JCB 3C MkIII Backhoe Loader (1977 onwards) Jun 10 2021

This Manual will cover the JCB Backhoe Loader - the  
iconic 'yellow' digger, variants of which have now been  
in production for over 50 years. The book will be  
produced with the full co-operation of JCB, who are  
likely to take approx 2,000 copies to use for  
promotional activity to celebrate the company's 70th  
anniversary in October 2015 (a year of celebrations is  
planned running until October 2016). JCB has an extensive  
archive from which material will be drawn for use in the  
book, and it is envisaged that the 'project vehicle'  
will be a 'classic' 1979 3C Backhoe Loader - revered by  
enthusiasts, and the machine that took JCB from leading  
British manufacturer to a global player.
