Nailed Ten Christian Myths That Show Jesus Never Existed At All David Fitzgerald

Nailed: Ten Christian Myths That Show Jesus Never Existed at All David Fitzgerald,2010-10-01 Why would anyone think Jesus never existed Isn't it perfectly reasonable to accept that he was a real first century figure As it turns out no NAILED sheds light on ten beloved Christian myths and with evidence gathered from historians across the theological spectrum shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination a messiah transformed from a purely literary theological construct into the familiar figure of Jesus in short a purely mythic Christ

Jesus David Fitzgerald,2017-03-21 About the book David Fitzgerald's award winning 2010 book Nailed Ten Christian Myths That Show Jesus Never Existed At All pointed out the top ten fatal flaws of Christianity's origin story Now Jesus Mything in Action presents the most compelling new findings in Jesus Myth theory and critically examines its controversial reception by biblical scholars the extent and reliability of our sources for Jesus and reveals the surprising history behind Jesus evolution In this volume Mything in Action vol II chapters 13-18 discusses the changing Jesus from even before the earliest Christians to Paul to the Book of Hebrews to the Gospels and beyond the construction and deconstruction of the Gospels how Jesus is presented in the rest of the New Testament and examines the historical sources for Jesus outside of the Bible

The Complete Heretic's Guide to Western Religion Because Religion isn't just wrong It's hilarious *Incredible Shrinking Son of Man* Robert M. Price, 2009-09-25 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists' accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar Price systematically discusses the narrative and teaching materials in the Gospel clearly presenting what is known and not known about all of the major episodes of Jesus' life He also examines the parables for authenticity as well as Jesus' teachings about the Kingdom of God repentance prayer possessions and poverty the Atonement and many other features of the Gospels Written for the general reading public in a lively and accessible style Dr Price's highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity

[The Jesus Puzzle](#) Earl Doherty, 2005-01 A new presentation of the argument that no historical Jesus existed A full and comprehensive survey of the question through an examination of the early Christian record canonical and non canonical from Q to the Gospels from the earliest Pauline epistles to the second century apologists along with Jewish Gnostic and Greco Roman documents of the time The philosophy of the era its religious expression in the pagan mystery cults fascinating glimpses into the historical background of the period an in depth consideration of the Jewish historian Flavius Josephus are only some of the additional topics covered in the book A richly detailed highly lucid and entertaining account of how Christianity began without an historical Jesus of Nazareth who came to life only on the pages of the Gospels While based on the author's work for The Jesus Puzzle website the book is almost entirely an original writing not a compilation of website articles Like the website itself the book has been styled for the general reader though the scholarly community will find it of value as well

[Challenging the Verdict](#) Earl Doherty, 2001 In the face of modern critical scholarship which is steadily eroding the historical reliability of the Gospels and their presentation of Jesus conservative writers have been making valiant attempts to re establish confidence in the Christian record and doctrine The most prominent of these in popular exposure and commercial success has been Lee Strobel in his 1998 book *The Case for Christ* In that book Lee Strobel an ex court journalist conducts a series of 14 interviews with well known conservative and evangelical

scholars of the New Testament such as Craig Blomberg William Lane Craig and Gary Habermas in an attempt to establish the reliability of the Gospel account and the truth of the Resurrection Within the context of a scholarly critique Earl Doherty author of The Jesus Puzzle takes quotations from those interviews and sets up his own dialogue with them as though cross examining Strobel and his witnesses in a courtroom before judge and jury This makes for gripping reading a strong atmosphere and an effective way to present the case in favour of a more rational and coherent view of the Christian record and the origins of Christianity This book exposes the deficiencies the fallacies the selective and misleading use of evidence inherent in The Case for Christ and offers more reasonable alternatives **Creating Christ** James S. Valliant, C. W.

Fahy, 2016-09-07 Exhaustively annotated and illustrated this explosive work of history unearths clues that finally demonstrate the truth about one of the world's great religions that it was born out of the conflict between the Romans and messianic Jews who fought a bitter war with each other during the 1st Century The Romans employed a tactic they routinely used to conquer and absorb other nations they grafted their imperial rule onto the religion of the conquered After 30 years of research authors James S Valliant and C W Fahy present irrefutable archeological and textual evidence that proves Christianity was created by Roman Caesars in this book that breaks new ground in Christian scholarship and is destined to change the way the world looks at ancient religions forever Inherited from a long past era of tyranny war and deliberate religious fraud could Christianity have been created for an entirely different purpose than we have been lead to believe Praised by scholars like Dead Sea Scrolls translator Robert Eisenman James the Brother of Jesus this exhaustive synthesis of historical detective work integrates all of the ancient sources about the earliest Christians and reveals new archeological evidence for the first time And despite the fable presented in current bestsellers like Bill O Reilly's Killing Jesus the evidence presented in Creating Christ is irrefutable Christianity was invented by Roman Emperors I have rarely encountered a book so original exciting accessible and informed on subjects that are of obvious importance to the world and to which I have myself devoted such a large part of my scholarly career studying In this book they have rendered a startling new understanding of Christianity with a controversial theory of its Roman provenance that is accessible to the layman in a very powerful way In the process they present new and comprehensive archeological and iconographic evidence as well as utilizing the widest and most cutting edge work of other recent scholars including myself This is a work of outstanding and original scholarship Its arguments are a brilliant profound and thorough integration of the relevant evidence When they are done the conclusion is inescapable and obviously profound Robert Eisenman Author of James the Brother of Jesus and The New Testament Code A fascinating and provocative investigative history of ideas boldly exploring a problem that previous scholarship has not clearly or credibly addressed how and why the Flavian dynasty wove Christianity into the very fabric of Western civilization Mark Riebling author of Church of Spies The Pope's Secret War Against Hitler **Time Shards** Dana Fredsti, David Fitzgerald, 2018-01-30 IT'S CALLED THE EVENT AN UNIMAGINABLE CATAclysm THAT SHATTERS 600 MILLION YEARS OF THE EARTH'S

TIMELINE Our world is gone instantly replaced by a new one made of scattered remnants of the past present and future dropped alongside one another in a patchwork of shards Monsters from Jurassic prehistory ancient armies and high tech robots all coexist in this deadly post apocalyptic landscape A desperate group of survivors sets out to locate the source of the disaster They include 21st century Californian Amber Richardson Cam a young Celtic warrior from Roman Britannia Alex Brice a policewoman from 1985 and Blake a British soldier from World War II With other refugees from across time they must learn the truth behind the Event if they are to survive

Jesus Never Existed Kenneth Humphreys,2014 *The Jesus Papers* Michael Baigent,2009-03-17 In this New York Times bestselling study the co author of Holy Blood Holy Grail explores further mysteries surrounding Jesus Christ What if everything we have been told about the origins of Christianity is a lie What if a small group had always known the truth and had kept it hidden until now What if there is evidence that Jesus Christ survived the crucifixion In Holy Blood Holy Grail Michael Baigent and his co authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline The book became an international publishing phenomenon and was one of the sources for Dan Brown s novel The Da Vinci Code Now with two additional decades of research behind him Baigent s The Jesus Papers presents explosive new evidence that challenges everything we know about the life and death of Jesus Praise for The Jesus Papers An explosive book The Today Show Fascinating CNN s American Morning

The Nativity Jonathan M. S. Pearce,2012-05-01 The nativity of Jesus is an event that carries much cultural recognition However is it a narrative which commands much support in the academic world Is it a story which holds much historical truth Or were the two biblical accounts of the birth of Jesus an opportunity for the authors to impart a theological truth or otherwise These are the sort of questions that are often asked of the nativity accounts and questions which are answered in this concise and yet well researched and informative book Some twenty arguments are looked at and presented in a clear and detailed manner building a cumulative case for the objection to the historical nature of the Gospel accounts The author also questions what purpose these stories do serve if indeed they do carry little or no historical truth With reference to a wide array of contemporary and iconic works on the subject Pearce has created a compendium of critical arguments against the historicity of a story which still remains a vital piece of our collective cultural and religious tapestry For anyone beginning to doubt the reliability of the gospels as eyewitness accounts Pearce s The Nativity will teach you everything you need to know to move past the limitations of biblical infallibility and explore the complicated process that went into the gospel narratives of Jesus Christ Derek Murphy author of Jesus Potter Harry Christ

The Jesus Hoax David Skrbina,2023-09-08 Dr Skrbina presents a stunning new thesis that Jesus Christ son of God was a fraud and a hoax constructed by St Paul and followers Their purpose was to undermine Rome and weaken the Gentile masses The evidence is strong and compelling

Jesus Is the Way, Truth, Life Michael Pietrzyk,2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus

then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest *Searching for Jesus* Robert J. Hutchinson,2015-10-27 For more than a century Bible scholars and university researchers have been systematically debunking what ordinary Christians believed about Jesus of Nazareth But what if the most recent Biblical scholarship actually affirmed the New Testament What if Jesus was not a Zealot revolutionary or a Greek Cynic philosopher or a proto feminist Gnostic but precisely what he claimed to be the divine Son of Man prophesied in the Book of Daniel who gave his life as a ransom for many What if everything the Gospels say about Jesus of Nazareth his words his deeds his plans turned out to be true *Searching for Jesus* changes what if to what is debunking the debunkers and showing how the latest scholarship supports orthodox Christian belief **Proving History** Richard C. Carrier,2012-04-03 This in depth discussion of New Testament scholarship and the challenges of history as a whole proposes Bayes s Theorem which deals with probabilities under conditions of uncertainty as a solution to the problem of establishing reliable historical criteria The author demonstrates that valid historical methods not only in the study of Christian origins but in any historical study can be described by and reduced to the logic of Bayes s Theorem Conversely he argues that any method that cannot be reduced to this theorem is invalid and should be abandoned Writing with thoroughness and clarity the author explains Bayes s Theorem in terms that are easily understandable to professional historians and laypeople alike employing nothing more than well known primary school math He then explores precisely how the theorem can be applied to history and addresses numerous challenges to and criticisms of its use in testing or justifying the conclusions that historians make about the important persons and events of the past The traditional and established methods of historians are analyzed using the theorem as well

as all the major historicity criteria employed in the latest quest to establish the historicity of Jesus The author demonstrates not only the deficiencies of these approaches but also ways to rehabilitate them using Bayes s Theorem Anyone with an interest in historical methods how historical knowledge can be justified new applications of Bayes s Theorem or the study of the historical Jesus will find this book to be essential reading

Black Christology and the Quest for Authenticity John H. McClendon III,2019-05-03 Black Christology and the Quest for Authenticity A Philosophical Appraisal constitutes a philosophical inquiry on Black Theology and its attendant Black Christology Explicitly the philosophical examination of Black Theology conceptually maps its quest for establishing Black Christology as an authentic form within Christian theology This text critically expounds on the methodologies and arguments which guide how Black Theology specifically affirms Black Christology as the definitive paradigm for authentic Christianity Significantly the racialized character of Black Theology immediately sets this discourse within the context of philosophy of race Clearly the philosophy of race in terms of its substance and scope is continually expanding Notably the philosophy of religion in its conceptual association with the African American experience considerably enriches the content of the philosophy of race Therefore Black Christology and the Quest for Authenticity A Philosophical Appraisal stands as a unique contribution to philosophy of race Summarily while this book tackles the formidable problem of Christian theological subject matter nonetheless the reader must be aware that this is not a work executed methodologically in any theological manner inclusive of Christian theology Subsequently while the object of our investigation substantively remains theological in character the method of investigation is guided by philosophical inquiry which is based on secular principles Furthermore although most mainstream works in philosophy of religion along with theology neglect to exam African American theologians and philosophers the subject matter of Black Christology substantially facilitates in filling this intellectual void

YGod Danielle D'Souza,2012-11-05 Faith is a dynamic thing a lively thing of asking questions and finding answers says Danielle D

Souza In Y God she addresses more than thirty of the most interesting and pressing questions being asked about God by believers and skeptics alike Rather than coming across as having all the answers Danielle puts her ideas in the form of a conversation Yet at her core she has convictions that come from a faith rooted in her heart as well as her head Y God will appeal to Millennials the Y generation and anyone who has ever had doubts about the biblical story of God Questions include Is faith reasonable Are miracles really possible Is the Bible literally true Is God the author of morality Are other religions false Is America a Christian nation Does anyone deserve hell Why do people become atheists Is science at war with religion Is evolution compatible with the Bible If Jesus did exist who was he How would Christianity change my life
