This book is the third in a four-part series of study guides focusing on "The Daily Bible in Chronological Order," commentary by F. LaGard Smith. This guide covers a three-month period of daily study, starting in Isaiah and continuing through to Malachi. It can be used by itself as a period study or as part of a year-long study involving all four books, and can be utilized for group or personal study. The foreword was thoughtfully provided by F. LaGard Smith. The Disciple III Remember Who You Are: Study Manual combines direction and information enabling study of the text - the Bible. Two titles in the commentary section of the manual reflect ideas central to the prophets and Paul's letters. "The Word of the Lord" picks up a familiar phrase from the prophets - a clear statement of their calling: They

spoke (and speak) for God. Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. Disciple III Remember Who You Are is the third study in the four-phase DISCIPLE program. The driving idea in this study is the connection between memory and identity as the people of God. The word You in the title is meant to be heard both in its singular form (the individual) and its plural form (the community). We are a community of memory. Participants in this 32 week study will read the major and minor Old Testament prophets,

with the exception of Daniel, and will read the thirteen Letters traditionally attributed to Paul. To establish the historical context in which the prophets spoke for God, daily reading assignments draw also on the books of Deuteronomy through Chronicles. Several themes weave their way through the study - the call to remember; the call to repentance; the need for renewed vision; and the place of community. The prophets and Paul are continually calling hearers and readers back to their God and to a sense of who they are as a people "set apart." Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings Do you prophesy? Scripture is clear, God's heart is that ALL His children would prophesy (Numbers 11:29, Acts 2:17)! So, whether you have never prophesied before, or you have been prophesying for years, this systematic teaching series will equip you to walk in this important gift of the Spirit and make sure your foundation in the prophetic is sure. Lessons include: Receiving and Releasing the Gift of

Prophecy, Building Blocks: The Anatomy of a Prophetic Word, Seven Modes of Prophetic Communication, and much more. The Prophet Study Guide is great for individual study in your own home, with a small group, or in a classroom setting. The full curriculum, including The Prophet book and 12-Lesson Class, is available at [www.GodEncounters.com](http://www.GodEncounters.com). As you apply these lessons to your life, you will be prepared to speak the revelation God has given you and sustain a life-giving prophetic culture. Written from a Pentecostal/Charismatic viewpoint, these interactive studies introduce believers to the books of the Bible and offer a thorough and balanced understanding of key themes of the Bible to cultivate a Spirit-filled perspective of the Bible's message for today. Characters Volume 4: The Prophets focuses on influential prophets of the Old Testament. Seeing how these people handled their assignments from God helps students learn how to live out their own faith today. Through the lives of these prophets, students will see that God can and will use them to impact the world for Christ. Six Bible Study Sessions Include: Session 1: Elijah: The Bold Prophet Session 2: Jonah: The Reluctant Prophet

Session 3: Isaiah: The Prophet Who Saw God  
Session 4: Jeremiah: The Weeping Prophet  
Session 5: Ezekiel: The Prophet to the Exiled  
Session 6: Malachi: The Final Prophet

Each Session Includes: A Group Discussion guide for leaders and group members to study together  
Three Personal Studies per session for group members to complete throughout the week  
A Biography that helps bring each session's character to life  
A corresponding Leader Guide to help leaders guide students through each session of study  
Characters is a 7-volume Bible study series for teens that will lead them through an in-depth, one-year study of key biblical figures throughout the Bible. The latest installment in Christopher R. Smith's innovative Understanding the Books of the Bible series brings you and your group into a direct encounter with the words of the poets and outcasts who were entrusted with the message of divine reproof for a community falling headlong into a exile. C. L. Crouch and Christopher B. Hays introduce the Book of Isaiah in its diverse historical contexts, tracing its origins and development over several centuries: beginning with the career of the prophet Isaiah ben Amoz in eighth century Jerusalem, continuing with a late seventh century

edition and the further revisions made in the late sixth century, and concluding with final shaping during the Persian Period. At each stage Crouch and Hays pay close attention to the historical, cultural, and theological conversations that influenced the book's aims and interests. Crouch and Hays discuss the theological and literary continuities among the book's contributors, as well as where language and concerns differed from generation to generation. They also consider the reception history of Isaiah and what the text has meant to people through history. With suggestions of further reading at the end of each chapter, this guide will be an essential accompaniment to study of the Book of Isaiah. \*Designed to accompany the Basic Training for the Prophetic Ministry DVD Study

The gift of prophecy is not reserved for a super-spiritual, elite group of Christians. Scripture promised that in the last days, the Holy Spirit would be poured out and the people of God would prophesy. This is the hour. This is your time. This study guide includes group activities, engaging devotional readings, and space for interactive journaling to help you activate the gift of prophecy in your everyday life.

Get equipped to: Tell the difference between Old and New Covenant prophecy and correctly operate as a New Testament prophetic voice Learn the languages of God and hear His voice like never before Discover and develop your prophetic gifts in a safe environment Step out and confidently share words of knowledge, wisdom, and prophecy Recognize a true prophet from a false prophet Designed for use with the Basic Training for the Prophetic Ministry DVD curriculum, these study guide exercises will help you clearly understand and confidently operate in the prophetic ministry. Get ready to hear the voice of God in a fresh way, speak His word with power, and release hope, life, and destiny to those around you! Exploring the Bible's message is easy and exciting with these complete do-it-yourself Bible study guides. Each study includes helpful outlines, charts, maps, diagrams and explanations. For personal, group or classroom use. A carefully organized, step-by-step introduction to the books of the biblical prophets, the men behind them, their message, and their relevance for today. + This 12-week study immerses readers in the Old Testament Prophets. This Disciple Fast Track is an adaptation of the original,

bestselling Disciple Bible Study: Remember Who You Are. The study is ideal for busy people who want to fit an in-depth Bible study into their schedule. The study retains the familiar Disciple format with its theme word, theme verse, statement of the human condition, daily and weekly assignments, and prayer. This study examines the connection between memory and identity as the people of God. Participants will find common themes, including calls to remember, calls to repent, calls for renewal, and calls for community. In this Study Manual, there are 12 sessions on the Old Testament Major and Minor Prophets (except Daniel). The prophets are continually calling hearers and readers back to their God and to a sense of who they are as a people "set apart." Designed to establish the historical context in which the prophets spoke for God, daily reading assignments draw also on the books of Deuteronomy through Chronicles. Readers will encounter "The Word of the Lord," with comments on Scripture and amplification of meaning, as well as "Marks of Obedient Community," which identifies beliefs, attitudes, and actions of the obeying community. "Marks" is the faith response to "Our Human Condition." Classes meet for a

total of 24 weeks, studying the Prophets and the letters traditionally attributed to Paul for 12 sessions each. Preparation is manageable, with 3-5 chapters of the Bible to read each day. Minimal additional preparation is needed for the leader—just prepare handouts and follow the Leader Guide. Weekly sessions last 75 minutes. Hosts will provide 3-5 minute video insights related to the week's session. Flexible for use with small groups of 8-14, or for large groups of 15-100. The mission of the five Major Prophets was to deliver the message of obedience to God's laws. The writings of Isaiah, Jeremiah, Ezekiel and Daniel as well as what's written in Lamentations will teach you that obedience to God's laws will bring blessings while disobedience will result in huge consequences. What other lessons can you get from this book collection? Find out today. From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These

terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. Fourteen ready-to-teach Small Group Bible Lessons on the topic of Justice and the Prophets. Each lesson consists of 20 or

so ready-to-use questions that get groups talking. Answers are provided in the form of quotes from respected authors such as John Piper, Max Lucado and Beth Moore, John Ortberg and David Jeremiah. These lessons will save you time as well as provide deep insights from some of the great writers and thinkers from today and generations past. I also include quotes from the same commentaries that your pastor uses in sermon preparation. Ultimately, the goal is to create conversations that change lives. This 13-week study guide on the Minor Prophets is designed to use as a companion guide alongside the books of the Minor Prophets. The purpose of developing this resource is to help make the Christian literate in each of the books of the Minor Prophets. The study guide may be used in small groups and Sunday school classes to assist Christians in learning these important prophetic books of the Old Testament. The books in this study guide are arranged in a possible chronological order rather than the order in our Christian Bibles. Are you living with the end in sight? Dig deeper into what the Bible says about the end times and gain insight into God's plan for your future. Todd Hampson's companion workbook to his

bestselling *The Non-Prophet's Guide to the End Times* makes the challenging study of Bible prophecy clear, understandable, and fun. With more than 100 helpful and humorous graphics and illustrations, you can explore scriptural prophecies and discover answers for your questions about the last days, such as... How does fulfilled Bible prophecy affect our view of prophecies not yet fulfilled? What can we learn from those who were watching at Jesus's first coming? How can we discern between conspiracy theories and trustworthy facts that line up with end-time geopolitical signs? *The Non-Prophet* may be a day late and a dollar short when it comes to understanding Bible prophecy, but that doesn't mean you have to be. "My prayer is that you will use this workbook to form deep and lasting convictions about end-time events. I also pray this study will help you make sense of the world today and discover a little more about your personal calling as you serve God in your generation." —Todd Hampson

This workbook is designed for use with *The Non-Prophet's Guide to the End Times*. See how God used ordinary people to communicate His message of repentance and faith to His people and that the Word of the Lord stands forever, both then and now.

Training the Prophets Study Guide is the manual that goes with the book Training the Prophets. These are books of instruction, encouragement, and inspiration. It is a "HOW TO" manual designed to assist the clergy to be proficient in every aspect of ministry. More than thirty years of training and experience as well as biblical principles were used in writing these books. Without the Major Prophets, we will be unable to completely comprehend what prophecy means. The collection of books from Isaiah, Jeremiah, Lamentations, Ezekiel and Daniel offer revelations from God about the future. Messages of judgment, mercy and hope are written all over this collection of Bible books. Read the stories of the five Major Prophets today! A useful survey of the Old Testament that will aid in understanding difficult passages. This one volume contains all of Irving Jensen's Bible self-study guides to the Old Testament. This critically informed and theologically sensitive introduction to the Prophets considers the often-misunderstood prophetic books of the Old Testament, including an exploration of their historical context, their artful use of language, and their place within the chorus of Old Testament voices. The ICON

series is a group of Bible Studies on the Minor Prophets. We have a crisis of DEPTH in our knowledge of scripture today and this series is meant to take you into the depths of scripture. An Old Testament prophet was not called to tell the future but to be the mouthpiece of God. Sometimes at a great cost. Like Hosea who had to marry a prostitute to symbolize Israel's relationship to God. I want to take you deeper into scripture than you have ever been before. You may know something about the Bible, but do you really know it? Really? This series will take you in deep. Sometimes what you see is not pretty and it is not something we normally relate to the Holy Word. You will see God's anger and his destruction but you will also see that thread of hope and that love that God has for his people. We will find that we are not very different than Ancient Israel and Judah. We sin just as bad as they did we just call our sins by different names. So the Minor Prophets speak to us today as much as they did back then. Perhaps the Story of Jonah is the most popular in the Minor Prophets section of the Bible. It tells about how God is just and merciful and His purpose for prophecy. There are other

beautiful stories written by the Minor Prophets Hosea, Joel, Amos, Obadiah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi. Read their stories today. Are Apostles and Prophets Still Active in the Church Today? These days a lot of people are being called apostles or prophets, but are real apostles and prophets still alive, well, and operating in the Body of Christ? In this much-needed, powerful series, *Apostles and Prophets*, Rick Renner answers these important questions: What an apostle is and what an apostle is not. What are the signs of a true apostle? Why would anyone claim to be an apostle if he wasn't an apostle? What does the word prophet really mean? What do we know about how real prophets do and do not operate? What about false prophets? As you dive into these 15 lessons, discover the true purpose Jesus had for giving these fivefold ministry gifts to the Church and recognize what His expectation is for them today. This study guide will leave you amazed at how much the Bible has to say about this vital subject. *I Believe Jesus Will Return... What More Do I Need to Know?* Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as

rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment. For many Christians, the minor prophets are like "flyover country" in their Bibles, a mostly obscure and unknown place between the familiar stories of the Old Testament and the gospels. It's true that this is not easy material. It includes rich literature, complex poetry, social editorial and fiery sermon. It requires some understanding of the socio-political and religious landscape of a time and place very foreign to us. Yet the parallels and applications for modern Christianity, our churches, and our society are startling to

say the least. The Minor Prophets are actually some of the most practical texts in the Old Testament, with much to say about topics like our relationship to God, social justice, and how we use our money. They also address the tough theological questions like why God would use unholy tools for holy purposes, or if God uses natural disasters and wars to punish nations. This book is not meant to be a commentary, so we will not cover every verse of every book in the prophets. This is also not an academic book of history, though it does include enough history to put the prophets in context. This is a study guide that attempts to provide a working understanding of the Minor Prophets, one prophet per lesson, written to fit a typical one-hour class or small group study. This is written in a very teachable format with open-ended questions that will draw out discussion, and some key points or applications that should hopefully come out of the discussion. I concentrated these lesson plans on passages that seemed to have the most obvious applications to modern Christians. Our goal is to portray these prophets as vital and living voices within their society (and ours) and rewarding portraits of God's love. A whole series

could be done on the Messianic components of the Minor Prophets. While I do occasionally highlight some of these, I did not attempt to point out each and every one. May God bless you as you open His Word and the eyes of His people. The prophets Elijah and Elisha were extraordinary servants whom God used to call his people back to faithfulness in Old Testament Israel. Their fearless prophecies and remarkable miracles reveal the holy God who punishes sin and yet extends grace to the undeserving. Though they lived in a far different time and place, Elijah and Elisha--prophets with power--have much to teach us today.

Exploring the Bible's message is easy and exciting with these complete do-it-yourself Bible study guides. Each study includes helpful outlines, charts, maps, diagrams and explanations. For personal, group or classroom use. Thirteen ready-to-teach Small Group Bible Lessons on the topic: Prophets Faithful To God's Covenant. Each lesson consists of 20 or so ready-to-use questions that get groups talking. Answers are provided in the form of quotes from respected authors such as John Piper, Max Lucado, John Ortberg and David Jeremiah. These lessons will save you time as

well as provide deep insights from some of the great writers and thinkers from today and generations past. I also include quotes from the same commentaries that your pastor uses in sermon preparation. Ultimately, the goal is to create conversations that change lives. What is God saying to us TODAY? What does He want to tell the NEXT GENERATION? In *The Prophetic Advantage* Michelle McClain-Walters delivered a practical, comprehensive, and balanced look at the role of prophetic ministry in today's world. Now this complementing study guide is the perfect companion to take these teachings deeper and allow God to use them to transform your life and cultivate the prophetic gift He has placed inside you. We will not see breakthrough in our jobs, churches, families, financial situations, health, and homes without the prophetic advantage. Special Features: - Related videos that can be used for individual or small-group study - Discussion questions, commentary, and scriptures - Corresponding small-group leader's guide available as a free, downloadable PDF An essential new study guide for the confusing story and words of the prophet Jeremiah. Chase unravels the chronological puzzle and

provides insights into the culture, language, meaning, and chronology of the writings of Jeremiah in a relaxed and understandable style. Navigating the Prophetic Many people claim to be prophets today. Some are, and some are not. How can you tell the difference? A lot of attention has been given to the subject of prophetic ministry on social media and the Internet, and as a result, much of the Body of Christ has felt confused about what the Bible really teaches. But in this informative series, Rick Renner and Joseph Z push back the confusion to bring clarity to the Body of Christ on this vital subject. In Demystifying the Prophetic With Joseph Z and Rick Renner, you'll learn: How to recognize a real prophet. The marks of a false prophet. How to discern whether a prophetic word is true or false. The different types of prophecy. It is crucial that you understand exactly what the Bible says about prophetic insight. Glean pivotal information about this often-misunderstood subject in this exciting study. This is the full 12 Bible Study guide books in the 'Spotlight On The Minor Prophets' series; Jonah, Obadiah, Joel, Micah, Amos, Hosea, Nahum, Zephaniah, Habakkuk, Haggai, Zechariah and Malachi.

Taken from a Christian standpoint, this is an introduction to the Old Testament Prophets, known commonly as the 'Minor Prophets'. This title in no way implies that they are inferior in any way to the giants amongst the prophets such as Isaiah or Ezekiel; but rather the word 'minor' merely applies to the brevity of the writings of these Old Testament prophets. Bible Study Guide for Group or Individual use These are not intended to be in-depth bible studies as such; but instead an introduction or summary of the Prophets, their times and influences both then and today. This short bible series on the Old Testament Prophets looked at from a New Testament Christian point of view, is intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Studying the minor prophets reveals pearls of wisdom! Job states that "As sure as sparks fly upwards, Man is born to trouble." The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that "if we do not learn from our mistakes, then we are doomed to repeat them." Perhaps it's time to listen

to their problems and see what The Lord had to say through his spokesmen - whom we know as the 'Minor Prophets'. I for one fully believe that the guidance offered to these Old Testament characters, can for the most part be profitably applied by the New Testament Christian when looked upon in the light of the New Covenant that Christianity has to offer. They were not history's generals of war, or the parliamentarians sitting in judgment. They were not the emperors of state with crowns of rubies and gold, nor were they the demagogues of public oratory, emotionally moving the public. The fiercest men who ever lived were men of prophecy. They changed the course of mankind and dug channels for truth to flow in.

Right here, we have countless books Minor Prophets Study Guide and collections to check out. We additionally come up with the money for variant types and with type of the books to browse. The welcome book, fiction, history, novel, scientific research, as with ease as various extra sorts of books are readily to hand here.
