**Microsoft Azure Essentials Azure Machine Learning** Jeff Barnes, 2015-04-25 Microsoft Azure Essentials from Microsoft Press is a series of free ebooks designed to help you advance your technical skills with Microsoft Azure. This third ebook in the series introduces Microsoft Azure Machine Learning, a service that a developer can use to build predictive analytics models using training datasets from a variety of data sources and then easily deploy those models for consumption as cloud web services. The ebook presents an overview of modern data science theory and principles, the associated workflow, and then covers some of the more common machine learning algorithms in use today. It builds a variety of predictive analytics models using real world data, evaluates several different machine learning algorithms and modeling strategies, and then deploys the finished models as machine learning web services on Azure within a matter of minutes. The ebook also expands on a working Azure Machine Learning predictive model example to explore the types of client and server applications you can create to consume Azure Machine Learning web services. **Gut Check** Tarek Saab, 2010-05 Only a few years into a career marked by dazzling early success, Tarek Saab's life took a dramatic turn with his selection for Donald Trump's reality show *The Apprentice*. Viewers soon noticed something unusual about Tarek. Throughout the chaos and pressure, including several boardroom showdowns with Trump, Tarek displayed unusual moral character. In a new book, he shares his hard-won insights into love, work, and manhood, and their source in a faith that is ever old, ever new. The biggest problem by far facing men is the crisis of manhood. Offering a completely new take on the so-called quarter-life crisis, Tarek describes his reluctant confrontation with career relationships and spiritual disillusionment, and reveals the surprising truths he learned about what it means to be a man. A distinctly modern-day Confessions, *Gut Check* is the wry and candid self-examination of a man whose life, despite its extraordinary twists, is full of lessons for ordinary men and women. Tarek's captivating tale reveals a young man with many talents and temptations whose saving grace is a relentless pursuit of truth and the daring to be counter-cultural. Gritty, comic, utterly believable. *Gut Check* is not the usual Christian fairy tale. *Gut Check* is a manual for manhood lived the hard way. It is a book for men who never read and for men who think they have read it all. If you think you know what you really want, are you ready for a gut check?
