An essential and entertaining users' guide to Minecraft by a wildly popular YouTube phenom! This full color, user-friendly guide to one of the most popular computer games in the world is written by THEMinecraft expert in Germany, 19-year-old ConCrafter, who has more than 1.1 million followers on YouTube. In this book - which is part guide and part gaming memoir - ConCrafter shares personal stories alongside newMinecraft tricks, awesome commands that gamers will love, and exclusive facts that will blow readers' minds. A must-have for all beginner and intermediate-level players of Minecraft and fans of ConCrafter! The Command Block is without question the most powerful tool in Minecraft, and it's also one of the least understood by most players. This is because the Command Block cannot be crafted without using console commands—the systems that Command Blocks use are entirely script and coding based. That being said, the quickest, most powerful, and most thorough way to activate many special features in Minecraft is to use Command Blocks. With The Ultimate Guide to Mastering Command Blocks, you'll learn to send messages to an entire server, change the time of day or weather, teleport a person, and automate processes. Now, the keys to these strategies are available to all 'Crafters through this book. Minecraft construction is the ultimate way to get creative. Players build castles, famous structures, and even entire cities with the game's construction materials. Filled with fun tips, readers will learn the ins and outs of construction and be inspired by other gamers' creations. Screenshots and sidebars that highlight STEM and coding concepts round out the experience. You're alone in a mysterious new world, full of hidden dangers. You have only minutes to find food and shelter before darkness falls and the monsters come looking for you. What do you do? The Official Minecraft Beginner's Handbook might just save your life. Learn how to make a shelter, find resources, craft tools, armour and weapons, and protect yourself from monsters. With tips from Minecraft experts, as well as creator Notch himself, this is the definitive guide to how to survive your first few days in Minecraft. "A book that goes beyond basic-level play of the popular Minecraft computer game covers such topics as automating all aspects of mining, harvesting and building tasks; generating infinite ores on demand; building mob spawners and traps for fast experience gains; sharing one's creations with the world and much more."--Publisher.
