As David speaks with each of these historical figures, they share their personal philosophies with him. By the time his journey is over, he has received seven secrets for success and a second chance. *The Noticer Returns* Andy Andrews, 2013-10-08 From New York Times bestselling author Andy Andrews comes the sequel to *The Noticer*. In the quiet coastal town of Fairhope, Alabama, a mysterious old man named Jones has set up shop to do the one thing he knows best: noticing the little things that make a big difference in people's lives. Perspective is a powerful thing. Through a chance encounter at a local bookstore, Andy Andrews is reunited with the man who changed everything for him: Jones, also known as The Noticer. Jones uses his unique talent of noticing the little things that make a big difference, and these little things grant the people of Fairhope, Alabama, a life-changing gift: perspective. Through the lens of a parenting class at the Grand Hotel in Point Clear, Jones guides a seemingly random group to ask specific questions inspired by his curious advice: "You can't believe everything you think." The questions lead to answers for which people have been searching for centuries: How do we begin to change the culture in which we live? What is the key to creating a life of success and value? What if what we think is the end is only the beginning? Along the way, families are united and financial opportunities created, leaving the residents with powerfully simple solutions to the everyday problems we all face. What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone seeking to change their life. Jones' adventures continue in book three of *The Noticer* series, *Just Jones*.
