Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California. This

is a comprehensive guide to buying, using, maintaining and even building a light trailer, up to 3.5 tones in weight. Brian provides information that will be invaluable to both novice and experienced trailer users, including authoritative details on the latest legislation affecting trailer usage. A complete technical manual and troubleshooting guide for motorhomes, travel trailers, fifth-wheels, tent trailers, truck campers, and van conversions. Want More Freedom and Travel in Your Life? One of the First Manuals on Car Camping and Recreational Vehicles This deluxe unabridged reprint Legacy Edition of Elon Jessup's historic The Motor Camping Book is full of classic tips and methods for making the most out of**

your car camping and recreational vehicle trips. As one of the first books on RVs and car camping published originally in 1921, this vintage book is an essential text for seeing how car camping, trailer life, and campers enjoyed themselves when cars were few and outdoors touring roads were all still covered in dirt! Jessup's analysis and discussion of car camping was ahead of its time. Jessup describes in detail some of the finer points of motor vehicle camping in its earliest days, including chapters on why we camp in our vehicles in the first place, what to pack in your car, water considerations, cooking kits and utensils, cooking fires, food boxes, sleeping arrangements and how to set up tents, car-based shelters in original motor cars, furnishing your campsite, staying out of trouble with common car-based challenges, where to camp with your car in 1921, and laws for motorists of the day. This vintage book includes timeless RV and motor vehicle camping topics. It makes a perfect gift for car campers, van life enthusiasts, trailer and camper RV die-hards, and anyone who longs to spend a weekend or longer in their RV, young and old! This is the classic manual of RVs, preserved for over a century! It also makes a great gift for outdoorspeople, bushcrafters, survivalists, campers, and scouts. Although this book represents thought from a former time, it also reveals much about the rich history of recreational vehicles, and many of the tips, tricks, and discussions are still relevant for study today!
