## Debt Nina G Jones

**Debt** Nina G. Jones, 2014-12-24 I don't know what I was thinking when I hired someone to attack me. Maybe I was bored or lonely or there was a void so deep inside of me that I needed something explosive to fill it. It was supposed to be safe. A thrill. A way to break through the monotony of everyday life. It was an illusion of danger that I could walk away from as soon as it was over. Except that it wasn't. Because I had been in danger long before I ever invited it into my life. My mission is almost complete. The bubbling boil of vengeance that heats my blood might finally simmer. She is the last piece of the puzzle. Once I destroy her, everyone who ever hurt me will have paid their debt. It was supposed to be quick and easy, but as soon as I met her, it got complicated. Very complicated. Publisher's description

**Take Me with You** Nina G. Jones, 2016-10-18 I watch. I study. I prowl. I hunt. I always go in with a plan. A set of rules for myself. I don't take unnecessary risks. That's how I've been able to evade capture all these years. But there's something about this girl that is different than the others. When I finally meet her, the rules become a blur. And I break the most important one of all. I take her with me. It's just my imagination that feeling of being watched. That those icy eyes, a vivid turquoise with a distinct golden fleck, aren't watching me. It's just stress. I am the person everyone relies on. Maybe that's why I haven't been feeling so content with my life lately. Why I dream those eyes belong to someone who can tear me away from all of my responsibilities. But these are just shameful fantasies never meant to breach reality. Then one night the dream comes true, only it's a horrific nightmare. Now I only have one task: survival. 124k words. Trigger warning: If you need one, this is really not the book for you.

**Strapped Down** Nina Jones, 2014-04-23 The much anticipated second installment of the Strapped Trilogy. Strapped Down picks up where the first installment concluded. Eric is not going down without a fight, but Shyla and Taylor are willing to go to equally dark lengths to make him pay for his betrayal. In their quest to seek revenge and find happiness, deeply guarded secrets from their pasts begin to surface, revealing they are linked to each other in ways they could never have imagined. For every secret they uncover, another seems to surface as they find themselves raveled in a web that extends much further than the confines of the darkroom. As Shyla and Taylor become more entwined with each other, she learns that Taylor's dark side is far more dangerous than she believed. Will Shyla continue to follow Taylor into the darkness, or is he far too gone for her light to shine through?

**The Debt** Sara Hubbard, 2021-06-11 After her father steals from a prominent crime family, Luna is abducted and forced to watch the Morozovas murder her father. She was supposed to be next. She was a witness, after all. But as Maxim Morozova brushed away Luna's golden hair, looked past her fresh cuts and bruises, and stared into her topaz eyes, he saw something he didn't expect to see: the angelic face of a nurse who'd saved his life two years before. The same nurse he briefly dated before she abruptly said good-bye. Did he owe her a debt? He wasn't sure. So he would keep her until he decided what to do with her, while also doing his best not to let his old feelings reemerge. Hopefully, that voice inside of him that always

pushed him to do what was necessary would convince him that she was a loose end that needed to be tied And he wouldn't have to worry about the consequences of letting her live But life doesn't always work out the way you want it to especially when you make the mistake of mixing business with pleasure     **Notice** K Webster,2016-06-17 I didn't notice her before but now I do The shiny strands of gold in her silky brown hair Tiny crinkles between her eyebrows when she frowns Her passion for neatness Once I focus on her I can't take my eyes from my newest obsession Ever I need to know everything about her Her past Her present The way she takes her coffee Exactly how she smells after a spritz of perfume in the mornings She's perfect in every way and I was blind But God now do I see I notice the organized way she arranges her clothes in her closet How she visits the same market each Saturday The sounds of her breathing as I lie beneath her bed in silence Violet is mine She just doesn't know it yet **WARNING** Notice is a dark and unusual romance Extreme sexual themes and violence in certain scenes which could trigger emotional distress are found in this story If you are sensitive to dark themes then this story is not for you If you aren't into super obsessive stalkers then this story is not for you     *Swelter* Nina G. Jones,2015-10-01 I married the right brother At least that's what I tell myself at night when I stare at the ceiling and listen to the rhythm of the grandfather clock down the hall It never feels like the mere passage of time but a countdown towards something inevitable Bobby Lightly is selfish irresponsible and careless I haven't seen him since the day I married his brother He slipped out during the wedding reception without a word A year later I heard Bobby was drafted to Korea He never said goodbye Never sent a letter We had all come to terms with the fact that he was probably dead somewhere either a victim of the war or its aftermath That is until in the midst of an unrelenting heatwave he showed up at the doorstep of the house I lived in with his brother Everyone thinks I'm cruel Everyone thinks I should be easy on him They think I don't understand him They all think I hate him But what no one understands is that it was Bobby who broke my heart And I think he's back to do it again     *Take Me with You* Carolyn Marsden,2010-03-23 Raised in an Italian orphanage in the years following World War II a biracial girl named Susanna and her best friend Pina want to be adopted but fear being separated     **Lemonade** Nina Pennacchi,2015 As a young woman in Victorian England Anna Champion knows all too well the social mores that value prettiness over sense and etiquette over honesty But when she stands up to the boorishness of dashing Christopher Davenport at a summertime ball Anna unwittingly attracts his wrath and becomes entangled in his malicious scheming After a lifetime of harboring shame and resentment Christopher a ruthless con artist wants revenge and unfortunately for Anna he's decided that she will be the perfect pawn in his terrible plot With a fierceness of spirit uncommon in well-bred young ladies in the nineteenth century Anna will have to use her intelligence and courage to protect her loved ones But can she also save herself
