State of Fire Mar 08 2021 In June of 2013, on summer break from my first year of college, I started a job as a wildland firefighter with the Highlands 20, an initial attack handcrew, based out of the Sinlahekin Valley in North Central Washington. I had never before thought of fighting wildfire, but my bank account was in dire straits and, truth be told, so was my ego. However, I didn't start that summer looking for personal growth, I started it with nineteen other men, each of us looking for a seasonal gig that paid well. I was already a man and thought that I knew quite a bit about myself, about the world at large. But as that summer, and that fire season progressed; I found out that I still had so much to learn; I was both a rookie to wildland firefighting and a rookie in life. Through the trials of day-to-day life on the fireline, living and fighting wildfire with my fire crew, through the adrenaline, the danger, the laughter, the smoke, the blisters, I came to understand that it was far more than a paycheck that I was earning. I was learning, for the first time in a long while, who I really was and what I was made of. I was proving my worth to the fire crew. I was proving my worth to myself. This book evolved out of experiences from my four summers of fighting wildfire as well as to a promise I made to my fellow Highlands 20 crewmembers. I promised them that I would write a book about wildland fire fighting. At the time I had no idea what that would entail. But I knew what it would not. It would not be a book about hero-izing the exploits of wildland firefighters. No, bullshitting the reader with portrayals of wildland firefighters as faultless demigods with the morals of saints, the work ethic of Navy SEALs, and the looks of A-list Hollywood actors was never my intention. I make no claim to have been a perfect wildland firefighter, or to have never felt fear when putting my life on the line in battles with Nature. I know for a fact that there are many other fire crews that saw more action and were in far greater danger than the Highlands 20 or I ever were. This book is by no means the definitive book about wildland firefighting. That book would be impossible to write, as every person who fought wildfire has their own experiences that vary greatly from my own. What I have found is that there are no two fire seasons alike. And that my time spent on the fireline was a perfect balance of danger and laughter, of bravery and childlike awe, of crassness and brotherhood, of selflessness and evolution. *State of Fire* is neither an ultimate description of wildland firefighting nor a book of fire-filled heroism, so you might be asking then, what is its purpose? This is a book about wildland firefighting and the indelible marks it leaves on a person's soul. This book is about finding commonality by going through hardship with strangers, who soon become closer than family. It's about what can be learned from camaraderie, and what happens when you separate men from society and normalcy for months at a time. It's about love and loss, and the rebirth of one's self through the testing of mental, emotional, and physical strength. It is about coming to terms with one's limitations, and why challenges of every shade should not be shunned, but embraced. It is about finding meaning and worth, where once there was none. And most importantly, why these lessons were not only significant for me, but for everyone who picks up this book. This book represents - my path to, of, and away from wildland

firefighting. It should be noted that *State of Fire* is a collection of nine essays. Each essay deals with a different aspect of wildland firefighting. Therefore it does not have to be read in chronological order, as each essay is independent of the next. To honor all wildland firefighters, especially those who have lost their lives on the job, I will be donating 10% of all books sold to the Wildland Firefighter Foundation (wffoundation.org).

Luka and the Fire of Life Mar 12 2024 “You’ve reached the age at which people in this family cross the border into the magical world. It’s your turn for an adventure—yes, it’s finally here!” So says Haroun to his younger brother, twelve-year-old Luka. The adventure begins one beautiful starry night in the land of Alifbay, when Luka’s father, Rashid, falls suddenly into a sleep so deep that nothing and no one can rouse him. To save him from slipping away entirely, Luka embarks on a journey through the world of magic with his loyal companions, Bear, the dog, and Dog, the bear. Together they encounter a slew of fantastical creatures, strange allies, and challenging obstacles along the way—all in the hope of stealing the Fire of Life, a seemingly impossible and exceedingly treacherous task.

A Life on Fire Dec 09 2023 “How can women wear diamonds when babies cry for bread?” Kate Barnard demanded in one of the incendiary stump speeches for which she was well known. In *A Life on Fire*, Connie Cronley tells the story of Catherine Ann “Kate” Barnard (1875–1930), a fiery political reformer and the first woman elected to state office in Oklahoma, as commissioner of charities and corrections in 1907—almost fifteen years before women won the right to vote in the United States. Born to hardscrabble settlers on the Nebraska prairie, Barnard committed her energy, courage, and charismatic oratory to the cause of Progressive reform and became a political powerhouse and national celebrity. As a champion of the poor, workers, children, the imprisoned, and the mentally ill, Barnard advocated for compulsory education, prison reform, improved mental health treatment, and laws against child labor. Before statehood, she stumped across the Twin Territories to unite farmers and miners into a powerful political alliance. She also helped write Oklahoma’s Progressive constitution, creating what some heralded as “a new kind of state.” But then she took on the so-called “Indian Question.” Defending Native orphans against a conspiracy of graft that reached from Oklahoma to Washington, D.C., she uncovered corrupt authorities and legal guardians stealing oil, gas, and timber rights from Native Americans’ federal allotments. In retaliation, legislators and grafters closed ranks and defunded her state office. Broken in health and heart, she left public office and died a recluse. She remains, however, a riveting figure in Oklahoma history, a fearless activist on behalf of the weak and helpless.

Blood and Fire Nov 15 2021 The captivating story of how The Sheik captured the imagination of a generation, conquered the wrestling business, and lost it all in a blaze of flame and glory He was the most vicious, bloodthirsty, reviled villain in the history of the ring. During the 1950s, 1960s, and 1970s, he drew record crowds everywhere he went and left a trail of burned and bloody opponents in his wake. He was The Sheik: the mysterious and terrifying madman from Syria whose wanton destruction and mayhem are the stuff of wrestling legend. But what those legions of fans screaming for his head never knew was that The Sheik was really Eddie Farhat. From Lansing, Michigan, and the son of Arab immigrants, Farhat served his country proudly in

World War II and was fulfilling the American dream through hard work and tireless dedication to his craft. And when he wasn't screaming unintelligibly and attacking his enemies with sharp objects, he was busy being the owner and operator of World Wide Sports, one of the most successful wrestling companies in North America. This is *Blood and Fire: The Unbelievable Real-Life Story of Wrestling's Original Sheik*.

Life on Fire Jun 22 2022 Do you have a big dream that feels impossible? Are you harboring a goal or passion that you'd like to begin pursuing? Do you feel that there is something bigger out there for you even if you can't name what it is? Five years ago author Kim Dinan felt the same way. She had a good job and lived in a wonderful city. She owned a house and two cars and a wardrobe full of clothes. By the looks of it, she was successful. But there was a deeper truth inside of her that cried out for something more. She wanted to travel the world as a writer. Against the odds, the author set out down the path to her dreams. She had no idea what to expect. Five years later, she now travels the world as a full-time writer. And she learned a number of valuable lessons along the way. *Life On Fire* reveals real-life tips that will show you how to turn your biggest dreams into reality. Whether you want to travel the world, run a marathon, or simply learn how to make more room in your life for the things that bring you joy, this book will help you get started. *Life On Fire* will teach you what to expect as you begin to walk the path to your dreams. From helping you to connect with the voice of your soul, to overcoming fear and obstacles, dealing with naysayers, and handling the inevitable realities of sacrifice and failure, *Life On Fire* will give you the tools you need to prepare for your life's most important journey.

Every Life Is on Fire Apr 13 2024 A preeminent physicist unveils a field-defining theory of the origins and purpose of life. Why are we alive? Most things in the universe aren't. And everything that is alive traces back to things that, puzzlingly, weren't. For centuries, the scientific question of life's origins has confounded us. But in *Every Life Is on Fire*, physicist Jeremy England argues that the answer has been under our noses the whole time, deep within the laws of thermodynamics. England explains how, counterintuitively, the very same forces that tend to tear things apart assembled the first living systems. But how life began isn't just a scientific question. We ask it because we want to know what it really means to be alive. So England, an ordained rabbi, uses his theory to examine how, if at all, science helps us find purpose in a vast and mysterious universe. In the tradition of Viktor Frankl's *Man's Search for Meaning*, *Every Life Is on Fire* is a profound testament to how something can come from nothing.

Haroun and the Sea of Stories Jan 10 2024 It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*, and *The Wizard of Oz*. Haroun, a 12-year-old boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers.

Playing with Fire Sep 25 2022 If your vision led you straight into the fire, would you follow it anyway? Samantha's brother, Zach, is finally home after a ninety-day rehab for his meth addiction, and life seems to be getting back to normal. That is, until Sam starts having dreams about dangerous situations involving drugs. But her visions are so vague that she doesn't know who needs help. Of course she's worried about Zach staying clean, especially since he's hanging with the wrong crowd. But the whole school seems to be buzzing about drugs, and Sam doesn't know who's using and who's not. What is wrong with these people anyway? Then Sam has a vision of a burning cabin, and this time someone has been shot. Convinced that Zach is involved somehow, Sam chooses to leave Detective Ebony Hamilton out of the loop. If Zach really is involved, this will land him in jail for sure! But her own investigation is getting too hot to handle, and Sam must decide whether to risk getting Zach in trouble with the law— or ultimately risk his life.

In Awe Mar 20 2022 NATIONAL BESTSELLER • The #1 bestselling author of *On Fire* shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. "Engaging . . . O'Leary encourages us to see the world through a child's eyes."—Mitch Albom, author of *Tuesdays with Morrie* There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that's far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don't measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O'Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we've lost touch with as we age, O'Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. *In Awe* reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

Life of Fire Sep 06 2023 “The most important book on cooking over live fire in decades. Life of Fire illuminates it all, from coal beds, to home-built pits (in minutes!) to simple, delicious, recipes and enough whole hog know-how to impress the weekend warriors without intimidating newcomers.”—Andrew Zimmern **ONE OF THE BEST COOKBOOKS OF THE YEAR: Saveur** One of the few pitmasters still carrying the torch of West Tennessee whole-hog barbecue, Nashville’s Pat Martin has studied and taught this craft for years. Now he reveals all he knows about the art of barbecue and live fire cooking. Through beautiful photography and detailed instruction, the lessons start with how to prepare and feed a fire—what wood to use, how to build a pit or a grill, how to position it to account for the weather—then move into cooking through all the stages of that fire’s life. You’ll sear tomatoes for sandwiches and infuse creamed corn with the flavor of char from the temperamental, adolescent fire. Next, you’ll grill chicken with Alabama white sauce over the grown-up fire, and, of course, you’ll master pit-cooked whole hog, barbecue ribs, turkey, pork belly, and pork shoulder over the smoldering heat of mature coals. Finally, you’ll roast vegetables buried in white ash, and you’ll smoke bacon and country hams in the dying embers of the winter fire. For Pat Martin, grilling, barbecuing, and smoking is a whole lifetime’s worth of practice and pleasure—a life of fire that will transform the way you cook.

My Life with Earth, Wind & Fire Jul 04 2023 Foreword by Steve Harvey and afterword by David Foster The Grammy-winning founder of the legendary pop/R&B/soul/funk/disco group tells his story and charts the rise of his legendary band in this sincere memoir that captures the heart and soul of an artist whose groundbreaking sound continues to influence music today. With its dynamic horns, contrasting vocals, and vivid stage shows, Earth, Wind & Fire was one of the most popular acts of the late twentieth century—the band “that changed the sound of black pop” (Rolling Stone)—and its music continues to inspire modern artists including Usher, Jay-Z, Cee-Lo Green, and Outkast. At last, the band’s founder, Maurice White, shares the story of his success. Now in his seventies, White reflects on the great blessings music has brought to his life and the struggles he’s endured: his mother leaving him behind in Memphis when he was four; learning to play the drums with Booker T. Jones; moving to Chicago at eighteen and later Los Angeles after leaving the Ramsey Lewis Trio; forming EWF, only to have the original group fall apart; working with Barbra Streisand and Neil Diamond; his diagnosis of Parkinson’s; and his final public performance with the group at the 2006 Grammy Awards. Through it all, White credits his faith for his amazing success and guidance in overcoming his many challenges. *Keep Your Head to the Sky* is an intimate, moving, and beautiful memoir from a man whose creativity and determination carried him to great success, and whose faith enabled him to savor every moment.

A Heart at Fire's Center Oct 27 2022 No composer contributed more to film than Bernard Herrmann, who in over 40 scores enriched the work of such directors as Orson Welles, Alfred Hitchcock, François Truffaut, and Martin Scorsese. In this first major biography of the composer, Steven C. Smith explores the interrelationships between Herrmann's music and his turbulent personal life, using much previously unpublished information to illustrate Herrmann's often outrageous behavior, his working methods, and why his music has had such lasting impact. From his first film (*Citizen Kane*) to his last (*Taxi Driver*), Herrmann was a master of evoking psychological nuance and dramatic tension through music, often using unheard-of instrumental combinations to suit the dramatic needs of a film. His scores are among the most distinguished

ever written, ranging from the fantastic (Fahrenheit 451, The Day the Earth Stood Still) to the romantic (Obsession, The Ghost and Mrs. Muir) to the terrifying (Psycho). Film was not the only medium in which Herrmann made a powerful mark. His radio broadcasts included Orson Welles's Mercury Theatre on the Air and The War of the Worlds. His concert music was commissioned and performed by the New York Philharmonic, and he was chief conductor of the CBS Symphony. Almost as celebrated as these achievements are the enduring legends of Herrmann's combativeness and volatility. Smith separates myth from fact and draws upon heretofore unpublished material to illuminate Herrmann's life and influence. Herrmann remains as complex as any character in the films he scored—a creative genius, an indefatigable musicologist, an explosive bully, a generous and compassionate man who desperately sought friendship and love. Films scored by Bernard Herrmann: Citizen Kane, The Ghost and Mrs. Muir, Vertigo, Psycho, Fahrenheit 451, Taxi Driver, The Magnificent Ambersons, The Man Who Knew Too Much, North By Northwest, The Birds, The Snows of Kilimanjaro, Cape Fear, Marnie, Torn Curtain, among others

Living a Life of Fire Oct 07 2023 Living a Life of Fire is more than simple facts about an evangelist's life, it is filled with adventures from the heart of Africa, real-life dramatic stories of people and places that will leave you on the edge of your seat, and powerful demonstrations of the Holy Spirit working in the here and now. An autobiography of the life of one of God's generals that has left a legacy that is still impacting nations today.

California Fire and Life Jun 15 2024 FROM THE BESTSELLING AUTHOR OF THE CARTEL. When Jack Wade is called in to examine a suspicious arson claim, he follows the evidence into the crime infested inferno of the California underworld. Jack Wade was the rising star of the Orange County Sheriffs Department's arson unit, but a minor scandal cost him everything, except his encyclopedic knowledge of fire. Now working as an insurance claims investigator, Jack is called in to examine a suspicious claim: within hours of a disastrous blaze tearing through a wing of real estate mogul Nicky Vale's house—causing the horrific death of his young wife—he filed a 3 million-dollar insurance claim. The tracks of the fire tell Jack that something's wrong, and as he follows the evidence the case grows to involve the Russian mob, Vietnamese gangs, real estate scams, counterfeiting and corporate corruption. Things get so hot and deadly that Jack might not make it out alive . . . that is until he decides to fight fire with fire.

Stephen Crane Jan 30 2023 Stephen Crane's short, compact life—"a life of fire," he called it—is surrounded by myths, distortions, and fabrications. Paul Sorrentino has sifted through garbled chronologies and contradictory eyewitness accounts, scoured the archives, and followed in Crane's footsteps. The result is the most accurate account of the poet and novelist to date.

On Fire Dec 29 2022 NOW WITH A FOREWORD BY RON RASH AND AN APPRECIATION BY DWIGHT GARNER "One of the finest books I know about blue-collar work in America, its rewards and frustrations . . . If you are among the tens of millions who have never read Brown, this is a perfect introduction." —Dwight Garner, The New York Times On January 6, 1990, after seventeen years on the job, Larry Brown quit the Oxford, Mississippi, fire department to try writing full-time. In On Fire, he looks back on his life as a firefighter. His

unflinching accounts of daily trauma—from the blistering heat of burning trailer homes to the crunch of broken glass at crash scenes—catapult readers into the hard reality that drove this award-winning novelist. As a firefighter and fireman-turned-author, as husband and hunter, and as father and son, Brown offers insights into the choices men face pursuing their life's work.

And, in the forthright style we expect from Larry Brown, his narrative builds to the explanation of how one man who regularly confronted death began to burn with the desire to write about life. Claiming Your Place at the Fire Aug 13 2021 Presents a different paradigm of successful aging for men and women entering into and moving through the second half of their lives. Through an exploration of key concepts like purpose and renewal, and by drawing upon the timeless metaphor of fire, this book enables readers to become what the authors call "new elders. & quot.

American Fire: Love, Arson, and Life in a Vanishing Land Nov 08 2023 A New York Times Notable Book of the Year A Washington Post Notable Book of the Year One of Amazon's 20 Best Books of the Year Named one of the Best Books of the Year by BuzzFeed, Bustle, NPR, NYLON, and Thrillist Finalist for the Goodreads Book Award (Nonfiction) Finalist for the Edgar Award (Best Fact Crime) A Book of the Month Club Selection A New York Times Book Review Editors' Choice Selection "A brisk, captivating and expertly crafted reconstruction of a community living through a time of fear.... Masterful." —Washington Post The arsons started on a cold November midnight and didn't stop for months. Night after night, the people of Accomack County waited to see which building would burn down next, regarding each other at first with compassion, and later suspicion. Vigilante groups sprang up, patrolling the rural Virginia coast with cameras and camouflage. Volunteer firefighters slept at their stations. The arsonist seemed to target abandoned buildings, but local police were stretched too thin to surveil them all. Accomack was desolate—there were hundreds of abandoned buildings. And by the dozen they were burning. "One of the year's best and most unusual true-crime books" (Christian Science Monitor), *American Fire* brings to vivid life the reeling county of Accomack. "Ace reporter" (Entertainment Weekly) Monica Hesse spent years investigating the story, emerging with breathtaking portraits of the arsonists—troubled addict Charlie Smith and his girlfriend, Tonya Bundick. Tracing the shift in their relationship from true love to crime spree, Hesse also conjures the once-thriving coastal community, decimated by a punishing economy and increasingly suspicious of their neighbors as the culprits remained at large. Weaving the story into the history of arson in the United States, the critically acclaimed *American Fire* re-creates the anguished nights this quiet county lit up in flames, evoking a microcosm of rural America—a land half-gutted before the fires began.

Ball of Fire Feb 04 2021 As a movie actress Lucille Ball was, in her own words, “queen of the B-pluses.” But on the small screen she was a superstar—arguably the funniest and most enduring in the history of TV. In this exemplary biography, Stefan Kanfer explores the roots of Lucy’s genius and places it in the context of her conflicted and sometimes bitter personal life. *Ball of Fire* gives us Lucy in all her contradictions. Here is the beauty who became a master of knock-down slapstick; the control freak whose comic alter ego thrived on chaos, the worshipful TV housewife whose real marriage ended in public disaster. Here, too, is an intimate view of the dawn of television and of the America that embraced it. Charming, informative, touching, and laugh-out-loud funny, this is the book Lucy’s fans have been waiting for.

When Your Life Is on Fire Feb 28 2023 “In *When Your Life Is On Fire* Erik Kolbell listens, provokes, and most of all, shares with us the enduring lessons and insights of life and faith as realized by a diverse population of thoughtful people. It’s a town hall of the soul.” -- Tom Brokaw If your life was on fire, what would be the one thing you save? Psychotherapist and former pastor Erik Kolbell asks that question of 13 remarkable and unique individuals, and the answers may surprise you. Provided by celebrities such as Jane Pauley and Alan Alda, artists such as Regina Carter and Tao Porchon Lynch, and ordinary people put into extraordinary situations like Don Lange and Brenda Berkman, these reflections will help all of us consider what it is that we value most in life. His goal, Kolbell says, is not to examine the worth of each of these things. “What matters is that for all of the sham and artifice that can make cynics of us all, there are things, solid things, that compel us onward.”

Playing With Fire Apr 01 2023 Nasser Hussain was acclaimed as England's best cricket captain since Mike Brearley. Under his leadership, a side more famous for its batting collapses and ability to seize defeat from the jaws of victory discovered its backbone. With coach Duncan Fletcher he put some steel into the side; they became a difficult team to beat. Hussain wore his heart on his sleeve: railing against complacency, defying critics of his place in the batting line-up and making a principled stand at the last World Cup when the ECB seemed incapable of it. Expect passion, integrity, insight and candour in his eagerly awaited autobiography.

Fire in the Belly Jun 10 2021 The first full biography of legendary East Village artist and gay activist David Wojnarowicz, whose work continues to provoke twenty years after his death 'Carr's biography is both sympathetic and compendious; it's also a many-angled account of the downtown art world of the 1980s . . . a vivid and peculiarly American story' New York Times 'A beautifully written, sympathetic, unsentimental portrait of one of the most lastingly influential late 20th century New York artists' LA Times _____ David Wojnarowicz was an abused child, a teen runaway who barely finished high school, but he emerged as one of the most important voices of his generation. He found his tribe in New York's East Village, a neighborhood noted in the 1970s and '80s for drugs, blight, and a burgeoning art scene. His

creativity spilled out in paintings, photographs, films, texts, installations, and in his life and its recounting-creating a sort of mythos around himself. His circle of East Village artists moved into the national spotlight just as the AIDS plague began its devastating advance, and as right-wing culture warriors reared their heads. As Wojnarowicz's reputation as an artist grew, so did his reputation as an agitator—because he dealt so openly with his homosexuality, so angrily with his circumstances as a Person With AIDS, and so fiercely with his would-be censors. *Fire in the Belly* is the untold story of a polarizing figure at a pivotal moment in American culture—and one of the most highly acclaimed biographies of the year.

On Fire May 14 2024 In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page.

Words on Fire Dec 17 2021 New York Times bestselling author Jennifer A. Nielsen transports readers to a corner of history with this inspiring story of a girl who discovers the strength of her people united in resisting oppression. Danger is never far from Audra's family farm in Lithuania. She always avoids the occupying Russian Cossack soldiers, who insist that everyone must become Russian -- they have banned Lithuanian books, religion, culture, and even the language. But Audra knows her parents are involved in something secret and perilous. In June 1893, when Cossacks arrive abruptly at their door, Audra's parents insist that she flee, taking with her an important package and instructions for where to deliver it. But escape means abandoning her parents to a terrible fate. As Audra embarks on a journey to deliver the mysterious package, she faces unimaginable risks, and soon she becomes caught up in a growing resistance movement. Can joining the underground network of book smugglers give Audra a chance to rescue her parents?
