Jazz Sells: Music, Marketing, and Meaning Jun 07 2021 Jazz Sells:

Music, Marketing, and Meaning examines the issues of jazz, consumption, and capitalism through advertising. On television, on the Internet, in radio, and in print, advertising is a critically important medium for the mass dissemination of music and musical meaning. This book is a study of the use of the jazz genre as a musical signifier in promotional efforts, exploring how the relationship between brand, jazz music, and jazz discourses come together to create meaning for the product and the consumer. At the same time, it examines how jazz offers an invaluable lens through which to examine the complex and often contradictory culture of consumption upon which capitalism is predicated.

Shooting Crows At Dawn Aug 10 2021 "Revenge and justice burn across Texas in this gripping, grisly shootout" -- KIRKUS REVIEWS (02-10-12) Jubal Dark has been the Sheriff of Francine County, Texas for twenty years, but Dark's enemy, Texas Ranger Buck Nevins, has convinced a Houston homicide detective to run against him. Dark's failure to solve a two-year-old rape and murder, coupled with his approaching sixtieth birthday, have led many voters to decide that Jubal should be replaced. Four years earlier Dark had captured the wanted killer, Carl Alvin Spence, and shown him up for the back-stabbing coward he was. Spence vowed revenge. Now, two weeks before the election, Spence and two other murders have escaped from prison and are heading across Texas running for the Mexican border. On their way through Francine County they make an unsuccessful attack on the Sheriff and then brutally kill a local family and flee in their stolen car. Holly Sharps, one of Buck Nevins' crime scene techs, shows up at the horrific murder scene but Buck tells her to go back to the office and file papers, make coffee, and pick up his dry cleaning on her way home. Holly quits and begs Sheriff Dark to let her join him in the hunt for the three escaped killers. Initially, Jubal says "no" even though he needs all the help he can get. With these fugitives on the loose, Dark no longer has any time or energy to worry about losing the election, which is now only days away. Looking down at the bodies of his murdered friends, Dark resolves to trade his star, and even his life, if that's what it will take to bring these killers to Texas Justice.
