In this book, Warren Keller reveals the secrets of astro-image processing software PixInsight in a practical and easy to follow manner, allowing the reader to produce stunning astrophotographs from even mediocre data. As the first comprehensive post-processing platform to be created by astro-imagers for astro-imagers, it has for many, replaced the generic graphics editors as the software of choice. With clear instructions from Keller, astrophotographers can get the most from its tools to create amazing images. Capable of complex post-processing routines, PixInsight is also an advanced pre-processing software, through which astrophotographers calibrate and stack their exposures into completed master files. Although it is extremely powerful, PixInsight has been inadequately documented in print--until now. With screenshots to help illustrate the process, it is a vital guide. At Last! From one of our greatest voices in modern philosophy, author of The Course of Love, The Consolations of Philosophy, Religion for Atheists and The School of Life - an accessible and eye-opening exploration of our relationship with 'the news' 'His gift is to prompt us to think about how we live and how we might change things' The Times 'De Botton analyses modern society with great charm, learning and humour. His remedies come as a welcome relief' Daily Mail 'Like all classic de Botton, there are plenty of insightful observations here, peppered with some psychology, a dash of philosophy, a big dollop of commonsense' Scotsman 'The news' occupies a range of manic and peculiar positions in our lives. We invest it with an authority and importance which used to be the preserve of religion - but what does it do for us? Mixing current affairs with philosophical reflections, de Botton offers a brilliant illustrated guide to the precautions we should take before venturing anywhere near the news and the 'noise' it generates. Witty and global in reach, The News will ensure you'll never look at reports of a celebrity story or political scandal in quite the same way again.
