another moment denying yourself How Quantum Physicists Build New Beliefs will coach you to simply and easily focus and harness your inherent power to create your material reality Using everyday language and street level instructions How Quantum Physicists Build New Beliefs will have you manifesting a vast array of personal dreams and goals much faster and more completely than you previously thought possible **A Handbook for Those Already Born** Greg Kuhn,2023-09-05 Do you find some parts of your life unfulfilling and more painful than necessary Do you intuitively know that more from life is possible Would you welcome better experiences in some of the most important areas of your life If you re like most people you would love to manifest and engage with better versions of reality that resolve the pain of living especially in the most important parts of your life Things like your health love life wealth relationships fitness and family which are at the core of the human experience In A Handbook for Those Already Born Greg Kuhn teaches you how to do all that and more Here you will learn to partner with the Quantum Field or Universal Consciousness to manifest any part of your life differently Here you will truly become the architect of your reality and the CEO of your life Learn to collaborate with the Quantum Field and craft curriculums 100% individualized to you which allow you to manifest new versions of reality more aligned with your desires Versions of reality where you can learn grow and change any part of your life you wish And then learn to employ the Quantum Field as your essential partner as you make those changes Reality is painful enough so don t wait a moment longer A life changing partnership with the Quantum Field is at hand and your life will never be that same again
