Obedience to the collective is so deeply ingrained that the very word I has been erased from the language. In pursuit of his quest for knowledge Equality 7-2521 struggles to answer the questions that burn within him questions that ultimately lead him to uncover the mystery behind his society's downfall and to find the key to a future of freedom and progress. Anthem anticipates the theme of Rand's first best seller The Fountainhead which she stated as individualism versus collectivism not in politics but in man's soul.
