The Fellowship of the River Joseph Tafur MD, 2017-03-10 Western medicine has not been particularly successful at getting people relief from conditions like depression chronic pain migraine headaches addiction and PTSD Dr Tafur helps us to understand why I have watched people spend years in frustration and thousands of dollars consulting an army of specialists without getting real relief from their problem Because these and others are diseases deeply connected with the state of our emotional bodies Too often the Western medical approach fails to address the emotional dimension of illness This is where traditional plant medicines with their ability to alter consciousness and open channels of communication to our emotions offer so much promise The stories shared here demonstrate the astonishing mystical colorful metaphysical effects of ayahuasca and Traditional Amazonian Plant Medicine Follow Dr Tafur through the Amazon jungle as he develops a breakthrough understanding of how psychoactive plants interact with the complex network that connects our minds and hearts to our physical anatomy What Dr Tafur presents here is nothing short of a paradigm shift for modern medicine where sacred plants used properly in ceremony take their place as important tools in the doctor's medicine chest offering the missing elements of emotional and spiritual healing that have eluded us for so long For more information about The Fellowship of The River please visit <https://drjoetafur.com> the fellowship of the river

Zig Zag Zen Allan Hunt Badiner, Alex Grey, 2002-04 Buddhism and psychedelic experimentation share a common concern the liberation of the mind Zig Zag Zen launches the first serious inquiry into the moral ethical doctrinal and transcendental considerations created by the intersection of Buddhism and psychedelics With a foreword by renowned Buddhist scholar Stephen Batchelor and a preface by historian of religion Huston Smith along with numerous essays and interviews Zig Zag Zen is a provocative and thoughtful exploration of altered states of consciousness and the potential for transformation Accompanying each essay is a work of visionary art selected by artist Alex Grey such as a vividly graphic work by Robert Venosa a contemporary thangka painting by Robert Beer and an exercise in emptiness in the form of an enso by a 17th century Zen abbot Packed with enlightening entries and art that lie outside the scope of mainstream anthologies Zig Zag Zen offers eye opening insights into alternate methods of inner exploration

Ayahuasca Reader Luis Eduardo Luna, Steven F. White, 2016 The Ayahuasca Reader is an expansive anthology of texts translated from several different languages covering multiple aspects of the ayahuasca experience The book is a classic in ayahuasca literature and a must read for those interested in learning more about this sacred plant medicine

Sh*t the Moon Said Gerard Powell, 2018-01-30 It was during my eighth or ninth plant medicine journey that I was finally getting a real sense of freedom I was feeling so elated that I told the moon I had a special request I explained that this life had been so full of pain for me that I didn't think I could do it all again So I asked her if in my next life she could make sure that I found the plant medicine as soon as possible Her reply floored me She typed Gerry that's a request about next time but it's the same one you used last time Plant medicine The moon typing It probably seems incomprehensible Gerard Armond Powell was

a rags to riches success story a member of the 1 percent but also an extremely unhappy person with multiple addictions On a fast track to destroying every relationship that ever mattered to him and considering suicide he was looking for a miracle a way out He found it in the form of plant medicine and a shaman who introduced him to the truth of his life and laid the groundwork for a psycho spiritual journey that would lead him to reconnect with his soul heal his addictions and finally achieve a lasting sense of peace and happiness This experience changed Powell and convinced him to share the universal truths he learned with as many people as he could which he does at the acclaimed Rythmia Life Advancement Center in Costa Rica and now with readers in *Sh t the Moon Said* This mesmerizing story gives readers a blueprint to chart their own course to happiness The first step is to learn who they really are and the possibilities of what they can still become Second they have to achieve a reconnection with their souls And third they must heal their hearts *Sh t the Moon Said* provides us with an irreverent way of highlighting our shared unconscious wisdom and its life changing potential Powell s candid tale and unlikely journey will help inspire readers to know themselves better and to find the path to their own greatest redemption

Psychedelic Marine Alex Seymour, 2016-08-15 A vivid portrait of both the traumas of war and the shamanic healing ceremonies of ayahuasca Explains how our culture lacks rites of passage and how shamanic ritual can fill this gap Reveals how ayahuasca frees your consciousness from inherited beliefs fears and traumatic experience allowing healing from PTSD enabling genuine growth and offering an enlightening path out of the malaise discontent and dissatisfaction that life in a modern world often brings Details the author s experiences in Afghanistan sailing on the Amazon river with a shaman and the many ayahuasca ceremonies he experienced in the jungle After returning from a tour of duty during the war in Afghanistan Alex Seymour needed a way to cope with the extremes he experienced as a member of the Royal Marine Commandos losing 7 men in his unit and having his best friend critically injured by a Taliban bomb Drawing upon his pre deployment experiences Alex knew that entheogens could help him release his fears and traumas But he also knew that simply taking psychedelics wasn t enough he needed ceremony something sacred to draw meaning from his experiences to help him reassess not only the war and his role in it but his entire life So he set out for the Amazon in search of the hallucinogenic brew known as ayahuasca and a shaman to guide him The result is a crazy page turning adventure where he journeys deep into the jungle and himself Alex soon finds himself deep within the jungle on an incredible adventure sailing on the Amazon river with an ayahuasca shaman and his troop of 8 female shamans whose ethereal songs help guide participants during the nightly ayahuasca ceremonies Accompanied by others seeking wisdom and a redemptive experience from their First World professional lives Alex finds his core beliefs fundamentally challenged replaced by the power of direct experience of the sacred which allows him to release his fears from the war and set an inspiring path for the future Painting a vivid portrait of both the anguish of war and the transcendent world of shamanic ritual the author shows how young people often enlist in the military to satisfy our human need for a rite of passage into adulthood a ritual sorely missing in our culture

He explores how ayahuasca can offer a way to help soldiers prepare for war and help combat veterans heal from war and overcome PTSD as well as alcoholism and addiction From Afghanistan to the Amazon the author shows how ayahuasca frees your consciousness from inherited beliefs and fears offering a truly transformative rite of passage [Ayahuasca Wisdom](#)
