**Christ-Centered Conflict Resolution** Tony Merida, 2021-05-18 Have you ever noticed that conflict is absolutely everywhere Though we all want harmony in our relationships and our world peace seems so hard to come by Maybe for you conflict looks like the latest culture war that relentlessly screams at you to pick a side and you re tired of all the fighting Or perhaps it takes another shape like a hot tempered spouse rebellious child passive aggressive friend difficult church member withdrawn roommate or angry social media comment No matter its form conflict always finds us And often we let it overtake us In this short biblical and practical book pastor and author Tony Merida shows us that it doesn t have to be this way Merida not only paints a stunning picture of Christ our Peacemaker he also shows us how to stop wishing for peace and go make it In these pages Tony will help you Discover where conflicts come from Realize conflicts don t have to define you scare you or undo you Stop allowing your relationships simmer in a place of

division anger or strife Understand the pattern and power of Christ as the ultimate Peacemaker Tap into the Spirit's supernatural ability to change you in the midst of your conflicts Learn how to overcome evil with good Anticipate conflicts and resolve them in biblical Christ centered ways Stop waiting for peace to hopefully come to your doorstep Instead in the power and strength God provides become a person who can make the peace you so deeply desire and watch your

relationships transform **Organizational Ethnography** Daniel Neyland,2007-11-15 This is an excellent resource for those interested in studying organizations in both formal and informal contexts Choice Taking readers through the practical history of ethnography from its anthropological origins through to its use in a ever widening variety of organizational academic and business contexts this book covers the whole research project process starting with research design and dealing with such practical issues as gaining access note taking project management analysing one's data and negotiating an exit strategy It is highly practical and incorporates a range of case studies illustrating organisational ethnography at work This book is an invaluable resource for anyone wanting to plan and conduct their own ethnographic observational or participant observational research in an organizational context whatever their level of experience and regardless of whether they are studying a business organization or other types of organization such as schools and hospitals **Emotional Intelligence**

**for Managing Results in a Diverse World** Lee Gardenswartz,Jorge Cherbosque,Anita Rowe,2010-10-16 Harness the power of emotions so you can leverage differences build engaged teams and create healthier organizations Whether you work group stretches from here to Dubai or can easily meet in a conference room down the hall anger and frustration are easy to come by when others don't do things your way follow directions or respond the way you think they should But when emotions manage workplace relationships the result is conflict disengagement and low morale Emotional Intelligence for Managing Results in a Diverse World delivers a novel prescription for managing effectively in today's workplace Use the dynamic principles of EQ plus insights from the author's pioneering diversity work to increase your competence in managing emotions and enhance your effectiveness in work relationships and life The book also gives you the know how to use this approach in coaching and developing others to help them be more successful on the job **Israel** Daniel Gordis,2016-10-18 Winner of the Jewish Book of the Year Award The first comprehensive yet accessible history of the state of Israel from its inception to present day from Daniel Gordis one of the most respected Israel analysts The Forward living and writing in Jerusalem Israel is a tiny state and yet it has captured the world's attention aroused its imagination and lately been the object of its opprobrium Why does such a small country speak to so many global concerns More pressingly Why does Israel make the decisions it does And what lies in its future We cannot answer these questions until we understand Israel's people and the questions and conflicts the hopes and desires that have animated their conversations and actions Though Israel's history is rife with conflict these conflicts do not fully communicate the spirit of Israel and its people they give short shrift to the dream that gave birth to the state and to the vision for the Jewish people that was at its core Guiding us through the milestones of

Israeli history Gordis relays the drama of the Jewish people's story and the creation of the state. Clear-eyed and erudite, he illustrates how Israel became a cultural, economic, and military powerhouse but also explains where Israel made grave mistakes and traces the long history of Israel's deepening isolation. With Israel public intellectual Daniel Gordis offers us a brief but thorough account of the cultural, economic, and political history of this complex nation from its beginnings to the present. Accessible, level-headed, and rigorous, Israel sheds light on the Israel's past so we can understand its future. The result is a vivid portrait of a people and a nation reborn.
