**Eat Mor Chikin** S. Truett Cathy, 2002 In *Eat Mor Chikin Inspire More People* Truett Cathy challenges readers to focus on people and principles The principles he outlines in this book have brought success to his business and he insists that anyone who follows them will surely enjoy similar results Fostering Employee Buy-in Through Effective Leadership Communication Tim P. McMahon, 2021-07-29 Based on a case study of leadership communication in a time of organizational change this book gives new leaders insights into the tools and skills needed to become effective motivating communicators in their leadership careers Taking a holistic approach to communication and leadership the book argues that employees buy in to change when they collectively feel engaged in meaningful work that will enrich the lives of customers employees and investors Based on ethnographic research it approaches the topic through an absorbing fiction like retelling of an organization's successful navigation of change against the backdrop of the 2007 mortgage crisis In doing so it establishes a framework for leaders to understand the principles behind how and why buy in is generated in organizations This unique approach allows readers to visualize leadership communication principles in practice *Fostering Employee Buy in* is ideal as a supplementary text in introductory leadership communication management and business courses or as a text for new leaders interested in inspiring organizational change *Sunday*, 2001 *New York Magazine*, 1992-02-10 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
