Off Sides Sawyer Bennett, 2013-02-21 I m not sure what possessed me to do it Maybe it was the impossible expectations I faced maybe it was my own self loathing But I just knew I needed something different to happen I needed someone something to derail me from my current path Otherwise I would become lost a hollowed out shell of a man So I did it I approached her then I pursued her then I made her mine And my life was saved Ryan Burnham is the privileged son of a U S Congressman and captain of his university s hockey team While he is on the verge of fulfilling his dreams to play in the NHL his parents want him on a different course One he is expected to accept for the sake of his family s public image Forced to abandon her music career after the heart breaking death of her parents Danny Cross exists on the opposite side of the tracks from Ryan She is struggling to make her own way working two jobs attending college part time and volunteering in a homeless shelter She is on a mission to build her own success With a chance meeting their vastly different worlds collide causing each to evaluate whether they are truly on the correct path to self fulfillment and happiness Can their relationship survive Particularly when others are against them every step of the way A lot can happen in just ten short days Note From Sawyer Bennett This book is part of the Off Series but it can be read as a stand alone book Nothing in the prior or subsequent books will diminish your understanding of this novel This is a New Adult Contemporary Romance Off Sides Book 1 Off Limits Book 2 Off The Record Book 3 Off Course Book 4 Off Chance Book 5 **Wicked Favor Sawyer Bennett**, 2017-06-05 New York Times bestselling author Sawyer Bennett is happy to introduce a new Wicked Horse club in Las Vegas and you re cordially invited to attend the grand opening As the owner of The Wicked Horse an elite sex club located along the Vegas Strip I never spend the night alone I don t grant favors and will rarely give you the time of day unless I want you in my bed So when the sister of my sworn enemy shows up asking for help saying no should be easy But all I see is the opportunity to help this beautiful woman while exacting revenge on her brother and I am not about to pass that up Beaten and bruised Trista Barnes is running out of options and unfortunately for her I m her last chance to get out of the mess she s in She doesn t know why I despise her brother so much but as long as I can help her she doesn t care And while I am more than happy to keep her safe I intend to do so while opening her up to a sinful world she never knew existed As Trista falls into the wicked world of guilt free pleasure with no regrets my feelings of possessiveness begin to grow But when she finds out I used her as my pawn for revenge my wicked favor may cost me everything The Revelation of Light and Dark Sawyer Bennett, 2021-02-09 I always knew I was different From a young age my mind has been plagued with things only I could see Some hauntingly beautiful others completely terrifying Never knowing if these visions were real or just hallucinations I learned how to lock them down and ignore them I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for But just when I think my life is getting on track and my

dreams are achievable a moment of weakness causes me to learn a hard and fast lesson My entire existence has been a lie Now I'm faced with a new reality that's as implausible as it is fantastical Filled with realms and veils light and dark fae and daemons gods and angels things I don't understand but am forced to acknowledge It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne one of Seattle's richest and most powerful men He intimidates annoys and intrigues me all at the same time I don't trust him and yet there's no one else to help me No longer certain who to put my faith in what to believe or how I fit into it all one revelation is clear The world as I know it will never be the same again The Revelation of Light and Dark is book one of the Chronicles of the Stone Veil series and is best enjoyed if read in series order *The Pecker Briefs* Sawyer Bennett,2018-04-17 I never thought a pecker would get me in so much trouble I mean sure if you're talking about a certain anatomical feature of mine that the ladies just love Given my bachelor status and appreciation for all things curvy and feminine I could absolutely see that But a different pecker is making my life much harder than it needs to be My name is Ford Daniels partner at the law firm of Knight Payne and my latest case has me wading through the finer points of peckers woodpeckers that is Specifically the red cockaded woodpecker I swear I can't make this stuff up but that's what the sexy as hell blonde chained to a tree told me this morning Her name is Viveka Jones and she is so much more than a pretty face She's got wit charm and razor sharp smarts Turns out my client is looking to bulldoze the red cockaded woodpecker's natural habitat in favor of a multimillion dollar subdivision and the sexy attorney with legs for days and days just happens to be counsel for an animal rights group looking to put a halt to construction My client's pissed but all I can think about is getting Viveka across the table from me And then on the table underneath me Perhaps up against the wall And then Well let's just say when it's all said and done I'm hoping the red cockaded woodpecker isn't the only pecker that gets some attention from Miss Viveka Jones Off Chance Sawyer Bennett,2014-05-09 He is seeking absolution Flynn Caldwell has a hero complex and it's one of the reasons he joined the New York City Fire Department He has spent his entire professional career trying to atone for that one person he failed to save Because if he can do that then perhaps he can be worthy of love again She is seeking escape Rowan Page's life is nothing short of a disaster Always immersed in trouble she has only herself to depend on She's determined to pull herself out of this mess and make something of her life despite the hard years she has lived on the streets of New York Together they have the chance to become complete Flynn and Rowan's worlds exist miles apart but when a chance meeting brings them together neither of them can deny the instant pull that connects them to each other What starts as a tiny spark eventually flares into a fire so hot it refuses to be extinguished For it to work both of them will need to jump feet first into the flames to see where it takes them despite the risk of being burned This is book 5 in the Off Series While certain characters cross over from the Off Books you do not need to read the prior books to understand this one This can be read as a stand alone Book 1 Off Sides Book 2 Off Limits Book 3 Off The Record Book 4 Off Course Book 5 Off Chance **A Discovery of Secrets and Fate** Sawyer

Bennett,2021-03-02 Life as I knew it ended the day I accepted my fate In its place is an existence even the wildest imagination could never fathom Strange creatures walk among us plotting our demise and I ve come to find that the fate of our world rests squarely on my shoulders We re all in danger and I m trying to figure out how to make it through each day The key to my survival is a man I can t figure out As dangerous as the darkest fae I have no choice but to work with him to stop the prophecy that s foretold to be the ruination of mankind Carrick Byrne continues to be my only source of information but he doles it out as he sees fit He intrigues and scares me in equal measure yet I can t help but be attracted to him And the more I discover about him the more it becomes clear he feels the same As we travel to Faere in search of answers we find that every piece of information leads to more questions that every question leads to a new piece of the puzzle and that most importantly no one can be trusted The more secrets we uncover one thing is certain if we have any chance of saving the world we have to do it together A Discovery of Secrets and Fate is book two of the Chronicles of the Stone Veil series and is best enjoyed if read in series order

Code Name: Tiara Sawyer Bennett,2021-09-07 I joined Jameson Force Security for three reasons the missions the danger and the money I definitely didn t join the team to be an overpriced babysitter for a spoiled princess Ask anyone who knows me and they ll tell you Jackson Gale is an adventurer through and through Yet here I am halfway across the world watching over Princess Camille of the House Winterbourne Even her name sounds stuck up After arriving in Bretaria I realize that Princess Camille is nothing that I expected Beautiful smart and sophisticated Camille is the very picture of elegance and grace But under her perfect fa ade she is funny adventurous sexy as hell and impossible to resist And that is a dangerous combination The closer Camille and I become the more obvious it is that while she and I are compatible in many ways our destinies are not She has a duty to the monarchy and I m just an average American who s fallen for a princess Everyone says we can t be together but how does one walk away from the other half of their heart

Baden Sawyer Bennett,2022-01-11 After suffering a horrific injury that threatens to end his career Baden Oulett is about to learn that sometimes a fresh start is just what the doctor ordered I worked my whole life to achieve one goal play professional hockey As part of the defending Cup champion Arizona Vengeance I was living my dream until one split second decision destroyed it all Instead of lacing up my skates and hitting the ice I ve spent my days in rehab and physical therapy just so I could walk again When a coaching opportunity with the Pittsburgh Titans is presented to me I find myself with a career I had never considered but which allows me to continue being part of the sport that I love While my

injuries are physical the same can't be said for the woman I rescued Suffering from wounds that can't be seen Sophie Winters has withdrawn from the world in fear and guilt I didn't know Sophie before that fateful night and have only met her once since but I refuse to let her face her demons alone Determined to be a friend I support Sophie in the only way I know how by simply being there Through our shared trauma Sophie and I begin to find peace within one another As we grow closer what started as friendship becomes more intimate until our broken pieces become one But can a love born of anguish endure or will the pain of our past prove too much to overcome *Wicked Knight* Sawyer Bennett,2019-01-01 He never wanted to be anyone's hero Some would call me irrevocably broken I submerge myself in long work hours by day and debauchery at The Wicked Horse by night using those things to numb the pain and guilt I feel over the death of my wife What isn't satisfied by one will surely be resolved by the other At least that's how I've survived the last few years But things change when Hannah Madigan shows up at my door the newest employee sent by the company that cleans my apartment Beat down by life not to mention a cheating husband who was unfairly awarded custody of their daughter Hannah is determined to make a better life for herself and get her kid back even if it means working three jobs to do so One costly mistake puts Hannah in my debt and I'm not about to let the chance to have this dark haired beauty pass me by She's given a golden opportunity Determined to stay the course by any means necessary Hannah accepts my less than professional offer I'll give her a job She'll give me her body Sounds easy right Until the scales tip and I find myself needing her in ways I'm not ready to admit Until I find that saving someone else may just mean allowing myself to be saved in return *Ain't He Precious?* Sawyer Bennett,2017-04-11 Welcome to Whynot North Carolina population 3 872 It has one stoplight one bar and the one and only Trixie Mancinkus Eleven years ago Trixie graduated Harvard Law turned down a job offer from one of the most prestigious law firms in Boston and headed home to Whynot to open her own firm Not only did she leave behind the big city but she also left her boyfriend of three years And just so we're clear that would be me So what am I doing in Whynot at this very moment It seems Trixie needs help with a legal case and for some insane reason she called on me for assistance I've been in town for five minutes and I'm every bit as out of place as I feel Trixie is all sweet southern curves to my tailored suits and high priced haircuts It's a culture clash of north versus south and about the only thing we have in common is our physical attraction to each other But I have a new motto since coming to Whynot When life hands you lemons all you need is a little sex and sweet tea to make things better **Off Limits** Sawyer Bennett,2019-02-21 *Off Season* Sawyer Bennett,2014-12-16 What happens when a one night stand turns into a long distance friendship and yet both yearn for more Cady Dunne decided to roll the dice when she jumped into bed with sexy professional hockey player Zane Kavanaugh It was supposed to be a one night stand and then it was supposed to be over After returning home to Dublin Cady in a million years never imagined Zane would reach out to her It was beyond comprehension to Zane that he would actually develop a close relationship with the Irish beauty forged over countless emails texts and phone calls But when feelings get deeper and they

are both ready to take the next step how do they get past the fact that there is an ocean separating their lives Maybe all they really need is a Christmas miracle *Riggs Sawyer Bennett,2021-10-26* Known as the team loner Riggs Nadeau gives his all on the ice but nothing extra off it A beautiful stranger is about to cause chaos in his very structured world As a professional hockey player people think I live a charmed life On the surface I do But they don t know the horrors of my childhood or the real reason that I have custody of my seventeen year old sister Janelle And that s exactly the way I like it They may think I m a prick because I don t like to share but that s fine They don t know me and they don t need to In an effort to help Janelle get settled in Phoenix and stay out of trouble at school I set her up with a job at Clarke s Corner the local bookstore owned by the girlfriend of a teammate It s there that she makes friends with Veronica Woodley the extremely annoying arrogant money hungry divorcee who I don t want anywhere near my sister Janelle insists I m completely wrong about Veronica but I refuse to accept that I have to keep reminding myself that that the gorgeous blond with legs for days is off limits Through a series of events I start to see Veronica for what she really is an amazing woman who has survived her own hell to come out even stronger I have to admit we re more alike than not and the attraction between us burns hot Maybe I was all wrong about my ability to love and commit but when the past comes back to haunt me can I be the man that Veronica and Janelle deserve

Off Course Sawyer Bennett,2014-05-09 Renner Caldwell has her life perfectly mapped out She has the ideal relationship the perfect job and all is right in her world When a shameful turn of events happens she boards the first plane bound for Ireland to lick her wounds and get her head back on straight Cillian O Braidagh is the sexy front man to the Irish rock band Over The Edge His rising fame and sultry voice make him every woman s fantasy come true Not to mention his single minded determination To put it simply what Cillian wants Cillian always gets And he wants Renner because there s just something about the flame haired beauty he has to possess If their relationship was just about sex and rock n roll it would be easy for them to get lost in their desires Only their relationship is anything but a hook up Will lies deceit and hidden tragedy get in the way making the path to true love uncertain Or will the girl whose been knocked Off Course find her footing with the man who is teaching her it s okay to lose control *Off Duty Sawyer Bennett,2015-07-17* The novella Off Duty was originally published as part of the Night Shift Dirty Things Happen in the Dark anthology which released on March 17 2015 If you purchased that boxed set you already have a copy of this book and do not need to purchase it again As a member of the New York Fire Department single father Tim Davis is about as tough as they come But underneath the muscles and tattoos he still nurses a bruised heart handed to him courtesy of his first love While on vacation with his son in New Orleans Tim runs into the very woman that taught him about love before pulling it all away Holly Reynolds is rebuilding her life as an orthopedic doctor far away from her home in New York City and her controlling father the man responsible for tearing her and Tim apart While she knows the hurt she caused Tim could never be forgiven she can t help the overwhelming feelings she still has for her first and deepest love Truths are revealed as lies are exposed Two people come back together again to explore the

fragile emotional bonds that still keep them tethered even as their passion ignites hotter than any fire Tim has ever had to put out before *On the Rocks* Sawyer Bennett,2014-02-17 Hunter Markham left home to travel the world for fame and glory finding it as a top ranked professional surfer Now he s returned home to the sand and salty breeze of the North Carolina Outer Banks so he can open The Last Call a beach bar nestled among the dunes of the Atlantic Five years ago Gabby Ward drunkenly threw herself at her best friend s brother only to have her young heart crushed Hunter is back but Gabby is content to stay far away from him and his dangerously charming ways Gabby s well schemed plans to ignore Hunter go up in flames when he presents her an offer she simply can t refuse Working together day in and day out proves problematic for two reasons Gabby realizes her feelings for Hunter are still very much alive while Hunter struggles to break through to Gabby s cold heart What starts out as a mutual business arrangement soon turns into a passion that neither can deny But when the pro surfing tour comes knocking and Hunter has a chance to reclaim his former glory hard choices lie ahead for both of them Choices that could destroy what they have built or take them further than they could ever dare to hope in their second chance at romance *Wicked Fall* Sawyer Bennett,2015-07-28
