Balswick, 2013-04-23 Jack and Judy Balswick offer a vision of marriage that is both profoundly spiritual and thoroughly practical for the twenty first century *Economics in Christian Perspective* Victor V. Claar, Robin J. Klay, 2015-04-21 Victor Claar and Robin Klay introduce students to the basic principles of economics and then evaluate the principles and issues as seen from a Christian perspective This textbook places the economic life in the context of Christian discipleship and stewardship This text is for use in any course needing a survey of the principles of economics *Biblical and Theological Foundation of the Family* Joseph C. Atkinson, 2014 This ground breaking work establishes a solid biblical and theological foundation on which a theology of the family can be constructed It thus fills a critical lack in the current literature on the family The wide range of sources including Jewish Catholic Orthodox and Protestant give this work a genuine ecumenical dimension Biblical and Theological Foundations of the Family will become indispensable for anyone wanting to engage in serious study of the structure and meaning of the family and its place in the salvific will of God **Marriage and the Family** Andreas J. Köstenberger, David W. Jones, 2012-05-31 The recent rulings on gay marriage and debates on family related issues have placed marriage and family at the forefront of the public eye More so than at any point in history we are now confronted with the need to carefully define the meaning of marriage and family Professor Andreas Köstenberger and ethics expert David W Jones speak to the issues at hand and guide us through the fray Presenting a Christian theology of marriage and parenting they offer insight on issues such as abortion contraception infertility adoption homosexuality divorce Marriage and Family Biblical Essentials points the way to the spiritual solution to our culture's confusion a return to and rebuilding of the biblical foundation of marriage and the family *The Storm-Tossed Family* Russell D. Moore, 2018-09-15 Christianity Today Beautiful Orthodoxy Book of the Year in 2019 Why do our families have so much power over us In The Storm Tossed Family bestselling author Russell Moore Onward Christianity Today's 2016 Book of the Year Award Winner teaches readers whether you are married or single whether you long for a child or shepherding a full house you are part of a family Family is difficult because family every family is an echo of the gospel Family can be the source of some of the most transcendent human joy and family can

leave us crumpled up on the side of the road Family can make us who we are and family can break our hearts Why would this social arrangement have that much power for good or for ill over us **Making Room** Chistine D. Pohl,1999-08-03 For most of church history hospitality was central to Christian identity Yet our generation knows little about this rich life giving practice **Making Sense of God** Timothy Keller,2016-09-20 We live in an age of skepticism Our society places such faith in empirical reason historical progress and heartfelt emotion that it s easy to wonder Why should anyone believe in Christianity What role can faith and religion play in our modern lives In this thoughtful and inspiring new book pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever As human beings we cannot live without meaning satisfaction freedom identity justice and hope Christianity provides us with unsurpassed resources to meet these needs Written for both the ardent believer and the skeptic Making Sense of God shines a light on the profound value and importance of Christianity in our lives *On Marriage and Family Life* Saint John Chrysostom,2021-02-02 Inspired by the epistles of St Paul St John Chrysostom has many important and practical things to say to Christian couples and families **Family** Marjorie J. Thompson,1989 **For the Family's Sake** Susan Schaeffer Macaulay,1999-09-16 For many of us the word home brings warm thoughts and happy memories far more than the dictionary s simple definition of a place of birth or one s living quarters For many of us home is where the heart is Yet it is even than that It is the secure environment that allows our hearts to develop A haven of growth quiet and rest The place where we love and are loved Sadly though this kind of home is beginning to disappear as our busy society turns homes into houses where related people abide but where there is no heart With a desire to help you nurture your family s heart Susan Schaeffer Macaulay presents a clear blueprint for constructing a home that survives the variety of situations that you face in modern life With Jesus Christ as the foundation using tools such as common sense realism and traditions you can build a secure loving environment where every member of your family can flourish **Visionary Parenting: Capture a God-Sized Vision for Your Family** Rob Rienow,2009-09-01 The author gives encouragement and insight into life changing action that will impact generations to come Parents will be inspired to build faith and character in the heart of their kids Topics covered include the God filled normal life impacting a thousand generations creating a home of unity the noble calling of fatherhood and motherhood the blessing of family worship and discipline that disciples *A Theology of the Family* Jeff Pollard,Scott T. Brown,2014 **Marriage and the Family** Stephen Grunlan,2013-01-11 The widespread use of Marriage and the Family has proved its value as a textbook covering biblical sociological and psychological perspectives on the family Now this revised and updated edition brings a benchmark text into the twenty first century with new material on family finances economics violence and abuse premarital intimacy human sexuality and dating Statistics and references have been updated and graphics are designed for easier reading With more information than ever Marriage and the Family examines the following topics from a distinctively evangelical perspective The sociology of the family Cross cultural and intercultural

Riggs, Cynthia Benn Tweedell, 2010 **The Changing Family** George Walter Fiske, 1928 **Christian Marriage and Family** Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Authentic Human Sexuality* Judith K. Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape
