**The Story of a Soul (L'Histoire d'une Âme): The Autobiography of St. Thérèse of Lisieux** De Lisieux Saint Thérèse, 2023-11-09 The Story of a Soul L Histoire d une me The Autobiography of St Th r se of Lisieux by De Lisieux Saint Th r se translated by Thomas N Taylor Published by DigiCat DigiCat publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each DigiCat edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **The Story of a Soul** Saint Thérèse (de Lisieux), 1997 Teaches her Little Way of Spiritual Childhood revealing secrets of great holiness in ordinary life it shows how this comes straight from Sacred Scripture Story of a Soul Saint Thérèse of Lisieux, 1996 Two and a half years before her death in 1897 at the age of 24 as Th r se Martin began writing down her childhood memories at the request of her blood sisters in the Lisieux Carmel few could have guessed the eventual outcome Yet this story of my soul first published in 1898 in a highly edited version quickly became a modern spiritual classic read by millions and translated into dozens of languages around the world Decades later in response to growing requests from scholars and devotees of the Saint a facsimile edition of the manuscripts appeared along with more popular French editions of what the Saint had actually written Here expressed with all of Th r se s original spontaneity and fervor we rediscover the great themes of her spirituality confidence and love the little way abandonment to God s merciful love and her mission in the church and world today Father John Clarke s acclaimed translation first published in 1975 and now accepted as the standard throughout the English speaking world is a faithful and unaffected rendering of Th r se s own words from the original manuscripts This new edition prepared for the centenary of the Saint s death includes a select bibliography of recent works in English on Th r se along with a new referencing system now widely used in studies of her doctrine Includes general and biblical index with 8 pages of photos **The Story of a Soul** , 1957 The Autobiography of Saint Therese , 1987-11-17 Few spiritual figures have touched as many readers in the past century as Saint Therese of Lisieux the saint popularly known as the Little Flower Though she was only twenty four years old when she died her writings have had tremendous impact making her one of the most popular spiritual writers in the twentieth century Her autobiography The Story of a Soul has been a source of priceless inspiration ever since it was written and has become the great spiritual bestseller of our time A hundred years after her death in 1897 millions of copies have spread throughout the world and it has been translated into more than fifty languages The reason for the continued success of her autobiography is quite simply that it is unlike any work of devotion and spiritual insight ever written Once it is read it cannot be forgotten Its appeal across cultures and generations has been extensive moving both peasants and popes men and women young and old people of every kind of intelligence and

education succumb to its spell Yet is not a conventional work of religious devotion instead it is in many ways a supernatural book In the words of Pope Pius XI Saint Therese attained the knowledge of supernatural things in such abundant measure that she was able to point out the sure way of salvation to others and it is especially in *The Story of a Soul* that she has pointed out this sure way to the generations that have followed her As Therese herself said of this book just prior to her death What I have written will do a lot of good It will make the kindness of God better known

*The Story of a Soul* St. Thérèse of Lisieux, 2010-04 *The Story of a Soul* conveys St Th r se of Lisieux s Little Way of spiritual childhood her elevator to Heaven as she called it This method was approved by Pope Pius XI as a way for all to grow in holiness through unfailing confidence and childlike delight in God s merciful love Again and again in this book St Th r se shows us how her Little Way of love and trust comes straight from Sacred Scripture This book belongs in every Catholic home for Pope St Pius X stated St Th r se of Lisieux the greatest Saint of modern times This is the original TAN edition now with updated typesetting fresh new cover new size and quality binding and the same trusted content
