You will complete this dialectical journal in your notebook in two parts: one for **Ch. 1-9**, which will consist of at least **three entries**, and one for **Ch. 10-end**, which will also consist of at least **three entries**. See example entry for Ch. 1-9 below and follow this template for your entries. Your entries should be chronological, thus showing your understanding of the progression of the book.

- Entry # ___
- Impression of value (literary or language terms, intended audience, purpose, textual conventions, author's message, ideology, structure, etc.):
The structure of the book deviates in Chapters 5 and 9 from Chris's story to that of other adventurers/explorers who acted similarly. Krakauer seems to do this in order to debunk the myth believed by some that Chris is crazy – or if he is, he is not the only one, and his story does not stand alone in the context of history. He also seems to share these stories in order to confirm the criticism of native Alaskans who recognize that others have acted similarly to Chris in the past, and that they are all deluded. Either way, the reader learns that Chris's story, while likely different from anything they have ever experienced, is not singularly unique.

- Quotations to support:
 - 1) *"The prevailing Alaska wisdom held that McCandless was simply one more half-cocked greenhorn who went into the country expecting to find answers to all his problems..." (Krakauer 72).*
 - 2) *"Some insight into the tragedy of Chris McCandless can be gained by studying predecessors cut from the same exotic cloth" (Krakauer 85).*
- Further commentary (provide additional context and/or language analysis of the quotes, offer more holistic analysis of how this section is important to the book, make connections to other parts of the book it relates to, etc.):

In order to foster a sense of authenticity in the accounts that comprise Krakauer's impressions of McCandless, Krakauer tends to integrate dialect into his commentary, such as the informal back country phrasing of "half-cocked greenhorn". Most people in our area have probably not heard this phrase before, but it is easy to translate it to a broader, more well-known colloquialism, such as "nutjob". Krakauer also tends to directly state his intentions at certain points, as he does in the second quote above, a helpful device in a book with a mosaic structure that strays from the main storyline several times. This section of the book provides more background on people similar to Chris, allowing the reader to explore the psychological and sociological implications of his decisions, while also connecting to the author's note and other parts of the book where the thoughts of native Alaskans are voiced.

Dialectical Journal Into The Wild

Into the Wild Jon Krakauer, 2009-09-22 NATIONAL BESTSELLER In April 1992 a young man from a well to do family hitchhiked to Alaska and walked alone into the wilderness north of Mt McKinley Four months later his decomposed body was found by a moose hunter This is the unforgettable story of how Christopher Johnson McCandless came to die It may be nonfiction but *Into the Wild* is a mystery of the highest order Entertainment Weekly McCandless had given 25 000 in savings to charity abandoned his car and most of his possessions burned all the cash in his wallet and invented a new life for himself Not long after he was dead *Into the Wild* is the mesmerizing heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention Immediately after graduating from college in 1991 McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir In the Mojave Desert he abandoned his car stripped it of its license plates and burned all of his cash He would give himself a new name Alexander Supertramp and unencumbered by money and belongings he would be free to wallow in the raw unfiltered experiences that nature presented Craving a blank spot on the map McCandless simply threw the maps away Leaving behind his desperate parents and sister he vanished into the wild Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life Admitting an interest that borders on obsession he searches for the clues to the drives and desires that propelled McCandless When McCandless's innocent mistakes turn out to be irreversible and fatal he becomes the stuff of tabloid headlines and is dismissed for his naivet pretensions and hubris He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge Krakauer brings McCandless's uncompromising pilgrimage out of the shadows and the peril adversity and renunciation sought by this enigmatic young man are illuminated with a rare understanding and not an ounce of sentimentality *Into the Wild* is a tour de force The power and luminosity of Jon Krakauer's storytelling blaze through every page

To Build a Fire Jack London, 2008 Describes the experiences of a newcomer to the Yukon when he attempts to hike through the snow to reach a mining claim

Into Thin Air Jon Krakauer, 1998-11-12 1 NATIONAL BESTSELLER The epic account of the storm on the summit of Mt Everest that claimed five lives and left countless more including Krakauer's in guilt-ridden disarray. A harrowing tale of the perils of high altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism. PEOPLE A bank of clouds was assembling on the not so distant horizon but journalist mountaineer Jon Krakauer standing on the summit of Mt Everest saw nothing that suggested that a murderous storm was bearing down. He was wrong. By writing *Into Thin Air* Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly Krakauer remains haunted by the disaster and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of *Into Thin Air* includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. I have no doubt that Boukreev's intentions were good on summit day, writes Krakauer in the postscript dated August 1999. What disturbs me though was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients. As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since *Into Thin Air*'s denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston DeWalt, who coauthored *The Climb*. Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters, a prestigious prize intended to honor writers of exceptional accomplishment. According to the Academy's citation, Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic solitary sport, while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind.
