Français Interactif Karen Kelton, Nancy Guilloteau, Carl Blyth, 2019-08-15 This textbook includes all 13 chapters of Français interactif. It accompanies www.laits.utexas.edu/ifi the web-based French program developed and in use at the University of Texas since 2004 and its companion site www.laits.utexas.edu/tex. Français interactif is an open access site, a free and open multimedia resource which requires neither password nor fees. Français interactif has been funded and created by Liberal Arts Instructional Technology Services at the University of Texas and is currently supported by COERLL, the Center for Open Educational Resources and Language Learning, UT Austin and the U.S. Department of Education Fund for the Improvement of Post-Secondary Education FIPSE Grant P116B070251 as an example of the open access initiative.

The Terrible Privacy of Maxwell Sim Jonathan Coe, 2011-03-08 Maxwell Sim can't seem to make a single meaningful connection. His absent father was always more interested in poetry; he maintains an e-mail correspondence with his estranged wife, though under a false identity; his incomprehensible teenage daughter prefers her BlackBerry to his conversation and his best friend since childhood is refusing to return his calls. He has seventy-four friends on Facebook but nobody to talk to. In an attempt to stir himself out of this horrible rut, Max quits his job as a customer liaison at the local department store and accepts a strange business proposition that falls in his lap by chance: he's hired to drive a Prius full of toothbrushes to the remote Shetland Islands, part of a misguided promotional campaign for a dental hygiene company intent on illustrating the slogan "We Reach Furthest But." Max's trip doesn't go as planned as he's unable to resist making a series of impromptu visits to important figures from his past who live en route. After a string of cruelly enlightening and intensely awkward misadventures, he finds himself falling in love with the soothing voice of his GPS system, Emma, and obsessively identifying with a sailor who perpetrated a notorious hoax and subsequently lost his mind. Eventually, Max begins to wonder if perhaps it's a severe lack of self-knowledge that's hampering his ability to form actual relationships. A humane satire and modern-day picaresque, *The Terrible Privacy of Maxwell Sim* is a gently comic and rollickingly entertaining novel about the paradoxical difficulties of making genuine attachments in a world of advanced communications technology and rampant social networking.

The Cambridge Companion to the Writings of Julius Caesar Luca Grillo, Christopher B. Krebs, 2018 Well known as a brilliant general and politician, Caesar also played a fundamental role in the formation of the Latin literary language and history of Latin literature. This volume provides both a clear introduction to Caesar as a man of letters and a fresh re-assessment of his literary achievements.

An Introduction to Language and Linguistics Ralph Fasold, Jeffrey Connor-Linton, 2006-03-09 This accessible textbook offers balanced and uniformly excellent coverage of modern linguistics.

Self-Esteem and Foreign Language Learning Fernando Rubio, 2021-02-19 Self-Esteem and Foreign Language Learning deals with a topic which has been given surprisingly little attention in Second and Foreign

Language Acquisition studies Although there are several studies dealing with general education this volume addresses the need to take self esteem into consideration in the language classroom and adopts both theoretical research and practical perspectives with the hope of being useful for both researchers and practitioners The book is organized into three main parts Part I serves as an introduction to self esteem Part II reports on the existing literature about the theory and research dealing with self esteem and foreign language learning and Part III includes procedures for implementation and activities for classroom applications Self Esteem and Foreign Language Learning is edited by Fernando Rubio PhD a researcher and teacher at the University of Huelva in Spain Most of the chapters have been written by members of the research group Affective factors in language learning which has also published a book on Multiple Intelligences and the teaching of English Dr Jane Arnold Dr Carmen Fonseca etc There are two outside contributions one is by Andrew Wright author of numerous publications for language teachers and the other by Veronica de Andr s teacher trainer from the University of El Salvador Argentina and member of the executive board of the International Council for Self Esteem Dr Elaine Horwitz of the University of Texas has contributed a preface *English in Mind Level 1 Student's Book with DVD-ROM* Herbert Puchta, Jeff Stranks, 2010-02-25 This second edition updates a course which has proven to be a perfect fit for classes the world over Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students Popular course features have been refreshed with new content including the imaginative reading and listening topics Culture in Mind and Everyday English sections New for the second edition is a DVD ROM with the Level 1 Student s Book containing games extra exercises and videos featuring the photostories characters as well as a Videoke record yourself function There is a full Vocabulary bank at the back of the book which expands upon lexical sets learned in the units

Spanish Sentence Builders - A Lexicogrammar Approach Dylan Viñales, Gianfranco Conti, 2021-05 This is the newly updated SECOND EDITION This version has been fully re checked for accuracy and re formatted to make it even more user friendly following feedback after a full year of classroom use by thousands of teachers across the world Spanish Sentence Builders is a workbook aimed at beginner to pre intermediate students co authored by two modern languages educators with over 40 years of extensive classroom experience between the two both in the UK and internationally This no frills book contains 19 units of work on very popular themes jam packed with graded vocabulary building reading translation retrieval practice and writing activities Key vocabulary lexical patterns and structures are recycled and interleaved throughout Each unit includes 1 A sentence builder modelling the target constructions 2 A set of vocabulary building activities 3 A set of narrow reading texts exploited through a range of tasks focusing on both the meaning and structural levels of the text 4 A set of retrieval practice translation tasks 5 A set of writing tasks targeting essential micro skills such as spelling lexical retrieval syntax editing and communication of meaning Based on the Extensive Processing Instruction E P I principle that learners learn best from comprehensible and highly patterned input flooded with the target linguistic features the authors have

carefully designed each and every text and activity to enable the student to process and produce each item many times over This occurs throughout each unit of work as well as in smaller grammar vocabulary and question skills micro units located at regular intervals in the book which aim at reinforcing the understanding and retention of the target grammar vocabulary and question patterns

At the Periphery of the Center Thomas J.D. Armbrecht,2007-01-01 At the Periphery of the Center is the first comparison of two of France s most important twentieth century authors Julien Green and Marguerite Yourcenar It examines textual elements in their plays and novels to draw conclusions about the ways that they represent homosexuality in their texts Both Yourcenar and Green turned to drama to explore aspects of same sex desire that they felt unable to express in their prose The analysis of their plays shows that an emphasis on dialogue and action makes drama a particularly appropriate genre for writing about homosexuality because it affords an author distance and therefore protection from the proclivities of his characters The chapters on the novel show by contrast how prose fiction allows an author to explain a character s sexuality with a degree of subtlety difficult to achieve in theatre Variations in narration and paratext allow writers to avoid condemning discourses and to find an original means of expression instead At the Periphery brings a new textually centered approach to Green s and Yourcenar s works that is unlike the psychological analyses that often typify queer readings It will be of great interest to scholars of twentieth century French literature and of Gender Studies The book will also appeal to non academic readers however since it is about two French authors who were also American citizens and who wrote about US history and contemporary culture
