[Death by Chocolate Malted Milkshake](#) Nov 21 2021 When murder interrupts a Maine island wedding, two local confectioners go sifting through suspects in this mystery by the author of Dead Cat Bounce. With their waterfront bakeshop, The Chocolate Moose, Jacobia "Jake" Tiptree and her best friend Ellie offer sweets to the salty locals of Eastport, Maine. Now they've been asked to bake a wedding whoopie pie for Eastport's favorite lovebirds, Sharon Sweetwater and Andy Devine. The custom-ordered confection is about to reel in some much-needed dough for Jake and Ellie. But the celebratory air, and sweet smell of success, are ruined by

foul murder. When Sharon's bitter ex-boyfriend Toby is poisoned with an arsenic-laced milkshake, Andy is arrested and the wedding is cancelled, whoopie pie and all. Then Sharon makes a shocking confession—one that sounds like a fishy attempt to get Andy off the hook. Now both the bride and groom are behind bars. And with the fate of The Chocolate Moose at stake, it's up to Jake and Ellie to clear their names and make sure justice is served. Includes an irresistible recipe!

Resolution Jan 04 2023
Resolution is the fourth and last of a series of adventure stories that represent one potential path of human transformation. Its a path that few people would select for themselves. In the next few hundred years human survivors will have faced a variety of scenarios with a wide range of lethal conditions. The Red Clay Desert series is but one possibility. Jane could see that the young Chinese girl was being violated by five pairs of persistent hands vigorously squeezing and prodding her. Where is the man with those eyes? Jane thought. When Jane could stand no more she screamed at the top of her voice. In the desert darkness Janes violent outcry was so startling that three desert men jumped to their feet pulling large knives from hiding places in raggedy desert garb. Jane heard a popping sound and two of the men slumped to the ground. The escape of the other men was almost a cartoon-like reflex. She saw three bandits in an immediate simultaneous crouching sprint toward the protection of

darkness at the edge of the firelight circle. The popping sound came once more and two runners dropped face down on the clay. One runner continued, then two, then none.
