to Success on Earth Science Regents Exam. After nearly 20  
years of teaching we discovered a startling fact: Most  
students didn't struggle with the subject, they struggled with  
the language. It was never about brains or ability. His  
students simply didn't have the knowledge of the specific  
language needed to succeed. Through experimentation and  
research, he discovered that for any subject there was a list of  
essential words, that, when mastered, unlocked a student's  
ability to progress in the subject. We called this set of  
vocabulary the "Insider's Words." When he applied these  
"Insider's Words" the results were incredible. His students  
began to learn with ease. He was on his way to developing the  
landmark series of Books and applications to teach this  
"Insider's Language" to students around the world. Our books  
and applications are helpful to any student. They are  
especially helpful to struggling students, English language
