planets created? Is it possible that there are living things in space? What about the big bang? *How Do We Know the Bible is True Volume 1* Feb 08 2022 Today there are untold voices in print, on television, and online calling for our attention, and so many of these mock or belittle our faith. From coworkers to those calling themselves Christians, the tone has become one of reproach, disparaging the character of God and undermining the authority of the Bible. For those who have a heart for God, it can be intimidating and discouraging. *How Do We Know the Bible is True?* is based on the absolute authority of God's Word, not man-centered explanations. Clearly presented, it will help bring clarity in a world filled with increasingly vague notions of truth. Over 20 relevant issues are discussed including: Is the Bible totally without error? Did the resurrection really happen? How do we know that the 66 books of the Bible are from God? Does the Bible contradict itself? How were people saved before

Jesus came? What is the purpose and meaning of life? Did miracles really happen? Was Genesis derived from ancient myths? How should we interpret the Bible; should Genesis be literal? Do you have to believe in a young earth to be saved? Within these pages you will find responses to those honest questions of faith, helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace. These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith, including Ken Ham, John MacArthur, Terry Mortenson, Jason Lisle, Brian Edwards, Tommy Mitchell, Jobe Martin, Georgia Purdom, Bodie Hodge, and Roger Patterson.

Whistleblower Nov 07 2021 Kate Marchant, author of *Float*, presents a story about a young journalist who fights for the truth to come to light—even if it means she might lose everything . . . Laurel Cates has never wanted the spotlight. As a junior studying journalism at Garland University, she's perfectly content pumping out well-written fluff pieces for the school paper and

focusing on the finer things in life: friends, house parties, and carne asada tacos. But when Laurel's research for an article on the school's beloved football coach uncovers a pattern of misbehavior and a trail of lies, she knows she has to expose the truth. Even if it means facing public scrutiny. Even if it means risking her part-time job, her reputation, and her safety. Even if Bodie St. James, the heart-of-gold quarterback, seems hell-bent on convincing her that the man who has been like a father to him couldn't possibly be the villain she thinks he is. When Laurel and Bodie team up to prove each other wrong, their tentative alliance becomes complicated by growing feelings and mounting evidence. And Laurel must choose between staying invisible or doing what's right . . . even if it costs her more than she ever imagined.
