Orlov,2009 This volume explores the formative theophanic patterns found in pseudepigraphical writings as 2 Enoch Apocalypse of Abraham and the Ladder of Jacob where the visual tradition of the divine Form and the aural tradition of the divine Name undergo their creative conflation and thus provide the rich conceptual soil for the subsequent elaborations prominent in later patristic and rabbinic traditions The visionary and aural traditions found in the Slavonic pseudepigrapha are especially important for understanding the evolution of the theophanic trends inside the eastern Christian environment where these Jewish apocalyptic materials were copied and transmitted by generations of monks [Command Of The Air](#) General Giulio Douhet,2014-08-15 In the pantheon of air power spokesmen Giulio Douhet holds center stage His writings

more often cited than perhaps actually read appear as excerpts and aphorisms in the writings of numerous other air power spokesmen advocates and critics Though a highly controversial figure the very controversy that surrounds him offers to us a testimonial of the value and depth of his work and the need for airmen today to become familiar with his thought The progressive development of air power to the point where today it is more correct to refer to aerospace power has not outdated the notions of Douhet in the slightest In fact in many ways the kinds of technological capabilities that we enjoy as a global air power provider attest to the breadth of his vision Douhet together with Hugh Boom Trenchard of Great Britain and William Billy Mitchell of the United States is justly recognized as one of the three great spokesmen of the early air power era This reprint is offered in the spirit of continuing the dialogue that Douhet himself so perceptively began with the first edition of this book published in 1921 Readers may well find much that they disagree with in this book but also much that is of enduring value The vital necessity of Douhet s central vision that command of the air is all important in modern warfare has been proven throughout the history of wars in this century from the fighting over the Somme to the air war over Kuwait and Iraq

**The Poisonwood Bible**

Barbara Kingsolver, 2009-10-13 New York Times Bestseller Finalist for the Pulitzer Prize An Oprah's Book Club Selection  
Powerful Kingsolver has with infinitely steady hands worked the prickly threads of religion politics race sin and redemption into a thing of terrible beauty Los Angeles Times Book Review The Poisonwood Bible now celebrating its 25th anniversary established Barbara Kingsolver as one of the most thoughtful and daring of modern writers Taking its place alongside the classic works of postcolonial literature it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa The story is told by the wife and four daughters of Nathan Price a fierce evangelical Baptist who takes his family and mission to the Belgian Congo in 1959 They carry with them everything they believe they will need from home but soon find that all of it from garden seeds to Scripture is calamitously transformed on African soil The novel is set against one of the most dramatic political chronicles of the twentieth century the Congo's fight for independence from Belgium the murder of its first elected prime minister the CIA coup to install his replacement and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy Against this backdrop Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa a tale indelibly darkened by her own losses and unanswerable questions about her own culpability Also narrating the story by turns are her four daughters the teenaged Rachel adolescent twins Leah and Adah and Ruth May a prescient five year old These sharply observant girls who arrive in the Congo with racial preconceptions forged in 1950s Georgia will be marked in surprisingly different ways by their father's intractable mission and by Africa itself Ultimately each must strike her own separate path to salvation Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility

Pleasure Unbound Larissa Ione, 2008-07-01 In this dark and intriguing paranormal romance from New York Times bestselling author Larissa Ione a forbidden romance turns deadly when a slayer is tasked with killing the demon who saved her life In a place where ecstasy can cost you your life She's a demon slayer who hungers for sensual pleasure but fears it will always be denied her Until Tayla Mancuso lands in a hospital run by demons in disguise and the head doctor Eidolon makes her body burn with unslakable desire But to prove her ultimate loyalty to her peers she must betray the surgeon who saved her life Two lovers will dare to risk all Eidolon cannot resist this fiery dangerous woman who fills him with both rage and passion Not only is she his avowed enemy but she could very well be the hunter who has been preying upon his people Torn between his need for the truth and his quest to find his perfect mate before a horrific transformation claims him forever Eidolon will dare the unthinkable and let Tayla possess him body and soul      **Angels & Demons** Dan Brown, 2006-05-23 The murder of a world famous physicist raises fears that the Illuminati are operating again after centuries of silence and religion professor Robert Langdon is called in to assist with the case      **How to Cast Out Demons and Break Curses** Bill Subritzky, 1991-11-01      *Brothers, We are Not Professionals* John Piper, 2013 John Piper pleads with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry      **Suffering**

**and the Sovereignty of God** John Piper, Justin Taylor, 2006-09-13 In the last few years 9 11 a tsunami Hurricane Katrina and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous Against the overwhelming weight and seriousness of the Bible many Christians are choosing to become more shallow more entertainment oriented and therefore irrelevant in the face of massive suffering In *Suffering and the Sovereignty of God* contributors John Piper Joni Eareckson Tada Steve Saint Carl Ellis David Powlison Dustin Shramek and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word They urge readers to look to Christ even in suffering to find the greatest confidence deepest comfort and sweetest fellowship they have ever known *Fear and Trembling* Søren Kierkegaard, 2013-01-18 In our time nobody is content to stop with faith but wants to go further It would perhaps be rash to ask where these people are going but it is surely a sign of breeding and culture for me to assume that everybody has faith for otherwise it would be queer for them to be going further In those old days it was different then faith was a task for a whole lifetime because it was assumed that dexterity in faith is not acquired in a few days or weeks When the tried oldster drew near to his last hour having fought the good fight and kept the faith his heart was still young enough not to have forgotten that fear and trembling which chastened the youth which the man indeed held in check but which no man quite outgrows except as he might succeed at the earliest opportunity in going further Where these revered figures arrived that is the point where everybody in our day begins to go further
