirable tact and clarity Graham's heterodox and convoluted spiritual quest. The result is a fascinating portrait of a man who was for many years a significant literary figure on both sides of the Atlantic.

My Life and Times Feb 19 2023 This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859.

Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

Cosby Oct 06 2021 The first major biography of an American icon, comedian Bill Cosby. Based on extensive research and in-depth interviews with Cosby and more than sixty of his closest friends and associates, it is a frank, fun and fascinating account of his life and historic legacy. Far from the gentle worlds of his routines or TV shows, Cosby grew up in a Philadelphia housing project, the son of an alcoholic, largely absent father and a loving but overworked mother. With novelistic detail, award winning journalist Mark Whitaker tells the story of how, after dropping out of high school, Cosby turned his life around by joining the Navy, talking his way into college, and seizing his first breaks as a stand-up comedian. Published on the 30th anniversary of The Cosby Show, the book reveals the behind-the-scenes story of that groundbreaking sitcom as well as Cosby's bestselling albums, breakout role on I Spy, and pioneering place in children's TV. But it also deals with professional setbacks and

personal dramas, from an affair that sparked public scandal to the murder of his only son, and the private influence of his wife of fifty years, Camille Cosby. Whitaker explores the roots of Cosby's controversial stands on race, as well as "the Cosby effect" that helped pave the way for a black president. For any fan of Bill Cosby's work, and any student of American television, comedy, or social history, *Cosby: His Life and Times* is an essential read.

Mailer Mar 03 2024 For more than 50 years, Norman Mailer was at the forefront of American letters and popular culture. In this work, originally published to acclaim 20 years ago, Manso reveals the man behind the legend like never before--or since. Photos throughout.

The Life and Times of Mickey Rooney Jun 25 2023 A definitive biography of the iconic actor and Hollywood legend Mickey Rooney (1920-2014) and his extravagant, sometimes tawdry life, drawing on exclusive interviews, and with those who knew him best, including his heretofore unknown mistress of sixty years. "I lived like a rock star," said Mickey Rooney. "I had all I ever wanted, from Lana Turner and Joan Crawford to every starlet in Hollywood, and then some. They were mine to have. Ava [Gardner] was the best. I screwed up my life. I pissed away millions. I was #1, the biggest star in the world." Mickey Rooney began his career almost a century ago as a one-year-old performer in burlesque and stamped his mark in vaudeville, silent films, talking films, Broadway, and television. He acted in his final

motion picture just weeks before he died at age ninety-three. He was an iconic presence in movies, the poster boy for American youth in the idyllic small-town 1930s. Yet, by World War II, Mickey Rooney had become frozen in time. A perpetual teenager in an aging body, he was an anachronism by the time he hit his forties. His child-star status haunted him as the gilded safety net of Hollywood fell away, and he was forced to find support anywhere he could, including affairs with beautiful women, multiple marriages, alcohol, and drugs. In *The Life and Times of Mickey Rooney*, authors Richard A. Lertzman and William J. Birnes present Mickey's nearly century-long career within the context of America's changing entertainment and social landscape. They chronicle his life story using little-known interviews with the star himself, his children, his former coauthor Roger Kahn, collaborator Arthur Marx, and costar Margaret O'Brien. This Old Hollywood biography presents Mickey Rooney from every angle, revealing the man Laurence Olivier once dubbed "the best there has ever been."

Fryderyk Chopin Dec 20 2022 A New York Times Book Review Editors' Choice. The Sunday Times (U.K.) Classical Music Book of 2018 and one of The Economist's Best Books of 2018. "A magisterial portrait." --Corinna da Fonseca-Wollheim, The New York Times Book Review A landmark biography of the Polish composer by a leading authority on Chopin and his time Based on ten years of research and a vast cache of primary sources located in

archives in Warsaw, Paris, London, New York, and Washington, D.C., Alan Walker's monumental Fryderyk Chopin: A Life and Times is the most comprehensive biography of the great Polish composer to appear in English in more than a century. Walker's work is a corrective biography, intended to dispel the many myths and legends that continue to surround Chopin. Fryderyk Chopin is an intimate look into a dramatic life; of particular focus are Chopin's childhood and youth in Poland, which are brought into line with the latest scholarly findings, and Chopin's romantic life with George Sand, with whom he lived for nine years. Comprehensive and engaging, and written in highly readable prose, the biography wears its scholarship lightly: this is a book suited as much for the professional pianist as it is for the casual music lover. Just as he did in his definitive biography of Liszt, Walker illuminates Chopin and his music with unprecedented clarity in this magisterial biography, bringing to life one of the nineteenth century's most confounding, beloved, and legendary artists.

The Life and Times of Sir Edwin Chadwick

Aug 04 2021 First published in 1952, this is a full-scale and definitive account of the life and work of Sir Edwin Chadwick. Among the sources used are the Chadwick Papers, the Peel, Place, Russell and Gladstone Papers, the Home Office, Treasury and Ministry of Health papers and the minutes and documents of the Metropolitan Commission of Sewers. Centred

on this mass of material, this book demonstrates that the great social reforms of the Victorian age should be attributed, not so much to the Cabinets, but to the labours of a handful of civil servants. It also argues that Edwin Chadwick was the most influential of these civil servants and through this illuminating biography, Professor Finer gives an account of early Victorian administration as seen from inside. This book will be of interest to those studying Victorian social reform, the history of the welfare state and social policy. *The Life and Times of Warner Glenn* Oct 18 2022 History of a pioneer family spanning the 1890s to the present day.

The Life and Times of Warren Buffett Jan 01 2024 Warren Buffett is most successful and followed investor of the world. He has always been one of the wealthiest people in the world. Besides being richest; he is one of the most known people for donating personal wealth. Buffett was born in 1930 in Omaha; Nebraska of distant French Huguenot descent. Buffett graduated from Woodrow Wilson High School in 1947. Buffett displayed an interest in business and investing at a young age. While still in high school; he made money delivering newspapers; selling golf balls and stamps; and detailing cars; among other means. He formed Buffett Partnership Ltd. In 1956; and by 1965 he has assumed control of Berkshire Hathaway. In 2008; Buffett became the richest person in the world; with a total net worth of estimated at \$ 62 billion by Forbes and at \$ 58 billion by

Yahoo; overtaking Bill Gates; who had been number one on the Forbes list for 13 consecutive years. Buffett is renowned for his wit and wisdom. He has set various standards of simple living despite being wealthy men on earth. Even though he is recognized as the world's third richest man with a fortune of \$ 46 billion; investor Warren Buffett; the 'Wizard of Omaha'; still lives in the same modest home he bought in 1958 for \$ 31;500 only.

William Shakespeare Apr 04 2024 Describes Shakespeare's experiences in London and his retirement to the country in a fictional account that includes excerpts from his works.

The Life and Times of the Ant Jan 26 2021 Not mighty in size, but mighty in resourcefulness and industry, the ant has crawled the earth since prehistoric times. It has dwelt in rainforest tree trunks and acorns of oak trees, beneath logs, and under sidewalks. It has protected forests by capturing insects, cleared weeds away from acacia trees, and by growing gardens has released important nutrients into the soil. Seed lifters, dirt diggers, social beings, ants have the most advanced brain of all insects! So watch where you step, especially on a warm day: a small but mighty ant may be underfoot.

Life and Times of Little Richard Sep 28 2023 When Little Richard burst onto the scene in the early 1950s, he was utterly unique. Drenched in sweat, screaming, hollering and pumping his piano, he made all who followed sound tame. His stage act was so explosive that

for years people assumed the real man could never match the flamboyant public image. Little Richard made himself a star through sheer talent and personality, breaking racial and sexual taboos on his way to becoming the primal force of Fifties rock'n'roll. Using Richard's own words, Charles White chronicles a staggering career that spanned the very inception of rock'n'roll, the rise of The Beatles, tussles with God and the Devil, and an erratic series of comebacks. This edition includes pictures from Little Richard's own archive and a comprehensive discography.

The Life and Times of Corn Jun 06 2024

Facts and illustrations tell the story of corn, the giant of grains.

Life and Times of a Bank Robber Apr 11 2022

The Life and Times of Homer Jun 13 2022

For almost three thousand years, The Iliad and The Odyssey have thrilled people with tales of adventure in ancient Greece. The stories of Helen and Paris, the Greek gods, the Trojan War, Achilles, and of Odysseus's ten year quest to return home after the war are known all over the world among all cultures. But so much about the life of the man responsible for those epic poems remains a mystery that for a while some scholars doubted he even really existed. Despite the controversies surrounding him, Homer is still honored as one of civilization's greatest poets. He overcame childhood poverty and adult blindness to achieve fame as a legendary storyteller whose epics kept his

audiences spellbound. His poems were so vivid that 19th century archeologists used descriptions in The Iliad to locate the city of Troy. Though many facts about his life remain unknown, his genius as a storyteller remains undisputed.

The Last Comanche Chief Feb 27 2021

Critical acclaim for The Last Comanche Chief "Truly distinguished. Neeley re-creates the character and achievements of this most significant of all Comanche leaders." -- Robert M. Utley author of The Lance and the Shield: The Life and Times of Sitting Bull "A vivid, eyewitness account of life for settlers and Native Americans in those violent and difficult times." -- Christian Science Monitor "The special merits of Neeley's work include its reliance on primary sources and illuminating descriptions of interactions among Southern Plains people, Native and white." -- Library Journal "He has given us a fuller and clearer portrait of this extraordinary Lord of the South Plains than we've ever had before." -- The Dallas Morning News

The Life and Times of Mexico Feb 07 2022 A San Francisco Chronicle Best Book of the Year. "A work of scope and profound insight into the divided soul of Mexico." —History Today The Life and Times of Mexico is a grand narrative driven by 3,000 years of history: the Indian world, the Spanish invasion, Independence, the 1910 Revolution, the tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in

the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans, teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular "telenovela" and meet the country's greatest living intellectual. The result is a work of magnificent scope and profound insight into the divided soul of Mexico.

Decoded (Enhanced Edition) Feb 02 2024 This enhanced eBook includes: • Over 30 minutes of never-before-seen video* interviews with Jay-Z discussing the back-story and inspiration for his songs • Two bonus videos*: "Rap is Poetry" and "The Evolution of My Style" • The full text of the book with illustrations and photographs *Video may not play on all readers. Check your user manual for details. Expanded edition of the acclaimed New York Times bestseller features 16 pages of new material, including 3 new songs decoded. Decoded is a book like no other: a collection of lyrics and their meanings that together tell the story of a culture, an art form, a moment in history, and one of the most provocative and successful artists of our time.

The Life and Times of the Thunderbolt Kid

Oct 30 2023 From one of the most beloved and bestselling authors in the English language, a

vivid, nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century. A book that delivers on the promise that it is “laugh-out-loud funny.” Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people’s hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson’s first travel book opened with the immortal line, “I come from Des Moines. Somebody had to.” In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of 1950s America. He modestly claims that this is a book about not very much: about being small and getting much larger slowly. But for the rest of us, it is a laugh-out-loud book that will speak volumes – especially to anyone who has ever been young.

The Life and Times of Scott Joplin Nov 06 2021 As a member of the first generation of African Americans who were born just after the end of slavery, Scott Joplin faced a world of unique challenges. His musical family scraped out a living by sharecropping and cleaning houses—but Scott was exceptionally gifted, and

his mother made sure he got piano lessons. Classically trained, he spent several years playing in churches and saloons. While for a time he wanted to compose classical music, he was drawn to ragtime, an early form of jazz that featured African folk tunes and syncopated rhythms. After his first composition, "Maple Leaf Rag," was published in 1899, Scott Joplin was able to keep ragtime popular for the next two decades. In fact, ragtime influences can be heard in later forms of music, such as jazz, blues, and even rock and roll. Scott Joplin, the Father of Ragtime, whose compositions cut across geography, race, and class, was truly a Master of Music.

My Life and Times, 1810-1899 Mar 30 2021 *Bookstore* Jan 21 2023 The story of, "one of the premier independent bookstores in the country."

You Send Me Dec 08 2021 When Sam Cooke was shot dead in a cheap motel in Hollywood, he was one of America's most successful pop stars. He left a world in which he had been born poor and had become very rich from the success of such records as "You Send Me" and "A Wonderful World", yet his body lay unrecognised in a morgue for two days. This biography follows Cooke's life in a racist America where his voice was one of the first to reach beyond the segregated audiences and command a white following, Cooke himself becoming a player in the fledgling civil rights movement. This award-winning biography is a full and sometimes shocking story of a man

whose songbook is revered by great performers such as Otis Redding, Rod Stewart and Aretha Franklin.

The Life and Times of Sir Archie Jan 09 2022 Few Americans triumphed more gallantly over odds, wore honors more gracefully, or were so honestly mourned after death than Sir Archie, forefather of such great horses as Man O'War, Gallant Fox, War Admiral, and Native Dancer. The depiction of the antebellum life of which Sir Archie was a part is as colorful and exciting as his career. Originally published in 1958. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Journey May 01 2021 Esteemed New York architect and interior designer Alan Wanzenberg shares his intimate story and brilliantly crafted projects in this personal monograph, *Journey: The Life and Times of an American Architect*.

Moanin' at Midnight Jun 01 2021 Howlin' Wolf was a musical giant in every way. He stood six foot three, weighed almost three hundred pounds, wore size sixteen shoes, and poured out his darkest sorrows onstage in a voice like a raging chainsaw. Half a century after his first hits, his sound still terrifies and inspires. Born Chester Burnett in 1910, the Wolf survived a

grim childhood and hardscrabble youth as a sharecropper in Mississippi. He began his career playing and singing with the first Delta blues stars for two decades in perilous juke joints. He was present at the birth of rock 'n' roll in Memphis, where Sam Phillips—who also discovered Elvis Presley, Johnny Cash, and Jerry Lee Lewis—called Wolf his “greatest discovery.” He helped develop the sound of electric blues and vied with rival Muddy Waters for the title of king of Chicago blues. He ended his career performing and recording with the world’s most famous rock stars. His passion for music kept him performing—despite devastating physical problems—right up to his death in 1976. There’s never been a comprehensive biography of the Wolf until now. *Moanin’ at Midnight* is full of startling information about his mysterious early years, surprising and entertaining stories about his decades at the top, and never-before-seen photographs. It strips away all the myths to reveal—at long last—the real-life triumphs and tragedies of this blues titan.

Andrew Jackson Nov 30 2023 NATIONAL BESTSELLER • From the two-time Pulitzer Prize finalist and New York Times bestselling author of *The First American* comes the first major single-volume biography in a decade of the president who defined American democracy • “A big, rich biography.” —*The Boston Globe* H. W. Brands reshapes our understanding of this fascinating man, and of the Age of Democracy that he ushered in. An orphan at a

young age and without formal education or the family lineage of the Founding Fathers, Jackson showed that the presidency was not the exclusive province of the wealthy and the well-born but could truly be held by a man of the people. On a majestic, sweeping scale Brands re-creates Jackson’s rise from his hardscrabble roots to his days as frontier lawyer, then on to his heroic victory in the Battle of New Orleans, and finally to the White House. Capturing Jackson’s outsized life and deep impact on American history, Brands also explores his controversial actions, from his unapologetic expansionism to the disgraceful Trail of Tears. Look for H.W. Brands's other biographies: *THE FIRST AMERICAN* (Benjamin Franklin), *THE MAN WHO SAVED THE UNION* (Ulysses S. Grant), *TRAITOR TO HIS CLASS* (Franklin Roosevelt) and *REAGAN*.

The Life and Times of the Peanut Apr 23 2023 Examines the history and statistics of peanuts, their agriculture and influence.

Prince: Life and Times Jul 27 2023 "The definitive chronological guide to the life and times of one of popular music's true mavericks ... Prince: Life & times is a large format, lavishly illustrated, authoritative chronicle of his career, covering every album, every movie, and every tour."--Back cover.

Machiavelli Sep 16 2022 'A wonderfully assured and utterly riveting biography that captures not only the much-maligned Machiavelli, but also the spirit of his time and place. A monumental achievement.' - Jessie Childs, author of *God's*

Traitors. ‘A notorious fiend’, ‘generally odious’, ‘he seems hideous, and so he is.’ Thanks to the invidious reputation of his most famous work, *The Prince*, Niccolò Machiavelli exerts a unique hold over the popular imagination. But was Machiavelli as sinister as he is often thought to be? Might he not have been an infinitely more sympathetic figure, prone to political missteps, professional failures and personal dramas? Alexander Lee reveals the man behind the myth, following him from cradle to grave, from his father’s penury and the abuse he suffered at a teacher’s hands, to his marriage and his many affairs (with both men and women), to his political triumphs and, ultimately, his fall from grace and exile. In doing so, Lee uncovers hitherto unobserved connections between Machiavelli’s life and thought. He also reveals the world through which Machiavelli moved: from the great halls of Renaissance Florence to the court of the Borgia pope, Alexander VI, from the dungeons of the Stinche prison to the Rucellai gardens, where he would begin work on some of his last great works. As much a portrait of an age as of a uniquely engaging man, Lee’s gripping and definitive biography takes the reader into Machiavelli’s world – and his work – more completely than ever before.
