**The King's Daughter** Christie Dickason, 2010-11-30 An epic story of royal secrets and love Publishers Weekly In the vein of Philippa Gregory *The King's Daughter* is a superb historical novel of the Jacobean court that will thrill historical fiction fans everywhere Combining fascinating fact with ingenious fiction Christie Dickason the acclaimed author of *The Firemaster's Mistress* tells the spellbinding story of Princess Elizabeth daughter of James I and her determined efforts to avoid becoming her father's pawn in the royal marriage market The court of James I is a dangerous place with factions led by warring cousins Robert Cecil and Francis Bacon While Europe seethes with conflict between Protestants and Catholics James sees himself as a grand peacemaker and wants to make his mark by trading his children for political treaties Henry Prince of Wales and his sister Elizabeth find themselves far more popular than their distrusted father a perilous position for a child of a jealous king When Elizabeth is introduced to one suitor Frederick the Elector Palatine she feels the unexpected possibility of happiness But her fate is not her own to choose and when her parents brutally withdraw their support for the union Elizabeth must take command of her own future with the help of an unexpected ally the slave girl Tallie who seeks her own very different freedom

**The King's Daughter** Christie Dickason, 2010 [The King's Daughter](#) Suzanne Martel, 1994-01-01 Winner of the Ruth Schwartz Award Jeanne Chatel has always dreamed of adventure So when the eighteen year old orphan is summoned to sail from France to the wilds of North America to become a king's daughter and marry a French settler she doesn't hesitate Her new husband is not the dashing military man she has dreamed of but a trapper with two small children who lives in a small cabin in the woods With her husband away trapping much of the time Jeanne faces danger daily but the bravery and spirit that brought her to this wild place never fail her and she soon learns to be truly at home in her new land

*The Noble Assassin* Christie Dickason, 2011-11-24 A thrilling account of one of English history's most daring women who risked everything in the dark days leading up to the Civil War The perfect novel for fans of Suzannah Dunn and Phillipa Gregory **The Firemaster's Mistress** Christie Dickason, 2006 First published in Great Britain in 2005 by HarperCollins

[Indochine](#) Christie Dickason, 1987 Nina a half French half Vietnamese woman left to fend for herself in the wake of the French withdrawal from Vietnam rises to a powerful position amidst the chaos of Saigon **'We Are All Here to Stay'**

Dominic O'Sullivan, 2020-09-21 In 2007 144 UN member states voted to adopt a Declaration on the Rights of Indigenous Peoples Australia Canada New Zealand and the US were the only members to vote against it Each eventually changed its position This book explains why and examines what the Declaration could mean for sovereignty citizenship and democracy in liberal societies such as these It takes Canadian Chief Justice Lamer's remark that we are all here to stay to mean that

indigenous peoples are here to stay as indigenous The book examines indigenous and state critiques of the Declaration but argues that ultimately it is an instrument of significant transformative potential showing how state sovereignty need not be a power that is exercised over and above indigenous peoples Nor is it reasonably a power that displaces indigenous nations authority over their own affairs The Declaration shows how and why and this book argues that in doing so it supports more inclusive ways of thinking about how citizenship and democracy may work better The book draws on the Declaration to imagine what non colonial political relationships could look like in liberal societies **The King's Daughter** Pansy,1873

**The Principessa** Christie Dickason,2007 Sumptuous glorious evocation of Jacobean London and Renaissance Italy from the acclaimed author of *The Firemaster's Mistress* *Playing House* Ruby Lang,2019-08-12 *Playing House* is relatable heartwarming and oh so sexy I zoomed through this thoughtful and joyful story about two people finding themselves and each other Jasmine Guillory New York Times bestselling author of *The Wedding Date* and *The Proposal* Romance blossoms between two city planners posing as newlyweds in this first in a bright new series by acclaimed author Ruby Lang The last thing Oliver Huang expects to see on the historic Mount Morris home tour is longtime acquaintance Fay Liu bustling up and kissing him hello He's happy to playact being a couple to save her from a pushy admirer Fay's beautiful successful and smart and if he's being honest Oliver has always had a bit of a thing for her Maybe more than a bit Geeking out over architectural details is Oliver and Fay's shared love language and soon they're touring pricey real estate across Upper Manhattan as the terribly faux but terribly charming couple Darling and Olly For the first time since being laid off from the job he loved Oliver has something to look forward to And for the first time since her divorce Fay's having fun Somewhere between the light filled living rooms and spacious closets they've explored this faux relationship just may have sparked some very real feelings For Oliver and Fay home truly is where their hearts are One click with confidence This title is part of the Carina Press Romance Promise all the romance you're looking for with an HEA HFN It's a promise **Colour-Coded** Constance Backhouse,1999-11-20 Historically Canadians have considered themselves to be more or less free of racial prejudice Although this conception has been challenged in recent years it has not been completely dispelled In *Colour Coded* Constance Backhouse illustrates the tenacious hold that white supremacy had on our legal system in the first half of this century and underscores the damaging legacy of inequality that continues today Backhouse presents detailed narratives of six court cases each giving evidence of blatant racism created and enforced through law The cases focus on Aboriginal Inuit Chinese Canadian and African Canadian individuals taking us from the criminal prosecution of traditional Aboriginal dance to the trial of members of the Ku Klux Klan of Kanada From thousands of possibilities Backhouse has selected studies that constitute central moments in the legal history of race in Canada Her selection also considers a wide range of legal forums including administrative rulings by municipal councils criminal trials before police magistrates and criminal and civil cases heard by the highest courts in the provinces and by the Supreme Court of Canada The extensive and detailed documentation

presented here leaves no doubt that the Canadian legal system played a dominant role in creating and preserving racial discrimination. A central message of this book is that racism is deeply embedded in Canadian history despite Canada's reputation as a raceless society. Winner of the Joseph Brant Award presented by the Ontario Historical Society. *Miracles and Menorahs* Stacey Agdern, 2020-10-13 Sarah Goldman loves Hanukkah and she's thrilled to be appointed as vice chair of the Hollowville Hanukkah Festival. So when the festival is threatened with cancellation she comes up with an idea: a new slogan and advertising campaign topped off with a metal menorah large enough to fill the center of town. But even though her heart and dreams are large, the committee's budget constraints threaten to stop her grand plans right in their tracks. Famous metal sculptor Isaac Lieberman also loves Hanukkah. But his vision of a perfect Hanukkah isn't a commercial community event; it's spending time with family following age-old traditions. He's not interested in the festival, no matter how many times his grandmother, his bubbe, asks him to contribute one of his sculptures. Then Sarah comes tumbling into his life: can she change his mind about more than just the holidays?

**Ho Chi Minh's Blueprint for Revolution** Virginia Morris, Clive A. Hills, 2018-09-10 When Saigon fell to North Vietnamese forces on April 30, 1975, the communist victory sent shockwaves around the world. Using ingenious strategy and tactics, H Chi Minh had shown it was possible for a tiny nation to defeat a mighty Western power. The same tactics have been studied and replicated by revolutionary forces and terrorist organizations across the globe. Drawing on recently declassified documents and rare interviews with H Chi Minh's strategists and operatives, this book offers a fresh perspective on his blueprint and the reasons behind both the French 1945-1954 and the American 1959-1975 failures in Vietnam, concluding with an analysis of the threat this model poses today. *Foxcatcher* Mark Schultz, David Thomas, 2015-10-13 On January 26, 1996, Dave Schultz, Olympic gold medal winner and wrestling champion, was shot in the back by du Pont heir John E. du Pont at the family's famed Foxcatcher Farm estate in Pennsylvania. Following the murder, du Pont barricaded himself in his home for two days before he was finally captured. How did the so-called best friend of amateur wrestling come to commit such a horrifying, senseless murder? For the first time ever, Dave's brother Mark, another Olympic gold medal-winning wrestler under du Pont's patronage, tells the full story. Fascinating, powerful, and deeply personal, *Foxcatcher* is a riveting account as told by the only person close enough to know the mind of the murderer. Page 4 cover. [The King's Mistress](#) Gillian Bagwell, 2012 Jane Lane leads a privileged life inside the walls of her family's home. At 25 years old, her parents are keen to see her settled, but Jane dreams of a union that goes beyond the handsome dowry her father desires. Her world is shattered when Royalists fighting to restore the crown to King Charles II arrive at their door. [The Patella](#) Giles R. Scuderi, 2012-12-06 The problems of the patellofemoral joint remain a challenge to the orthopaedic surgeon. In spite of many articles in scientific journals, an outstanding monograph, and several excellent textbook chapters, the patella is still an enigma in many respects. The etiology of patellar pain is controversial, and there is no

completely satisfying explanation for its cause or its relationship to chondromalacia Curiously neither the widespread use of arthroscopy nor the advent of newer diagnostic tests such as CT scanning and magnetic resonance imaging have cast much light Without a better understanding of why patellar disorders occur it is not surprising that there is no consensus on how to fix them Arthroscopy has contributed little except to the patient's psyche The currently most popular surgical treatment for recurrent dislocation of the patella was first described 50 years ago One concrete advance albeit a small one is a better understanding of the role of anatomical abnormalities and patellofemoral dysplasia in patellar instabilities It gives me great pleasure that many of the contributors are like Dr *The Memory Palace* Christie Dickason, 2014-01-30 An epic love story set in the period of Music and Silence for readers of Rose Tremain and Philippa Gregory *The King's Daughter*, 2010-06-15 In the school play Olivia plays the part of a princess who becomes tired of studying and learning good manners so she runs away to spend a day with the village children
